Grades are stated as a convenience to bidders only to assist in directing them to lots they may wish to examine. *Currency Auctions of America, Inc.* strongly urges all bidders, including mail bidders, to examine lots prior to bidding, either in person or through their own agent. *Currency Auctions of America, Inc.* does not represent that a note has or has not been cleaned or that any other entity or third party grading service will or will not agree with our grade opinion for any item. A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale, either in person or through their own agent. Grades stated are the opinion of the cataloguer given as a convenience to bidders to assist in identifying lots they may wish to examine themselves.

HOW TO BID BY MAIL

Bid as much as you are willing to pay for the lot you are interested in. Lots will be opened to floor bidders at approximately 5% over the second highest mail bid. For example:

On lot 777 you bid \$325. If the next highest mail bid is \$260 the lot will be opened to floor bidders at \$275. If no one bids higher (\$300) from the floor you will be awarded the lot at \$275. If we receive a bid of \$300 from the floor, the book (your bid) will bid \$325 for you. If

the floor action stops here you will be awarded the lot at your full bid of \$325. Should the bidding proceed past \$325 the book (you) is out and a floor bidder will be awarded the lot.

In this manner you participate on an equal basis with floor bidders, and have an equal opportunity to obtain your lots well below your top bids.

A WORD ABOUT ESTIMATES

The estimates in this catalogue are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell for over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

In particular we would like to thank Mr. Martin Gengerke of Stack's, who allowed us to access his pioneering research in both Large Type and Nationals. His voluminous computer files are helping to transform the currency market from pricing based on hearsay to prices based on objective research.

Thank you, friends and colleagues,

Len, Allen, and Kevin

RANDY K. HAYNIE

Randy K. Haynie has been a numismatist for over 30 years. The hobby first began for Haynie when, as an eight-year-old Cub Scout, he was required to maintain a collection of some sort. His parents gave him a Whitman Lincoln penny holder, and he began collecting Lincoln pennies. He then started attending coin shows and soon became interested in paper money. Around 1975, Haynie began collecting currency in earnest, concentrating at first on obtaining U.S. Fractionals, both specimens and regular issues. He gradually got interested in large-size, followed by small-size U.S. notes. His attention turned next to continental and colonial currency, the former of which he collected almost the entire issue. His outstanding collection in each of these areas is presented in its entirety in the pages that follow.

In 1985 Haynie began to focus on building an unprecedented collection of Louisiana obsolete currency. Today, this collection now has more than 1,000 obsolete notes and proofs within it, making it the largest and most complete collection of Louisiana material extant. Haynie's collection of Louisiana obsolete currency includes unique state, parish, municipal, merchant and bank notes, all of which date to the 1800s. His particular store of parish currency is comprised of notes from all of the 42 pre-Civil War parishes known to have issued scrip, and his possession of the only existing note issued by the parish of Madison makes this particular assemblage the most comprehensive of any in the state. Likewise, his Louisiana bank note collection includes specimens and proofs from every bank chartered in the state.

Although he focuses his attention mainly on the collection of currency, Haynie tends to be an avid collector of things associated with Louisiana in general. In addition to collecting currency, he has acquired some 200 lottery tickets and documents dating from 1877 that were issued by the first Louisiana Lottery Company. Interest in the lottery has led him to gather numerous handbills and advertisements that promoted the original lottery. Apart from this, Haynie has also begun collecting photos of Louisiana governors and documents that relate to their terms of office. He has acquired numerous early maps of Louisiana and has a remarkable collection of paintings by well-known Louisiana artists.

Haynie is the owner and president of Haynie & Associates, a government relations firm with offices in Baton Rouge and Lafayette, Louisiana. It is in his Baton Rouge office at Long-View, the former home of one of Louisiana's most colorful governors, Earl K. Long, where Haynie showcases his Louisiana collections.

GEORGIA

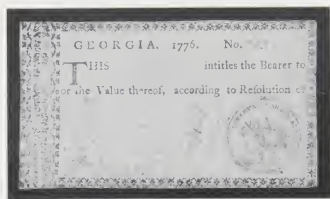

- 74 Georgia 1773 20s Very Fine. This very rare note had been split into a number of smaller pieces but is now expertly restored. Type set and printed in red and black, this rare issue became unredeemable if held past September 29, 1776. Consequently, very few survived. Physically much larger than the later Georgia issues, this note has been signed by all seven of the signers listed in Newman and all seven signatures remain dark and clear. (1750-up)

REMINDER —

**A 10% Buyer's Fee will be added
to all successful bids.**

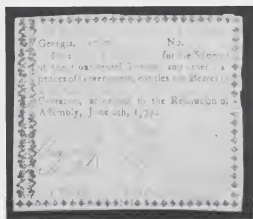

- 75 Georgia 1776 Light Blue Seal \$4 About New. One of the very finest colored seal Georgia notes we have ever seen. Other than a few light folds in the top margin area, this note is utterly flawless. All of the original printing is deeply embossed through to the back as is not only the circular outline of the seal but the elements of the seal itself. All five signatures are strong, clean, and free of moisture damage that so easily affects this fragile issue. A treasure from the Haynie Collection for the serious collector who prizes quality. (800-up)

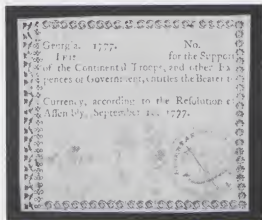

- 76 Georgia 1776 \$4 Orange Seal Very Fine. Four short splits have been closed, otherwise solid for the grade. All five signatures are clear, and the orange seal, although it has toned to brown, is very sharp. (250-up)

- 77 Georgia June 8, 1777 \$2 Red "in" Extra Fine. A lovely, well-centered note that is totally original and free of repairs and restorations. The orange ship vignette is clear and strong and all five signatures are dark and legible. (500-up)

- 78 Georgia September 10, 1777 \$7 Choice Extra Fine. Very well margined and without problems or restorations. The light blue seal along with the black and red printing and brown signatures make this colorful note quite eye catching. (400-up)

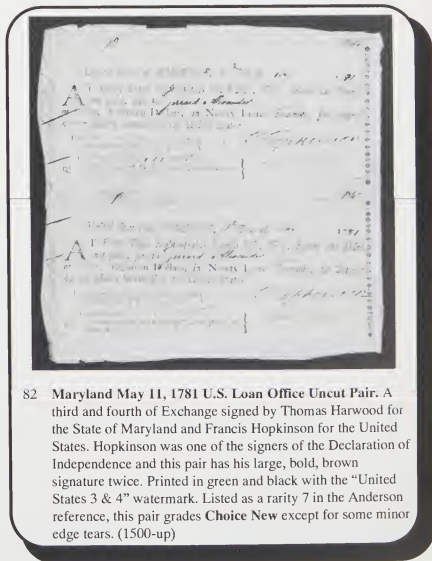

MARYLAND

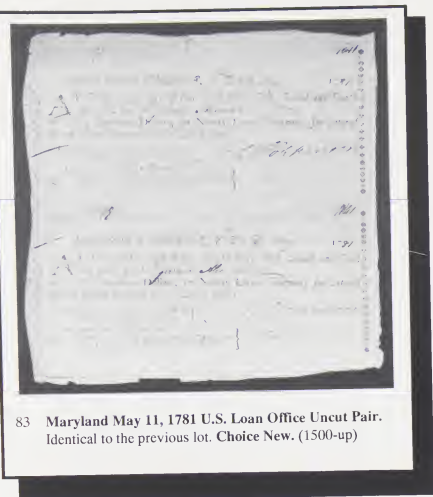

- 79 Maryland April 10, 1774 \$4 Gem New. Unbelievable grade for this issue. Maryland notes of the 1767, 1770 and 1774 issues are very common in low grade, but become prohibitively rare as the grade approaches Choice. This magnificent note is fully margined except for the left where the indent is deliberately cut as always. Well printed on both sides and with bright original colors, a prize for the Colonial collector who is seeking top quality. (400-up)

- 80 Maryland April 10, 1774 \$6 New. A common note but very scarce in this grade. Tightly trimmed as almost always. (150-up)

- 81 Maryland June 28, 1780 \$3 About New. A lovely example of this scarce issue. (300-up)

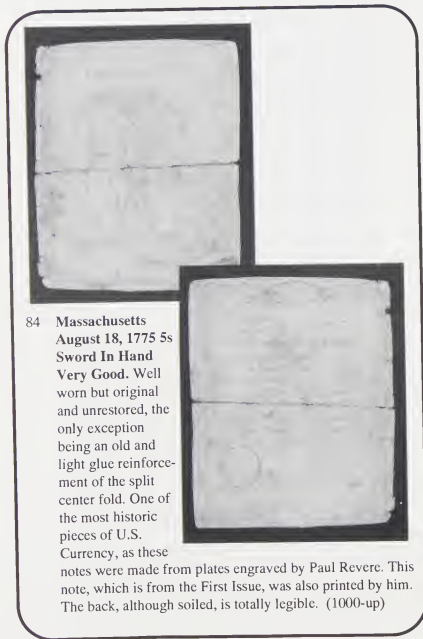

- 82 Maryland May 11, 1781 U.S. Loan Office Uncut Pair. A third and fourth of Exchange signed by Thomas Harwood for the State of Maryland and Francis Hopkinson for the United States. Hopkinson was one of the signers of the Declaration of Independence and this pair has his large, bold, brown signature twice. Printed in green and black with the "United States 3 & 4" watermark. Listed as a rarity 7 in the Anderson reference, this pair grades Choice New except for some minor edge tears. (1500-up)

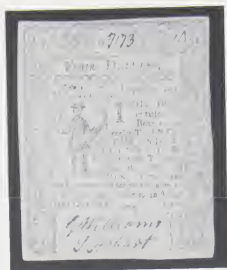

83 Maryland May 11, 1781 U.S. Loan Office Uncut Pair. Identical to the previous lot. Choice New. (1500-up)

MASSACHUSETTS

84 Massachusetts August 18, 1775 5s Sword In Hand Very Good. Well worn but original and unrestored, the only exception being an old and light glue reinforcement of the split center fold. One of the most historic pieces of U.S. Currency, as these notes were made from plates engraved by Paul Revere. This note, which is from the First Issue, was also printed by him. The back, although soiled, is totally legible. (1000-up)

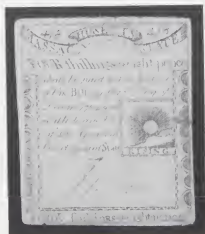

85 Massachusetts June 18, 1776 \$4 Extra Fine. Listed as counterfeit in Newman, although this counterfeit is very deceptive and many of them circulated alongside the genuine for their entire period of use. This particular example has seen little circulation and is bright and clean. (500-up)

86 Massachusetts October 16, 1778 9d Fine. A clean example of this lovely Paul Revere "codfish" issue. A stamp hinge on the back is its only problem. (200-up)

87 Massachusetts 1779 4s8d About Very Fine. A very pretty, darkly printed Paul Revere "Rising Sun" note. Two minor edge splits. (250-up)

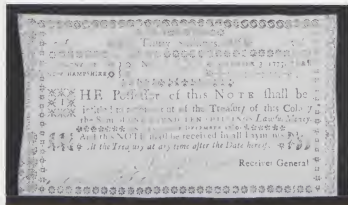

VERY RARE MASSACHUSETTS SHEET

- 88 **Massachusetts Sheet.** A full double sheet of the May 5, 1780 issue. Two each of the \$1, \$2, \$3, \$4, \$5, \$7, \$8 and \$20. Fully signed and issued including the guarantee on the back. The sheet has a light fold and four notes are lightly stained, but the majority of the 16 notes grade Choice or Gem New. Only one other full sheet is known and even single notes of this issue are scarce without large hole cancels. A great item easily worth... (3000-up)

- 89 **Massachusetts Grouping.** June 18, 1776 1s8d About Good backed, June 18, 1776 4s4d Counterfeit About Good pen cancelled, and two May 5, 1780 Guaranteed Notes \$4 About New and \$8 Very Fine both with hole cancels. (4 pieces) (200-up)

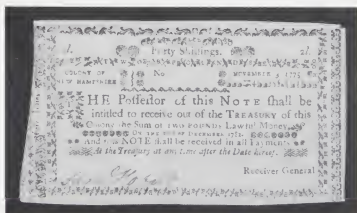

NEW HAMPSHIRE

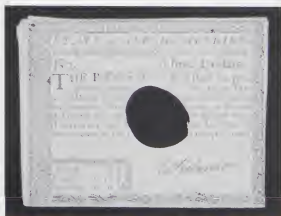

- 90 **New Hampshire November 3, 1775 30s Extra Fine.** Listed as a counterfeit in Newman. This lovely note is far finer than the example of this counterfeit illustrated on page 464. (400-up)

- 91 **New Hampshire November 3, 1775 40s Choice About New.** The very lightest of center folds, otherwise this beautiful original note would be Gem New. Listed as a counterfeit in Newman, although printed by one of the signers and with signatures of two of the others. We suspect that these "counterfeits" were actually overruns from the proper plates and that there was an overlap of the types listed as genuine and those listed as counterfeit. In any event, no marketplace difference in price is apparent between the genuine and "counterfeit" varieties. (750-up)

- 92 **New Hampshire November 3, 1775 40s Very Fine.** Quite a respectable example of this note which is listed as a counterfeit in Newman. (250-up)

- 93 **New Hampshire April 29, 1780 \$3 Extra Fine.** Hole cancelled. (225-up)

NEW JERSEY

- 94 **New Jersey June 22, 1756 1s Choice New.** The typical extremely tight margins but very nice in every other respect. (150-up)

- 95 **New Jersey June 22, 1756 1s New.** Several pin holes from having been pinned together with other notes, otherwise Choice. (125-up)

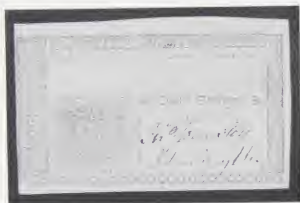

- 96 **New Jersey June 22, 1756 15s Choice New.** Tightly margined but better than most. Much scarcer than the often seen 1763 issue. (150-up)

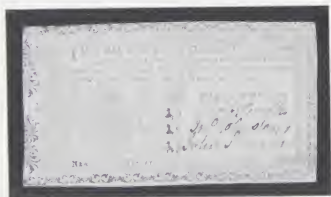

- 97 **New Jersey December 31, 1763 18d New.** (90-up)

- 98 **New Jersey December 31, 1763 12s Choice New.** Aged around the edges but way better margined than most of these. (100-up)

- 99 **New Jersey March 25, 1776 12s Gem New.** Three generous margins with one margin tight. Nonetheless a Gem as it is perfect in every other respect. (150-up)

- 100 **New Jersey March 25, 1776 £3 New.** A bright, good looking tri-color note, but trimmed very tightly all the way around. (150-up)

- 101 **Elizabeth New Jersey Borough of Elizabeth 1d March 25, 1790 Choice Very Fine.** Great grade and very well centered. This is an exceptional example of an early small change note. (500-up)

- 102 **Elizabeth New Jersey Borough of Elizabeth 3d March 25, 1790 Fine.** Well circulated but totally free of problems. (400-up)

- 103 **Newark New Jersey The First Presbyterian Church 1d (December 16, 1790)** Issued and signed by Elias Boudinot, who later became the third director of the United States Mint. Very Fine. (600-up)

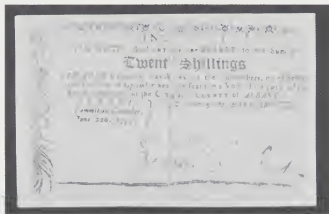

- 104 **New Brunswick New Jersey The City of New Brunswick 2d January 1, 1796 Very Fine.** Signed and issued and rare this way. Most all known pieces are unsigned remainders. (500-up)

NEW YORK

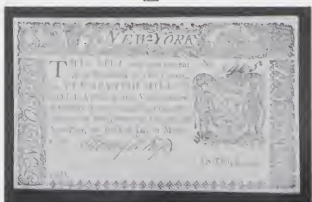

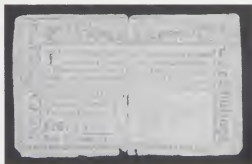

- 105 **New York April 21, 1760 £10 Fine.** Very Fine or better but split and taped on the back with some pieces out of the upper edges. Nonetheless, a very scarce issue. Even the Newman plate piece is split and damaged. (100-up)

- 106 **Albany County New York June 22, 1775 20s Very Fine.** Backed by being mounted on a piece of cardboard, this larger size Albany County note is far rarer than the 1776 issue. This very attractive specimen is the first of this issue that we have handled. Unpriced in Newman. (350-up)

- 107 **New York January 6, 1776 2s Gem New.** A superb condition note from the third Water Works issue. An ideal note for a 13 Colony set. (200-up)

- 108 **Albany County New York February 17, 1776 \$1/4. Fine** but split and taped. Listed in Newman at \$250 in Very Good. (200-up)

- 109 **New York March 5, 1776 \$10 Choice About New.** A great looking Elephant note with exceptional centering and sharp, clear printing. (200-up)

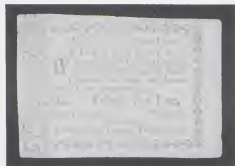

- 110 **New York August 13, 1776 \$1/6 Gem New.** An incredible grade for this issue, but this note is everything that the Gem grade implies. Broad margins, well printed and as bright and clean as the day it was made 218 years ago. This beautiful note from the Haynie Collection is not priced above Very Fine in Newman. (500-up)

- 111 **New York August 13, 1776 \$1/2 Very Fine.** (75-up)

- 112 **New York New York Manufacturing Society 1d June 22, 1790.** Colonial period small change note with the printed signature of H. Ten Brook. Fine (175-up)

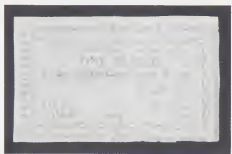

- 113 **Poughkeepsie New York The Constitutional Society of Dutchess County 3d January 11, 1791 Extra Fine.** Wonderful grade for this rare note, finer than the Newman plate note. (400-up)

strong and respectable. (450-up)

the note is quite attractive. (400-up)

early small change note. (400-up)

NORTH CAROLINA

condition for the issue with no flaws save for a few short

minor corner fold away from Gem New. (175-up)

bright with decent margins but for one area at the bottom
center. (150-up)

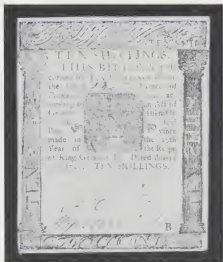

PENNSYLVANIA

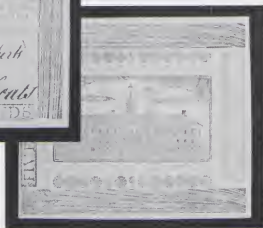

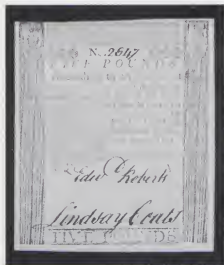

- 120 Postscript to the Pennsylvania Packet. A fascinating
supplement to a Colonial era newspaper dated Monday, June
11, 1781. Four pages, three printed, detailing the provisions of
a law passed by the Pennsylvania General Assembly revoking
the legal tender status of Continental Bills. A wonderful
original source document of Colonial economic history. (400-
up)

EXTRAORDINARY BEN FRANKLIN NOTE

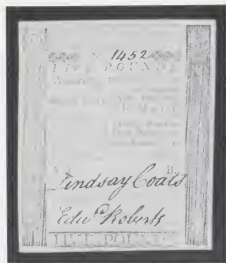

- 121 **Pennsylvania March 10, 1757 10s About New.** Incredible condition for an early Pennsylvania note and the finest Ben Franklin note we have ever handled other than the small hoard of 1764 small change notes. But for a light vertical centerfold this note is fully uncirculated. It is superior to the Newman plate note for the issue by several grades and we suspect with good reason that it is the finest known example of a large format note from this issue. Unpriced above Fine (\$200) in Newman and unpriced above Very Fine (\$450) in Friedberg. This superb note with its inverted reverse is one of the finest Colonial items in the Haynie Collection. We fully expect this incredible note to sell in the area of . . . (1500-up)

- 122 **Pennsylvania June 18, 1764 20s Good.** Scarce in any grade, this Ben Franklin note has the printing clarity of a Fine or better example. Its serial number, all three signatures and every word of the text are legible. (85-up)

- 123 **Pennsylvania April 10, 1775 £5 Gem New.** A really nice workhouse note with deep embossing readily apparent on both sides. (350-up)

- 124 **Pennsylvania April 10, 1775 £5 Gem New.** A magnificent workhouse note. It is well margined and deeply printed, with totally original surfaces and flashy color, a superb Colonial type note. (350-up)

- 125 **Pennsylvania April 20, 1781 9d Extra Fine.** A clean, well margined example of this "New Bill." A small hinge stain on the back is its only defect. (100-up)

RHODE ISLAND

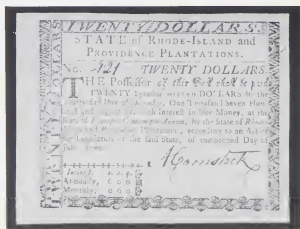

- 126 **Rhode Island January 15, 1776 5s Fine.** Other than minor gluing of a few short splits and a missing lower left corner tip, this rare Rhode Island note is in exceptional shape for this issue. All three signatures are sharp and clear. (150-up)

SOUTH CAROLINA

- 127 **Rhode Island September 5, 1776 \$1/2 Fine.** A very rare issue with only 4000 pieces originally printed of this denomination and only a few survivors known. This note is a solid **Fine** with no repairs, restorations or problems of any kind. The signature is clear and every word in the text is legible. (250-up)
- 128 **Rhode Island July 2, 1780 \$3 Gem New.** Splendid. (180-up)
- 129 **Rhode Island July 2, 1780 \$4 Gem New.** A beauty! (75-up)

- 131 **Rhode Island July 2, 1780.** A \$1 and a \$3 both grading **Gem New.** (2 pieces) (140-up)
- 132 **Rhode Island May, 1786 3s Choice New.** (65-up)
- 133 **Two Rhode Island Notes 9d and 40s.** Both are from the May, 1786 issue and both grade **New**, although the 9d is torn and taped. (2 pieces) (75-up)

- 136 **South Carolina December 23, 1776 \$5 Choice New.** A remainder note signed by Wakefield only. Well margined, well printed and very nice. What appears to be a corner fold at the upper right is actually a minor as made gutter fold. (200-up)
- 137 **South Carolina December 23, 1776 \$8 Extra Fine.** Fully signed and issued and a rare note this way, as most all encountered are partially signed remainders. (250-up)
- 138 **South Carolina December 23, 1776 \$20 Very Fine.** Fully signed and issued and rare thus. (300-up)
- 139 **South Carolina April 10, 1778 2s6d Choice About New.** One corner fold and a tiny pinhole away from **Gem**. A beautiful Colonial item. (250-up)

- 142 **Virginia October 20, 1777 \$6 Extra Fine.** A much better than normal grade for this issue. (100-up)

- 143 **Virginia May 1, 1780 \$2 Gem New.** The margins, although irregular, are generous and include pieces of two adjacent notes. Printing quality is superb and the note is absolutely flawless. Virginia is one of the

more difficult colonies from which to obtain a Guaranteed Issue Note. This fully signed Gem is one of the finest Colonials in the Haynie Collection. Unpriced above Very Fine (\$325) in Newman. (550-up)

- 144 **Virginia May 1, 1780 \$2 Choice New.** A difficult colony for guaranteed notes. This beauty is fully signed, including the guarantee on the back. (450-up)
- 145 **Virginia October 16, 1780 \$400 Choice Extra Fine.** Incredible condition for this note which is printed on tissue thin paper. Even the edges, which are invariably tattered on this issue, are quite solid with margin completely surrounding the outer decorative border. (200-up)

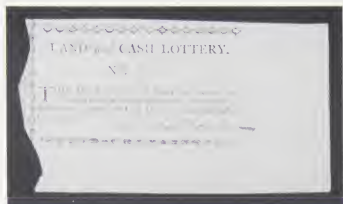

- 146 **Virginia May 7, 1781 \$500 (£150) Extra Fine.** A lovely example of this scarce high denomination note. (150-up)

- 176 **Fr. 1313 50c First Issue Gem New.** This rare note from the Haynie Collection is the finest example of a Friedberg 1313 that we have handled. SECOND ISSUE

- 180 **25¢ Second Issue Plate Proof.** From Fractional Currency Incorporated's June, 1980 Sale Lot 561 where it was catalogued

"Printed from the incomplete plate. Handwritten on the back in sepia ink is "The first (sic) impression from plate taken March, 1863". In the encyclopedia this note is listed as 2P25F.1d and it is known only by its having appeared in the Chapman Sale of the

Ramsden Collection on June 21, 1892. It was Lot 1367 and it realized 60¢. Printed on hard thin yellowish card, the impression has a bold clarity unlike anything seen on any regular issue or specimen note. The shading behind the two large 25's on the

face is missing, that area being blank. Several other minor differences are present, but none are as boldly obvious. Broad even margins, slightly larger than on a perfectly centered regular issue note. Untraced since 1892 it will probably now realize considerably over its previous record sale price of 60¢. At that sale it brought \$1900 and remained for 13 years in the Harold Korin collection until that collection was broken up last year. When we catalogued this note 15 years ago we felt it was one of the most historical and important Fractional Currency items in existence. Time has not at all changed our opinion. (3000-up)

- 181 **Fr. 1232 5¢ Second Issue Superb Gem New.** Perfectly centered between four jumbo margins, the colors and printing quality of this little Fractional prize are outstanding. As nice a second issue note of any denomination and variety that we have ever seen. (300-up)

- 182 **Fr. 1232 5¢ Second Issue Very Choice New Treasury Rectangle.** The 5¢ denomination is the second scarcest on which to find this "Treas. Dept." bronze rectangle. On this note, it is located at corner of the back about half on the is clear and bright. of Milt Friedberg's dia of Fractional Treasury Rectangle therefore, it has no Currently, there are seven or eight 10¢, this is the fourth 5¢, and the 50¢ has yet to be found. This flashy original Choice New example is the finest known to us of any denomination. (800-up)

- 183 **Choice Group of Friedberg 1232s.** Twelve pieces, all apparently from the same sheet as the coloration is identical. Four grade About New, three New and the remaining five Choice New. All are much better printed and more attractive than is usual for this issue. (12 pieces) (400-up)
- 184 **Fr. 1233 5¢ Second Issue Gem New.** A letter perfect example of this common note which is becoming truly scarce in this grade. (200-up)
- 185 **Fr. 1234 5¢ Second Issue Very Choice New.** A pretty note with bright bronze, good color and a sharp "S" in the surcharge. (80-up)
- 186 **Fr. 1235 5¢ Second Issue New.** This fiber paper note has many attributes of a Gem, but it is poorly centered. (125-up)
- 187 **Fr. 1246 10¢ Second Issue Choice New.** Good colors and way better than average margins and centering. (80-up)

- 188 **Fr. 1247 10¢ Second Issue Gem New.** The finest 1247 that we have ever seen, this 1-18-63 surcharged note is a true "sleeper" that should be valued far higher than its current levels. The lovely Choice New that was Lot 246 of our Liechty sale which brought \$297 was not nearly as nice as this note from the Haynie Collection. Perfectly centered on both sides with bright bronze, superior ink quality, perfect colors and original surfaces, this little Gem should realize over . . . (500-up)

- 190 **Fr. 1249 10¢ Second Issue Fiber Paper Gem New.** As fine an example of this very scarce note as we can ever recall seeing. Extra large margins all around with ideal centering, face and back. The printing quality is that of the plain paper notes, not the quality that we expect to see on a fiber paper note. The back surcharges are so sharp that the split feet of the ones in the T-1-18-63 surcharge are visible. This is a wonderful note worth whatever it takes to bring it home. (650-up)

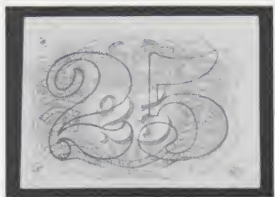

- 189 **Fr. 1248 10¢ Second Issue About New.** There are some light stains and a minor fold that is wholly within the bottom margin, but this very rare 0-63 surcharged note is near the top end of the condition census. (2000-up)

- 192 **Fr. 1286 25¢ Second Issue Inverted "S" Choice New.** This important variety is listed in Milton Friedberg's Encyclopedia (2R25.3g) as a rarity 8. The presently offered example, a Choice New note, is to the best of our knowledge the finest of the very few known. - 193 **Fr. 1286a 25¢ Second Issue Slate Back.** The rare variety with the normal purple back printed in a deep slate gray. This is not the result of toning, but is a totally separate variety. (300-up)

- 194 **Fr. 1288 25¢ Second Issue Very Choice New.** Nearly a Gem. (100-up)
- 195 **Fr. 1289 25¢ Second Issue About New.** A pretty fiber paper note with a deep purple back. (125-up)
- 196 **Fr. 1290 25¢ Second Issue New.** An above average example of the scarce fiber paper note with the "T-2-18-63" surcharge. (175-up)
- 197 **Four 25¢ Second Issue Notes.** Fr. 1283 About New, Fr. 1284 (2) one New the other About New. The About New appears to be a "63" only but the lightly printed "18" is buried in the engraving. The final note, a Fr. 1285, is New. (4 pieces) (225-up)

- 198 **Fr. 1316 50¢ Second Issue Very Choice New.** A truly scarce note and another "sleeper" in the Fractional series. This is not quite the equal of the Liechty example which brought over \$600, but it is a really nice note that should realize . . . (350-up)

- 199 **Fr. 1317 50¢ Second Issue Choice New.** (75-up)

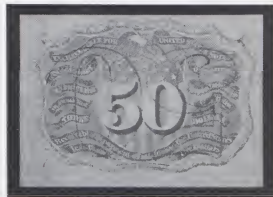

- 200 **Fr. 1318 50¢ Second Issue Gem New.** A very unusual grade for this issue and denomination, but this note fully makes it. (400-up)

- 201 **Fr. 1318 50¢ Second Issue Inverted Reverse Engraving Very Choice New.**

Previously unique until the discovery of this second piece. The only other example known is the Crofoot note which is photographed on page 70 of the Friedberg Encyclopedia. (Milton 2R50.2d)

Although it is not graded there, that note clearly exhibits several serious stains. This well margined, beautifully bright note is in exceptional grade for any Second Issue fifty, let alone a spectacular invert with only two known. (1500-up)

- 202 Fr. 1320 50¢ Second Issue Very Choice New. A near Gem example of this rare fiber paper note. Beautifully printed and with better than average margins. (300-up)

- 203 Fr. 1320 50¢ Second Issue Choice New. Although the centering is less than perfect, this is a very well printed example of this fiber paper note. (200-up)

- 204 Fr. 1322 50¢ Second Issue Gem New. A great example of this scarce note, which is the most available of the second issue fiber papers. (350-up)

- 205 Fr. 1322 50¢ Second Issue Choice About New. The back is absolutely pristine appearing while the face is a bit off center and shows a corner fold. (125-up)

- 206 Fifty Cent Second Issue Trio. Fr. 1317 Extra Fine and Fr. 1318 (2) one About New and the other New. (3 pieces) (175-up)

- 207 A Second Issue Grouping. 5¢ Fr. 1232 New, 10¢ Fr. 1244 Choice New and 10¢ Fr. 1245 New. (3 pieces) (100-up)

THIRD ISSUE

- 208 Fr. 1226 3¢ Third Issue Superb Gem New.

Boardwalk margins all the way around. Clearly cut from a sheet with the margins of its neighbors deliberately sacrificed. An outstanding piece. (175-up)

- 209 Two 3¢ notes. Fr. 1226 and Fr. 1227. Both grade Choice New. (2 pieces) (125-up)

- 210 Fr. 1236 5¢ Third Issue Very Choice New. Lovely original embossing. (85-up)

- 211 Fr. 1237 5¢ Third Issue Gem New. This red back with the design letter "a" is the rarest of the four Clarks. (175-up)

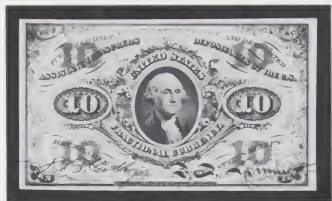

- 212 Fr. 1237 5¢ Third Issue Choice New. Original surfaces and a Gem but for the lower margin which is tight on the right. (100-up)

- 213 Fr. 1238 5¢ Third Issue Superb Gem New. The photo tells the margin story. What you can't see in the picture is the great paper quality. We don't see how a nicer Clark note could exist. (200-up)

- 214 **Fr. 1238 5¢ Third Issue Gem New.** A common note but scarce this nice. (100-up)

- 215 **Three Nice 5¢ Clarks.** Fr. 1238 and 1239, both grading **Choice New**, and a second Fr. 1239 in **About New**. (3 pieces) (125-up)

- 216 **Fr. 1251 10¢ Third Issue Superb Gem New.** As nice as these ever come, with letter perfect centering on both sides, deep original embossing, and magnificent ink and bronze. (250-up)

- 217 **Fr. 1252 10¢ Third Issue Gem New.** The scarce variety with the design number "1" at the left. (225-up)

- 218 **Fr. 1252 10¢ Third Issue Choice New.** Nice margins. (100-up)

- 219 **Fr. 1253 10¢ Third Issue Choice New.** The Red Back note hand signed Colby-Spinner. (150-up)

- 220 **Fr. 1253 10¢ Third Issue Choice New.** Hand signed, with three good margins, but a bit tight at the bottom. (130-up)

- 221 **Fr. 1253 10¢ Third Issue Choice New.** This hand signed red back is a Gem but for a tight bottom margin. (125-up)

- 222 **Fr. 1254 10¢ Third Issue Choice About New.** A very good looking and affordable example of the rare hand signed Jeffries-Spinner combination. (150-up)

- 223 **Fr. 1254 10¢ Third Issue About New.** A corner fold and slightly torn corner tips from mounting removal mar this scarce, hand signed Jeffries-Spinner note. (75-up)

- 224 **Fr. 1255 10¢ Third Issue Superb Gem New.** A common note but in incredible grade, with huge margins, blazing bronze, and strict originality. (100-up)

- 225 **Eight Third Issue 10¢ notes.** Five are Fr. 1255 and the other three are Fr. 1256. Seven of the eight are **New** or **Choice New** and one is **About New**. (8 pieces) (165-up)

- 226 **Fr. 1291 25¢ Third Issue Very Choice New.** A pretty red back with deep original embossing. (125-up)

- 227 **Fr. 1292 25¢ Third Issue Gem New.** The Red Back with the design letter "a". (200-up)

- 228 **Fr. 1292 25¢ Third Issue Very Choice New.** Strictly original and with good eye appeal. The back centering is a hair too low for Gem. (150-up)

- 229 **Fr. 1294 25¢ Third Issue New.** Two large margins and cut in at the bottom and right. Written entirely within the huge top margin is "From Nellie Jan. 1, 1868". An interesting and unusual item. (75-up)

- 230 **Fr. 1295 25c Third Issue Gem New.** Boardwalk margins all the way around. A very exceptional Fessenden. (125-up)

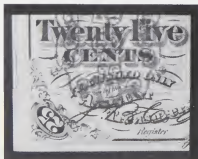

- 233 **Fr. 1298 25c Third Issue Choice New.** The bottom and left margins are close on this rare fiber paper note, but it is overall far too nice for any grade less than Choice. (250-up)
- 234 **Three Nice Fessendens. Fr. 1295 (2) both Choice New and Fr. 1294 About New.** (3 pieces) (100-up)

FINEST KNOWN FR. 1296

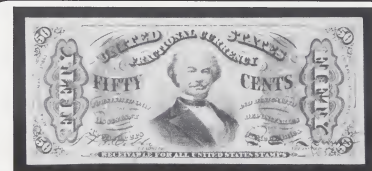

- 231 **Fr. 1296 (Valentine 41k) 25c Third Issue Gem New.** The finest example we have seen of this rare variety with the extremely large design letter "a" 7mm to the lower right of its normal position. This beauty is superior to Lot 311 of our Liechty sale as its centering is a touch better. It is equal in all other respects including the perfect colors of the paper, ink and bronze. Deep original embossing is also present in abundance. (2000-up)

- 232 **Fr. 1297 25c Third Issue Choice New.** A far better than average example of this scarce heavy fiber paper note. (200-up)

- 235 **Fr. 1324 50c Third Issue Spinner Gem New.** Snappy and original with excellent margins. There is a small wood chip manufactured right into the paper. (250-up)
- 236 **Fr. 1324 50c Third Issue Spinner Very Choice New.** Deep original embossing, beautiful color, and a would be Gem with a bit more top margin. (250-up)
- 237 **Fr. 1324 50c Third Issue Spinner Very Choice New.** A nice original Red Back. (225-up)
- 238 **Fr. 1324 50c Third Issue Spinner Choice New.** (200-up)

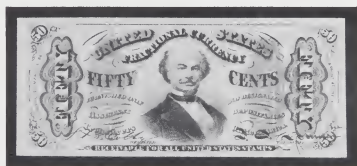

- 239 **Fr. 1325 50c Third Issue Spinner Gem New.** One of the finest notes in the Haynie Collection. This spectacular "1" and "a" Red Back Spinner is simply perfect in every respect. A scarce note in all grades, the Friedberg 1325 becomes prohibitively rare in Choice New and better. This superb example, if not the finest known, could be no worse than tied with it. (1500-up)

- 240 **Fr. 1325 50¢ Third Issue Spinner Very Fine.** A circulated example of this rare "1" and "a" Red Back. (125-up)

- 241 **Fr. 1326 50¢ Third Issue Spinner Superb Gem New.** Margins as broad as we've seen on a Spinner note. This note exhibits every high end characteristic that a note can have. The word "superb" does not do it justice. If your interest is top quality Fractional, be sure to look at this note. (600-up)

- 242 **Fr. 1326 50¢ Third Issue Spinner Superb Gem New.** Huge margins, perfect centering on both sides, deep original embossing, and bright bronze, paper and inks. A very exceptional note. (500-up)

- 244 **Fr. 1326 50¢ Third Issue Spinner Very Choice New.** Very pretty and deeply embossed, this scarce Red Back Spinner is just a bit too tight at the upper left for this full Gem grade. (300-up)
- 245 **Fr. 1326 50¢ Third Issue Choice New.** Scarce and well margined. (250-up)
- 246 **Fr. 1326 50¢ Third Issue Spinner New.** (125-up)

- 247 **Fr. 1327 50¢ Third Issue Superb Gem New.** 100% bright, fully margined, and with outstanding original embossing, as nice a Red Back Spinner as you could hope to own. Take the time to look at this note even if you don't need the number. (500-up)

- 253 **Fr. 1328 50c Third Issue Spinner Choice New.** Original surfaces but there are a few ink smears. (250-up)

- 253 **Fr. 1328 50¢ Third Issue Spinner Choice New.** Original surfaces but there are a few ink smears. (250-up)

- 254 **Fr. 1329 50c Third Issue Spinner Gem New.** A superb example of this very scarce note with deep original embossing, exquisite colors, and the bold dark hand signatures of Allison and Spinner. Another truly lovely note from this magnificent collection. (800-up)

- 257 **Fr. 1332 50¢ Third Issue Spinner Extra Fine.** A decent circulated "1" and "a" example. (150-up)

- 258 **Fr. 1332 50¢ Third Issue Spinner Fine.** Heavily circulated but the scarce "1" and "a". (75-up)

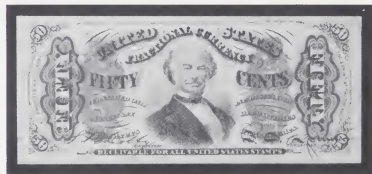

- 259 **Fr. 1333 50¢ Third Issue Spinner Gem New.** Good margins and deep original embossing. (300-up)

- 260 **Fr. 1333 50¢ Third Issue Spinner New.** Gem quality but for two light stains. (75-up)

- 261 **Fr. 1334 50¢ Third Issue Spinner Very Choice New.** A superb Gem in every respect but the left face margin is just a bit close. Two of the margins are absolutely huge. This note is just one margin away from being the finest condition Spinner we have ever seen. (300-up)

- 262 **Fr. 1334 50c Third Issue Spinner Very Choice New.** Jumbo margins all around and deep original embossing. A Gem but for some light offset smears both face and back. (250-up)

- 263 **Fr. 1334 50¢ Third Issue Spinner Choice New.** A pure Gem from the face, but the offset on the back is a bit too heavy to be Gem. (200-up)

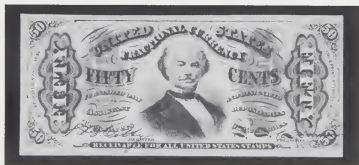

- 264 **Fr. 1335 50¢ Third Issue Spinner Gem New.** A tough number and a very nice note. (400-up)

- 265 **Fr. 1335 50¢ Third Issue Spinner Very Choice New.** A bit more left face margin and this original beauty would be a Gem. (300-up)

POSSIBLY FINEST KNOWN FR. 1336

- 266 **Fr. 1336 50¢ Third Issue Spinner Gem New.** The finest Friedberg 1336 that we have ever handled, seen or heard of. Deep original embossing, huge margins, bright paper, bronze and inks . . . simply a true Gem and the rarest note by far of the Spinner series. For a combination of rarity and grade, this Friedberg 1336 would be hard to beat as it is very likely the finest in existence. (2000-up)

- 267 **Fr. 1337 50¢ Third Issue Spinner Very Choice New.** A near Gem example of a truly scarce number. Deep original embossing and excellent color. A bit more right margin and this rare note would be a full Gem. (350-up)

- 272 **Fr. 1340 50¢ Third Issue Spinner Type II Choice About New.** Featuring exceptional centering on both sides between four large margins, this Type II "1" and "a" Spinner is a very difficult note to find in any grade. - 278 Fr. 1345 50¢ Third Issue Justice Superb Gem New. An absolutely wonderful note with broad margins all the way around, deep embossing and super color. This is one of the very nicest Justice notes we have had the pleasure of handling. Fr. 1345 is a rare number and this is one of the best in existence. (1000-up)

**BEAUTIFUL THIRD ISSUE JUSTICE
FR. 1344**

- 279 Fr. 1345 50¢ Third Issue Justice Gem New. Great original surfaces and super margins for a Justice. Blazing bronze and perfect colors of the inks and paper, a real Gem and a very tough number. (650-up)

- 277 Fr. 1344 50¢ Third Issue Justice Very Choice New. Three excellent margins with the right face margin just barely touching the design. Although not in the same class with lot 360 from our last sale which brought \$3300, this Friedberg 1344 is certainly in the top 5 known. Its only flaw other than slightly close margin previously mentioned is a preprint wrinkle at the top center which is part of the original fabric of the note. This note would fit in beautifully in the best of collections. (2000-up)

- 280 Fr. 1346 50¢ Third Issue Justice Gem New. A really super Justice Red Back with exceptional margins. The color is wonderful and all the original embossing is evident. This note is for the best of sets. (750-up)

- 281 **Fr. 1346 50c Third Issue Justice Very Choice New.** Three excellent margins but very tight at the right. Deep original embossing and bright colors make this Justice highly desirable. (400-up)

- 282 **Fr. 1347 50c Third Issue Justice Gem New.** Brilliant paper, inks, and bronze and with margins all the way around that range from generous to large. An outstanding red back. (650-up)

- 283 **Fr. 1349 50c Third Issue Justice Gem New.** Four large margins, deep original embossing and perfect back centering. A truly lovely Red Back Justice and a rare number besides. (800-up)

ONE OF THE RAREST FRACTIONALS – FR. 1351

- 284 **Fr. 1351 50c Third Issue Justice Extra Fine.** One of the very rarest of all Fractional Currency notes and in higher grade than the majority of the known examples. At the time of the printing of the Milton Encyclopedia in 1978, only four pieces were known. Since that time, a few more have shown up, but Fr. 1351 and its type mates, Fr. 1352, 3 and 4, in total add up to less than 20 known pieces. The only other example from this series of four that Currency Auctions of America has sold was lot 84 of our first sale in November 1990, which was an About New Friedberg 1353 that brought \$6850. This is not quite in that grade but is certainly close to it. This note appears to have never circulated but has picked up a few folds, and the bronze on the face has darkened. Three of the margins are excellent, but the left face margin is very irregular. Many collectors have never been fortunate enough to acquire any note from this series. The Liechty collection, which we sold last January, lacked any Friedberg 1351 through 1354. With many new collectors having joined the ranks since the last sale of one of these notes, we would expect this utterly original example to reach ... (6500-up)

- 288 **Fr. 1355 50c Third Issue Justice New.** (175-up)

- 289 **Fr. 1356 50¢ Third Issue Justice Very Choice New.** Strictly original surfaces with at least some margin all the way around. Just about as nice as these ever come. Friedberg 1356 is many times rarer than the 1355, although both are priced similarly. (325-up)
- 290 **Fr. 1356 50¢ Third Issue Justice Choice About New.** Exceptional margins but there is a center fold. (100-up)

- 296 **Fr. 1370 50¢ Third Issue Justice New.** Choice in every respect but with minor mounting remnants on the back. (125-up)

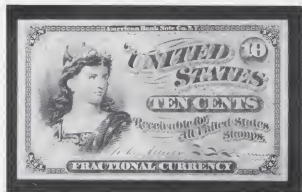

- 297 **Fr. 1372 50¢ Third Issue Justice Choice New.** Margins range from small to generous but are present all the way around. Very bright and well printed for a fiber paper note and quite a rare number. (500-up)
- 298 **Four Scarce Third Issue 50¢ Notes.** Fr. 1332 **Very Fine**, Fr. 1335 **Extra Fine** with huge margins, Fr. 1366 **Fine** and Fr. 1340 **Extra Fine** with an edge tear. (4 pieces) (250-up)
- 299 **Three Third Issue 50¢ Notes.** Fr. 1331 Spinner Type I **New**, Fr. 1339 Spinner Type II **New**, and Fr. 1358 Justice **New**. All three are lightly aged but nonetheless pleasing. (3 pieces) (250-up)

FOURTH ISSUE

- 300 **Fr. 1257 10¢ Fourth Issue Superb Gem New.** Huge margins and impeccable quality. The face of the note has a pinkish cast, not due to seal ink contamination but rather because of a very high number of tiny pinkish fibers in the paper. (175-up)

- 303 Five Fourth Issue 10¢ Notes. All grade Choice New. Fr. 1257 (2), Fr. 1258, and Fr. 1261 (2). (5 pieces) (110-up)

- 334 **Fr. 1266 Original Bundle of 50.** All of the notes range from Choice to Gem based on their individual centering and all lack the needle hole from the bundle having been sewn together as many bundles were. Equal to lot 455 of our January sale which brought over \$1500. (1500-up)

- 335 **Fr. 1309 (a?) 25c Fifth Issue About New.** Although the pink face notes are not an intentional variety and have been delisted, this is a lovely example of what one looks like. The pinkish cast was caused by the ink from the seal plate contaminating the sizing compound. (80-up)

- 336 **Fr. 1381 Original Bundle of 20.** A lovely bundle with its original band marked \$10. Virtually every note is Gem New and this pack lacks the needle hole that is so often seen on these. All of the notes are from plate #22. Nicer than the bundle in our January Sale which brought \$990. (1200-up)

MIXED FRACTIONAL

- 340 **Fractional Currency Shield.** A lower grade but basically intact shield, with a few areas of scuffing and staining and one small piece gone from the border. The notes are generally intact and brighter than might be expected. Matted and framed with an attractive modern frame in a period style, this shield makes a perfect display item while offering good value for the money. Bidding should easily reach... (900-up)
- 341 **CSA Paper Full Sheet.** An interesting story goes with this great historical item. A Civil War blockade runner, the "Bermuda" bound for Nassau in the Bahamas left Liverpool, England in March 1862 with a cargo of miscellaneous goods badly needed by the Confederacy. She was sighted during the crossing and captured by the Federal ship "Mercidita" on April 27, 1862. She was taken to Philadelphia, adjudged a legal prize of war and her cargo sold at auction. One of the articles of cargo in her holds was a consignment of bank note paper bound for Keatinge and Ball in Columbia, South Carolina, for use in printing Confederate currency. The sheets measured 13 inches by 17 inches and had the block CSA watermark eight times. The purchaser of this paper at auction was the U.S. Treasury Department, which used it extensively to print Fractional Currency Specimen Notes of the Second and Third Issues, many of which show parts of the CSA watermark identical to that on several Confederate Note Issues of 1861-3. A lovely example of this Rarity 10 variety. **Crisp Uncirculated**. (100-200)

Possibly Unlisted "White Paper" Variety

512 T63 50c 1863

A most interesting item which was part of the European hoard. The paper upon which this note is printed is white, rather than the pink used on all of the known T63's. The note is **Uncirculated**, thus precluding any laundering or other "home improvement," and the red serial number is bright and normal, thus ruling out chemical or sun exposure. We have showed this example to several specialists, and, while their opinion was that it did not represent a new variety, none were able to explain the obvious difference in the paper. We offer it as is, with further research the key to this puzzling note. (300-600)

Another very scarce counterfeit. **Uncirculated**, with a couple of tiny rust marks. (100-150)

533 Confederate Uncut Sheet

538 A Specimen Book Of German Language Allied Military Currency

The book contains one each of the 1/2, 1, 5, 10, 20, 50, 100 and 1,000 Mark Notes. Apparently Russian printed as all lack the tiny "f" identifying Forbes as the printer. The last set for which we can locate a record was from the 1990 Memphis Sale where one estimated at \$5000 opened and closed at \$3800. Each of the notes is in perfect, as printed condition. The only fault is that the cover has come loose and it has a tiny missing corner. (3000-up)

ALABAMA

555 Alabama Furnace - Alabama Iron Company 25c Rosenc 307-2

556 Cahawba - The State of Alabama \$5.00 June 16, 1821 Rosenc 1-3

A rare note listed in Rosenc with the notation "no description available." The McGee collection had a \$10.00 and a \$20.00 warrant but lacked the \$5.00. (350-700)

An excessively rare note, as this entire issue is unillustrated in Rosene, with the notation that both dates and imprints for these notes are unknown. **Very Good**, with a few nicks and a couple of tears, basically intact and likely the only such example extant from here. (300-600)

It was described therein as "A scarce and desirable item in itself...but the reverse is a Confederate Depository Receipt for the exchange of old currency for new under the act of 17 February 1864, the receipt noting that the "old issues" would be exchanged for new issues at two thirds of their face value "when this office is supplied with funds for the purpose." This piece is signed by John Brown, C.S. Depository, and dated July 27th, 1864. We know of no others and when this piece is sold the opportunity to own a true piece of history will be gone as well. **Extremely Fine**, with a bit of margin erosion but only outside of the design. - 688 **Columbia - Caldwell Parish Police Jury \$5.00 Feb. 28, 1863**

Unlike the 1862 \$5.00 pictured above this emission is on light brown paper and has wider margins all around, indicating that it was printed as a single note sheet. While there is a margin void at the top, the note is **Very Fine** otherwise. (150-300)

- 761 Worcester - The Central Bank \$500.00 Jan. 1, 1861 Haxby UNL

A simply incredible note of the highest rarity. While this basic design is listed in Haxby (G80 SENC), there is no listing for this later issue with the ABNCo monogram. In addition, every issue from this bank above the \$50.00 is unknown. With this institution having become a national bank, it is not surprising that virtually all of its obsolete issue was redeemed. That we can offer this kind of a high denomination note today represents a real miracle of survival. Bright **Very Fine+**, worth whatever it costs to acquire it. (500-1000)

Pair of Rare New Brunswick Small Change Notes

- 846 **New Brunswick - City of New Brunswick** 1c March 10, 1796 Wait 1655

A magnificent example of this rare and significant early New Jersey small change issue. We doubt a finer example could exist. Fully margined **Crisp Uncirculated**, an unheard of grade for these often well worn pieces. (400-800)

- 847 **New Brunswick - City of New Brunswick** 2c March 10, 1796 Wait 1657

Just as choice as the above 1c, but with the top margin trimmed a bit close. It is otherwise a perfect example, so new that the embossing is still visible on the reverse after nearly 200 years. **Crisp Uncirculated**. (400-800)

- 848 **New Brunswick - The Farmers' & Mechanics' Bank of New Brunswick** \$1.00 Sept. 1, 1840 G4 Wait 1667

A scarcer note (R-7 in Wait). **Fine**, with traces of old mounting on the reverse. (50-100)

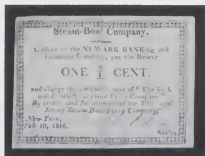

- 849 **Newark - The Newark Banking Company \$1.00 Dec. 31, 1859 G4a Wait 1473**

A magnificent note combining beauty and rarity. Unlike the Haxby illustration, this piece is fully signed and issued. Covered with a deep green tint, this late issue American Bank Note Company product is a heart stopping item which will become one of the highlights of the collection it enters. (300-600)

- 850 **Newark - The Newark Banking & Insurance Company \$2.00 Nov. 10, 1855 G48 Wait 1481**

A very rare note, with this example in far better condition than the wretched Haxby plate example. **Fine.** (125-250)

- 851 **Newark (New York City) - The York & Jersey Steam-Boat Ferry Company 1c Feb. 10, 1816 Wait UNL**

An excessively rare note and a wonderful piece of early American history. We have listed this as a New Jersey issue rather than New York because this note was payable in Newark. This issuer is listed in the Wait reference, but this piece is unlisted, although a later issue 1c is known. The company itself was set up shortly after Robert Fulton's steam powered boat proved itself to be commercially viable. Launched to compete with Fulton's enterprise, the company was sued by Fulton's corporation. In a landmark case, the Supreme Court upheld the company's right to compete. Severed in half and repaired, but still **Fine** in appearance, with the repairs on the reverse. This is a significant piece deserving a place in a significant collection. (250-500)

- 852 **Orange - The Orange Bank \$1.00 G4a Proof**

Colored Proof with a small piece missing from below one of the 4 POC, otherwise **Uncirculated.** (100-200)

- 853 **Paterson - The National Bank \$1.00 Jan. 2, 1863 G2a Wait 1854**

An extremely scarce note (R-7 in Wait), and the first from here we've had to offer. **Very Good**, small COC in the center. (100-150)

Scarcer full size 1c scrip. **Very Fine**, a few inconsequential traces of old mounting on the reverse. (75-125)

- 862 **Albany - The Albany Exchange Bank** \$1.00 May 8, 1846 S5

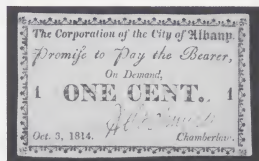

Listed as spurious in Haxby, but this was likely a genuine emission, as proofs from this bank were contained in the ABNCo archives. **About Fine**, one small reverse repair. (50-100)

- 863 **Albany - Bank of the Interior** \$3.00, \$10.00 S5, \$10a

- 870 **Albany - Mechanics & Farmers Bank 5c** Sept. 5, 1815

Newly Discovered New York Small Change Note

- 908 **Manor Livingston - James Livingston (Blue Store) 3d**
March 21, 1787

A major new discovery piece which will be of interest to any collector of these fascinating small change notes. Not only is this issuer unlisted in the Newman reference, but the date of this note precedes that of any listed in Newman by nearly two years. **Very Good**, backed, hard to estimate because of its uniqueness, but any example issued by one of New York's most influential and powerful colonial era families at their family "manor" (which still exists as a New York place name today) will very likely bring in excess of our conservative estimate of... Low Serial Number 1933 \$10.00

- 1273 Fr. 1700 \$10.00 1933 Silver Certificate. Choice Crisp Uncirculated.

A beautiful example of this rare one year type. - 1323 Fr. 2108-F \$50.00 1950A Federal Reserve Note. Choice Crisp Uncirculated.

- (100-150)

- 1326 Fr. 2112-B \$50.00 1950E Federal Reserve Note. Gem Crisp Uncirculated.

- 1327 Fr. 2113-H* \$50.00 1963A Federal Reserve Note. Choice Crisp Uncirculated.

Likely to become one of the rarities of the future, as only 128,000 star examples were printed from the St. Louis district. (125-225)

- 1330 Fr. 2157-G \$100.00 1950 Federal Reserve Note. Gem Crisp Uncirculated.

Not only a very scarce series, but this is the even scarcer mule variety. This is a beautiful example worthy of the finest collection. (200-400)

Gem but for a tight right side margin. (150-200)

Interesting low number star example. (600-700)

- 1333 Fr. 2202-F \$500.00 1934A Federal Reserve Note. Choice Crisp Uncirculated.

One of a consecutive pair from this far from common district contained in the Haynic collection. These are both beautiful notes with a minimum of handling. (700-900)

- 1334 Fr. 2202-F \$500.00 1934A Federal Reserve Note. Choice Crisp Uncirculated.

A lovely mate to the example offered above. (700-900)

1345 Fr. 2400 \$10.00 1928 Gold Certificate. Extremely Fine..

The scarce B-A block, in even nicer grade than the example we sold in our January sale. Apparently the true scarcity of these notes is becoming more widely appreciated, because we had an exceptionally high number of bids on the example we last offered. That note went for \$209.00. This example, which is a bit higher grade, should see bids in the range of... (150-250)

1346 Fr. 2402 \$20.00 1928 Gold Certificate. Cut Half Sheet of Six. Gem Crisp Uncirculated (5), Choice Crisp Uncirculated (1).

A magnificent run of \$20.00 Golds. This cut half sheet (plate letters G-L) is wonderfully crisp and fully original, with five of the six notes being well centered flaming gems. The sixth note is also gem but for a much tighter top margin. The last such half sheet we offered sold for \$1925.00 in our January sale. This should see bids in the range of... (1400-1800)

1353 Fr. 2404 \$50.00 1928 Gold Certificate. Choice Crisp Uncirculated.

Decently centered and with only a few small traces of handling. In all, this is a most respectable example. (400-600)

(120-150)

- 1358 Fr. 2405 \$100.00 1928 Gold Certificate. Crisp Uncirculated.

Very close to choice, but just a touch too much handling. The color and overall appearance are very nice. (350-550)

- 1362 Fr. 2407 \$500.00 1928 Gold Certificate. Fine-Very Fine.

Gem \$1000 Gold Certificate

- 1363 Fr. 2408 \$1000.00 1928 Gold Certificate. Gem Crisp Uncirculated.

One of the most significant type notes in this sale. This is a simply extraordinary note which, if not the finest known, is at least the equal of the finest known. In our collective 80 years of numismatic experience we have never seen another small size \$1000.00 Gold than even approaches this in appearance. **Gem Crisp Uncirculated**, with perfect margins and incredible color, a wonder note which will certainly become one of the highlights of the collection it enters. (6000-9000)

- 1364 Fr. 2400* \$10.00 1928 Gold Certificate. Fine-Very Fine.

- Fr. 2402* \$20.00 1928 Gold Certificate. Very Fine.

Two star Gold Certificates. (175-250)

- 1365 Fr. 2300 \$1.00 1935A Hawaii Silver Certificate. Choice Crisp Uncirculated.

The very scarce A-C block, a rare note in this condition. The low centering and a few light handling marks take this out of the gem category. (200-400)

- 1366 Fr. 2300 \$1.00 1935A Hawaii Silver Certificates.

A small hoard of 23 pieces, including one run of 18 consecutive serials, a run of four consecutive and a single. The single is **About Uncirculated**, while the two consecutive runs are all at least **Choice** with many **Gem Crisp Uncirculated** notes. (500-700)

- 1372 Fr. 2305 \$20.00 1934A Hawaii Federal Reserve Note. Choice Crisp Uncirculated.

First note of another consecutive pair. It is only when great collections are sold that material like this comes to the market. This example would be a gem but for the slightly tight bottom margin. (300-500)

- 1373 Fr. 2305 \$20.00 1934A Hawaii Federal Reserve Note. Choice Crisp Uncirculated.

Another, better centered and fully bright and crisp. This example is very close to gem. (350-550)

- 1374 Fr. 2305 \$20.00 1934A Hawaii Federal Reserve Note. Choice Crisp Uncirculated.

A well printed example which is absolutely new in every respect. This fully embossed note would be a gem but for the tight left side margin. (350-550)

1379 A Surprise Package III

This lot contains the hollowed out shell of over \$500.00 in \$10.00 bills which are used by banks to conceal the dye put into the hollowed out area and given out when an unauthorized withdrawal takes place - to wit, a bank robbery. In our May, 1993 sale a similar lot drew numerous bids before selling for \$203.50. We offer this without estimate and repeat our suggestion that the buyer not attempt to offer the notes for redemption at his local Federal Reserve branch.

ERROR NOTES

- 1380 Fr. 1266 10c Fifth Issue Extra Fine. A fairly large cutting error at the upper left, very unusual on Fractional notes. (100-200)

- 1381 Fr. 218 \$1 1886 Very Good. Inverted Reverse.

The earliest error of this kind we've seen, as well as the first inverted reverse on a Martha. Hard to predict, but likely to see bids reach... (300-600)

- 1382 Fr. 251 \$2.00 1899 Very Good+. Inverted Reverse.

A very scarce error on large size notes, with this series being quite hard to find. The example we offer here is bright for the grade and has no problems whatever. Tough to estimate with the current demand for errors, but it should be worth... (350-700)

- 1383 Fr. 271 \$5 1899 Fine+. Inverted Reverse.

From our May, 1993 sale, described therein as "a scarce error on large size notes, with this series especially tough to find." Estimated then at \$300-600, it brought a surprising \$1155.00. We've seen no others of this series offered since, and feel that a realistic estimate in this market is... (700-1200)

- 1384 Fr. ? \$1.00 Silver Certificate. Extremely Fine-About Uncirculated.

One of our favorite errors, as this note is missing the entire third printing. These are rare in the Silver Certificates, and make for a great display item. (225-450)

- 1385 1935-D Star Error. Very Fine.

All Star Error notes are quite scarce and this Silver Certificate is a nice example with the overprint too high and missing from the left side of the note. (150-300)

1386 Fr. 1613 \$1.00 1935D Silver Certificate. Gem Crisp Uncirculated.

A beautiful inverted third printing example, and again, so much more hard to find than similar contemporary errors. (200-400)

1387 Fr. 2011-A \$10.00 1950A Federal Reserve Note. Fine-Very Fine.

Early example of an inverted third printing, many, many times more scarce than the more modern specimens. (150-300)

1388 Fr. 1950-1* \$5.00 1928 Federal Reserve Note. Crisp Uncirculated, 1 small tear. Inverted Reverse.

An excessively rare early star inverted reverse. This note, the only such star example in this series we've seen, sold in the 1981 Memphis auction for \$700.00. In a better market for really rare errors, who can guess what it will bring today. (600-1200)

1389 Fr. 1952-A \$5.00 1928B Federal Reserve Note. Fine+-Inverted Reverse.

This and the following lot are among the highlights of this extensive error offering. Early errors, especially major ones such as inverts, are just plain scarce and are seldom available. We expect to see bidding end in the range of... (300-600)

1390 Fr. 2000-C 1928 \$10.00 Federal Reserve Note. Very Fine-Extremely Fine. Inverted Reverse.

Even nicer grade than the preceding lot, and just as scarce. This is the first sale in which we have had several of these early inverts to offer. (350-700)

Inverted third printing. (100-200)

Nice blank reverse. (100-150)

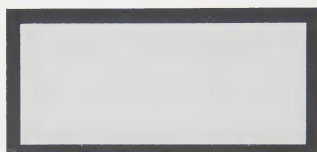

- 1405 Fr. 1915-B \$1.00 1988A Federal Reserve Note. Choice Crisp Uncirculated.

Nice blank reverse example. This is actually one of the scarcer denominations for blank reverses. (125-175)

- 1406 Fr. 2029-B \$10.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.

Pristine blank back example. (125-175)

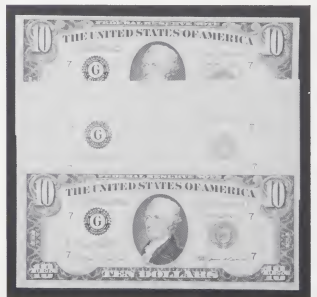

- 1407 Fr. 2029-B \$10.00 1988A Federal Reserve Note. Choice Crisp Uncirculated.

Lovely blank back example with just a touch of handling taking it from the gem classification. (100-150)

- 1408 Fr. 2075-B \$20.00 1985 Federal Reserve Note. Gem Crisp Uncirculated.

A pristine blank reverse example, but interestingly has a very slight offset on the face as well. (150-250)

- 1409 Unusual Bookend Set

- Fr. 2027-G \$10.00 1985 Federal Reserve Notes. Gem Crisp Uncirculated.

Set of three consecutively numbered notes, the first and last absolutely normal and the middle note lacking the entire first printing. (250-500)

- 1410 Fr. 2030-G \$10.00 1990 Federal Reserve Note. Gem Crisp Uncirculated.

The entire third printing is missing, although the embossing for it is razor sharp. (150-250)

Third printing on reverse. (150-250)

- 1415 Interesting Run of Third Printing on Reverse Notes

Fr. 2078-F \$20.00 1990 Federal Reserve Notes. Gem Crisp Uncirculated (3), About Uncirculated (2).

A lovely lot of five pieces, the first three perfect gems and the latter two gems with one sharp fold. All are consecutive, with the third printing on each on the reverse. Of course, as Series 1990 notes, each piece bears the security thread as well. (600-900)

- 1416 Fr. 1911-A \$1.00 1981 Federal Reserve Note Error Sheet.

The well known AH/BH serial number mismatch. It has been almost two years since we have had even one example to offer our bidders. These are the only error sheets released by the BEP and are quite popular. The examples we have had in the past realized between \$290 and \$330. This one should bring around the same figure. Gem Crisp Uncirculated. (250-350)

- 1417 Fr. 1905-B \$1.00 1969B Federal Reserve Note. Gem Crisp Uncirculated.

A mismatched serial number note we have never had before, with the last digit two numbers apart on the left and right sides. (100-150)

- 1418 Fr. 1621 \$1.00 1957B Silver Certificate. Choice Crisp Uncirculated.

Fr. 1903-F \$1.00 1969 Federal Reserve Note. Extremely Fine.

Two mismatched serial numbers, U37/47 and F68/67. (80-100)

- 1413 Fr. 1980-L \$5.00 1988-A Federal Reserve Note. Gem Crisp Uncirculated.

Third printing on reverse, with exceptional embossing really coming through on the face. (150-250)

An Interesting Run of \$2.00 Errors

- 1419 Fr. 1935-K \$2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.

A very rare \$2.00 error, with the face so out of alignment that a sliver of the adjoining note on the sheet shows. (150-250)

- 1420 Fr. 1935-K \$2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.

Interesting \$2.00 error where excess inking has virtually obliterated the city and state from the Federal Reserve seal at left. (60-100)

- 1421 Fr. 1935-K \$2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.

Quite noticeable ink smears on the reverse, a much scarcer error on this denomination. (50-100)

- 1422 Fr. 1935-B \$2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.

Mismatched prefix letters. (150-200)

- 1423 Fr. 1935-B \$2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.

A second example with the mismatched prefix letters. (150-200)

- 1424 Fr. 1935-B \$2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.

Mismatched serial numbers. (150-200)

- 1425 Fr. 1935-K \$2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.

The key denomination to a complete set of inverts, and scarce enough to see an exceptionally large number of bidders whenever one is offered. The circulated example in our last sale drew over two dozen bids and sold for \$550.00. This example will likely see bidding in the range of... (500-900)

- 1426 Fr. 1935-F \$2.00 1976 Federal Reserve Note. Choice Crisp Uncirculated.

It's not often we get to offer even one of these errors, let alone two - especially when those two are from different districts. This example is choice only because of a slight corner bump. Other than that it is a beautiful note which will likely reach... (400-800)

- 1427 Fr. 1910-L \$1.00 1977A Federal Reserve Note. Choice Crisp Uncirculated.

Very dramatic underinking of the first printing. (150-300)

- 1428 Fr. 1975-K \$5.00 1977A Federal Reserve Note. About Uncirculated.

Similar to the example above, but here the underinking resulted in the top 1/3 of the first printing being totally gone. (75-125)

- 1429 Fr. 2072-L \$20.00 1977 Federal Reserve Note. Extremely Fine.

As above, but on this example the underinking is so severe that the top three quarters of the first printing is missing. There is a small written name on the reverse margin, but it does not affect the striking error portion of the note. (75-150)

- 1430 Fr. 1910-B \$1.00 1977A Federal Reserve Note. Gem Crisp Uncirculated.

Very dramatic underinking of the first printing. (150-300)

- 1431 Fr. 2077-G \$20.00 1988-A Federal Reserve Note. Choice Crisp Uncirculated.

Lack of ink on the first printing. (75-150)

- 1432 Fr. 2125-G \$50.00 1990 Federal Reserve Note. About Uncirculated.

Interesting error where the ink flaked off, leaving the note looking somewhat diseased. There is a small number written on the front, otherwise the note is new. (200-400)

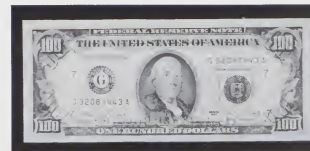

- 1433 Fr. 2119-D \$50.00 1977 Federal Reserve Note. Choice Crisp Uncirculated.

Lack of ink on the reverse, a scarce error on fifties. (150-250)

- 1434 Fr. 1908-F \$1.00 1974 Federal Reserve Note. Choice Crisp Uncirculated.

Shadow impression caused by lack of ink in the ink jet printer. (75-125)

- 1435 Fr. 2174-G \$100.00 1990 Federal Reserve Note. Uncirculated.

Green ink offset over about 50% of the face. There are a couple of small inked numbers on the reverse. (125-175)

1436 Fr. 2023-B \$10.00 1977 Federal Reserve Note. Crisp Uncirculated.

As dramatic an offset as we've ever seen. This is a 100% offset that is so dark it obliterates the reverse design. Quite scarce. (100-150)

1437 Fr. 1974-E \$5.00 1977 Federal Reserve Note. Choice Crisp Uncirculated.

This is one of the most interesting errors we've ever offered. This is a foldover where two seals and two different serial numbers were somehow applied on the reverse. Highly unusual, and rare to say the least. Hard to estimate, but likely worth... (400-800)

1438 Fr. 2170-D \$100.00 1981A Federal Reserve Note. Extremely Fine+.

Part of the third printing is sharply skewed, although the seal and serial numbers are properly applied. (150-200)

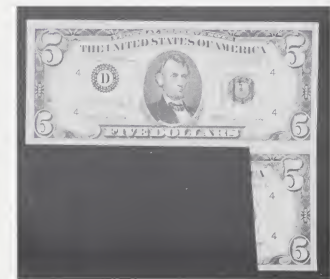

1439 Fr. 2122-D \$50.00 1985 Federal Reserve Note. Choice Crisp Uncirculated.

One of the most extreme multiple butterfly folds we've ever seen, and a great display piece with the next lot as well. (200-400)

1440 Fr. 2122-D \$50.00 1985 Federal Reserve Note. Choice Crisp Uncirculated.

A great mate to the above lot, and only three serial numbers away. This is not quite as dramatic, but the two notes make a super pair. (150-250)

1441 Fr. 1969-D \$5.00 1969 Federal Reserve Note. Gem Crisp Uncirculated.

As dramatic a cutting error as one ever sees. (150-250)

- 1442 Fr. 2119-G \$50.00 1977 Federal Reserve Note. Extremely Fine.

Neat foldover error where the fold resulted in a trimming miscue as well. (175-325)

- 1443 Fr. 2068-J \$20.00 1969-A Federal Reserve Note. Extremely Fine.

Third printing shifted low on both sides. (50-80)

- 1444 Fr. 2172-B \$100.00 1988 Federal Reserve Note. Crisp Uncirculated.

Dramatic shift of the third printing. (150-300)

- 1445 Fr. 1977-K \$5.00 1981A Federal Reserve Note. Gem Crisp Uncirculated.

Excess ink on the plate at the right serial number led to an offset transfer of the green overprint from the next sheet to the reverse of this note. (40-80)

- 1446 Fr. 2027-F \$10.00 1985 Federal Reserve Note. Extremely Fine-About Uncirculated.

Highly unusual error where the note is absolutely normal save for the fact that two different serial numbers were applied, one over the other. We've seen no other examples of this doubled serial number error. (175-350)

- 1447 Fr. 2024-C \$10.00 1977A Federal Reserve Note. Gem Crisp Uncirculated.

Super fold error where the seal, serial number, and district number are missing from the face but are only partly printed on the reverse. (150-250)

- 1448 Fr. 1915-B \$1.00 1988A Federal Reserve Note. Crisp Uncirculated.

One of the highlights of the error section in this sale. Not only is the reverse inverted, over one third of it is blank. How this made it out of the Bureau can only be guessed. This is a great error note worthy of the finest collection. (300-600)

1449 Fr. 1915-G \$1.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.

A most dramatic error which speaks for itself. With the third printing so far off line, and the incredible cutting error, how this could have made it through the final inspection process is a mystery to us. (350-700)

1450 Fr. 1980-E \$5.00 1988A Federal Reserve Note. Choice Crisp Uncirculated.

One of the most dramatic errors we've ever seen. We'll let this one speak for itself, although we will say that we have never handled anything to compare with this in the past. (400-700)

1451 Fr. 1929-F \$10.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.

Virtually identical to the example which sold in our last sale for \$374.00. (250-450)

1452 Fr. 2174-B \$100.00 1990 Federal Reserve Note. Gem Crisp Uncirculated.

An incredible and most desirable error. As this note entered its third printing, the piece of kraft paper somehow got inserted and not only caught the printing for this note's serial number and part of the seal but that of the above note as well. How the two pieces remained together and left the Bureau can only be the object of speculation. This is hard to estimate, but with the popularity of errors and the rarity of this item we think that bidding will end somewhere in the range of... (750-1250)

1453 Fr. 2029-B \$10.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.

Without a doubt the finest example of this very scarce error we have ever offered. This specimen is a flaming gem with the doubling so prominent as to virtually cover the top of the note. Both plate letters and numbers are sharply doubled and visible as well. If you are a serious collector of error notes, this is the cream of the crop. (500-900)

- 1454 **Fr. 2027-B \$10.00 1985 Federal Reserve Note. Extremely Fine-About Uncirculated.**

A wonderfully dramatic full double impression. Although the note has seen a bit of circulation, its evidence is minimal. There are four small pinhole like tears as well. This is a great error worthy of a significant bid. (400-800)

- 1455 **Some Shifted Third Printings**

Fr. 1900-B \$1.00 1963 Federal Reserve Note. Extremely Fine.

Fr. 1962-J \$5.00 1950A Federal Reserve Note. Fine.

Four pieces. (70-90)

MACERATED CURRENCY ITEMS

- 1459 **A Macerated Currency Shoe.** One of the more common macerated items, but this is quite a nice one with many larger pieces of currency still visible. The majority of the original label is still present and legible on the sole. (125-up)

- 1460 **Macerated Currency Lincoln Bust.** A relief bust of Lincoln mounted on a black card, according to the information printed on the card, "Made from old and worn out paper money. Destroyed at the U.S. Treasury. This figure has an estimated value in old Bills of \$1,000.00. Washington, D.C." We have not seen this particular piece before. It is contained in its original paper wrapper. (150-up)

- 1461 **A Macerated Currency Plaque.** Made by the National Souvenir Company, Washington D.C. with their imprint and logo on the back. The plaque itself is of a shoe with flowers and grass in the background. The original red and blue paint is bright and nearly 100% perfect. The front of the plaque is labeled around the edges "made of money redeemed and destroyed by US Treasury." The first of these we've seen, whole and with its original string for wall hanging. Rare, very attractive and in exceptional condition. (500-up)

1462 **Macerated Currency Do-It-Yourself Kit**

Well over 200 pieces of U.S. Large Size currency. Some are small fragments and some as large as 1/6 of a note. Many are high grade and better types. Included are a \$20 Treasury Note and many better Nationals over 50 of which are identifiable by charter number. Included are a \$5 Red Seal Ch. #1290, \$10 Red Seal Ch. #1559, \$10 Brown Back Ch. #1872, \$10 Red Seal Ch. #8643, \$20 Red Seal Ch. #6566, etc. etc. This is a group to have some fun with but not a great investment item. COUNTERFEIT DETECTORS

- 1463 **Naramore's Counterfeit Detector Sheet.** A complete sheet framed so that both face and back are visible. The original hole at top center for hanging still has its metal trim piece, a feature often absent on these typically mishandled items. All 18 photographs are present out to the borders. There is some light wrinkling present. Overall, much nicer than typically found. (500-up)

1464 **Naramore's Counterfeit Detector Sheet.**

A second example of this scarce item. While not as nice as the one above, with a few missing pieces due to careless handling over the years, it is still quite presentable looking and should be available for less than its fully intact counterpart. (300-up)

1465 **Christmas Bonus Envelope.**

A 1919 Christmas Bonus envelope from the Firestone Tire and Rubber Co. It contains a \$1 Federal Reserve Bank Note from the Cleveland District. The date is based on the fact that the envelope was originally sealed with a 1919 Red Cross Christmas Stamp. This is the first of these we've seen. (150-up)

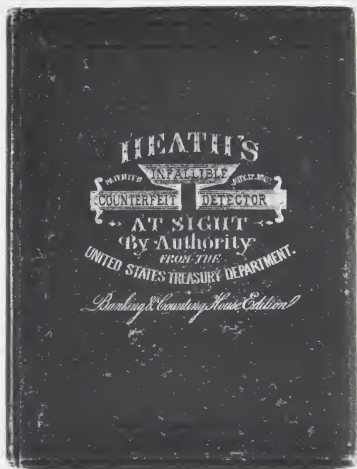

Bank Note Reporters and Counterfeit Detectors 1826-1888 by William H. Dillistin. A detailed treatment of the place of counterfeit detectors and bank note reporters in the economy of the period. Published in 1949 by the American Numismatic Society. (30-60)

1467 **Heath's Counterfeit Detector**

Second Pocket Edition, 1866. The brown cover is moderately worn and there is evidence of separation at the spine. 14 plates. (250-up)

1468 **Heath's Counterfeit Detector**

Third Pocket Edition, 1870. Eleven plates inside a green cover. The cover shows moderate wear and some staining on the front. The spine is unbroken. (250-up)

1471 **Heath's Counterfeit Detector**

Banking and Counting House Edition, 1873. With 11 plates. Green cover. Much nicer than typically found with only light wear at the spine ends and corners. (450-up)

1472 **Heath's Counterfeit Detector**

The Banking House and Counting Room Edition. Second Edition, 1867. The larger format edition with 12 plates. Several of the pages are loose and the maroon cover shows wear at the corners. (300-up)

1473 **Heath's Counterfeit Detector**

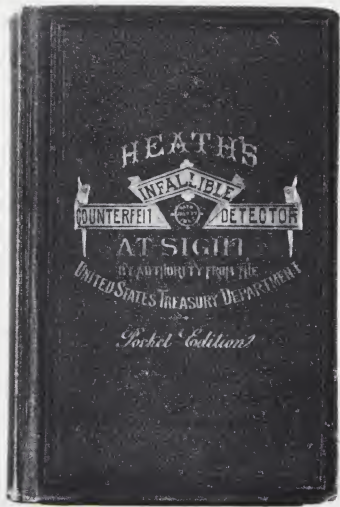

Pocket Edition. Twelfth Edition, copyright 1878. Maroon cover with moderate wear and some separations beginning at the spine. Complete with 10 engraved plates. (200-up)

1469 **Heath's Counterfeit Detector**

1474 **Porter Counterfeit Detector**

An antique brass, mahogany and glass counterfeit detector. Although undated it probably dates from the last quarter of the 19th Century. In overall excellent condition, this Porter Detector is complete save for the brass levers used to manipulate the currency beneath the glass. Minus these pieces we would expect this to bring about \$500 less than the complete Porter we sold in May of 1993 (5/21/93:1214) at \$2,640... (2000-up)

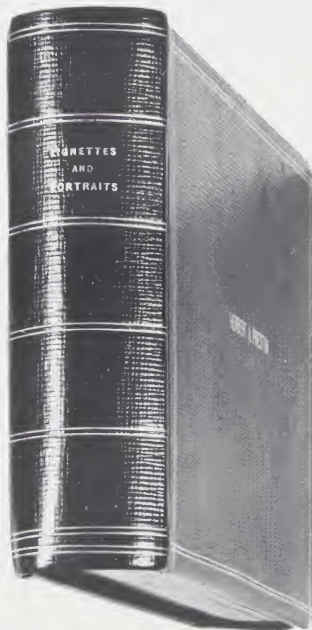

1475 **Vignette Book.** An original Treasury Department Book produced by the Bureau of Engraving and Printing between 3/18/1869 and 2/21/1876. This wonderful book has 110 full page vignettes and a specially prepared title page with the Treasury Seal. Apparently formerly from the library of Glenn Smedley as his light green rubber stamp appears on the

blank flyleaf along with the date 11/56. According to a carefully prepared typed sheet which accompanies the book, a total of 44 of the

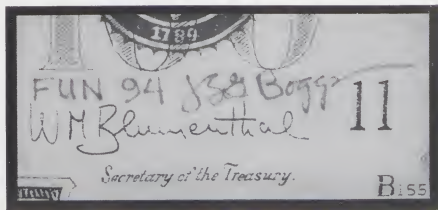

vignettes were used on U.S. Currency and each is identified by page

number and Friedberg design number. We have seen less than 10 of these books in total in all shapes, sizes and conditions and this is the first we have had the pleasure to offer. The overall condition is superb with all 110 vignettes bright and clean. (4500-up)

1476 J.S.G. Boggs Signed T-Shirt

J.S.G. Boggs has become very well known in the paper money community over the last decade for his life size artistic renditions of currency of the United States and other countries. He has become the subject of considerable mainstream media attention for his passing of hand drawn "Boggs Bills" in return for goods and services. Last year he was featured on a segment of *Life Styles of the Rich and Famous* as well as a BBC production shown on public broadcast stations, titled *The Money Man*. Boggs began drawing his own bank notes in 1984 and has been arrested on and acquitted of counterfeiting charges in Great Britain and Australia. This T-shirt is ICTA's "In the Money" shirt which Boggs signed "FUN 94 JSG Boggs". The shirt was signed last January at the Fun Show and is owned by ICTA. All funds from the sale of this shirt including the buyer's and seller's fees will be going directly to the Industry Council for Tangible Assets, a trade association which represents the interests of the numismatic dealer community. Included with the shirt is the pen with which Boggs signed, and a presentation copy of a Bank Note Reporter front page article announcing the signing and sale. Difficult to estimate but should bring in the range of... (? - ?)

1477 Ten Note Federal Reserve Proof Presentation Set

A set of 5 faces and 5 backs of the \$5, 10, 20, 50 and \$100 Series of 1914 Red Seals. Mounted in a large cardboard mat and presented to the Director of the Bureau of Engraving and Printing, Joseph G. Ralph by the Secretary of the Treasury W.G. McAdoo on December 21, 1914. The cardboard display frame contains the signed inscription of presentation along with a second hand written description where Director Ralph re-presents the item to a J.W. Sullivan. Four of these sets can be traced at present, each presented by Secretary McAdoo to a different dignitary. Each of the sets is composed of proof faces and backs with the Red Seal and straight zero red serial numbers pasted on. This set has nine evenly aged notes with the tenth note (the back of the \$100 denomination) showing no trace of aging. Each of the known sets have a similar mixture of aged and bright notes and were originally given in this form. This is one of the few instances where Proof notes formally left the Bureau. A magnificent display item. (10,000-up)

LARGE SIZE TYPE NOTES

DEMAND NOTES

- 1478 Fr. 1 \$5 1861 Fine. Solid for the grade with good color and signatures. Its only problem is a minor paper peel at the bottom center. (850-up)

- 1479 Fr. 1 \$5 1861 Fine. From our November 1990 sale where it brought \$550. The upper left corner tip has been restored. Other than that, the note is entirely original with strong signatures and good color. (500-up)

- 1480 Fr. 1 \$5 1861 Very Good. A new note to the census and, unfortunately, not in very nice condition. The face is presentable, its flaws being a translucent stain and a red pen notation reading "June 15 1882 this is an old one." The back shows the same translucent stain and a fairly large paper peel which has taken away portions of the design. Very thin in some spots, it has caused a quarter inch tear through the note. (350-up)

- 1481 Fr. 2 \$5 1861 Extra Fine. An exceptional demand note with good color, strong signatures, and margins all the way around. One of the most eye appealing notes we have seen for the series. Of the almost 70 Friedberg 2s listed in the Gengerke reference, only this piece and five others are listed as Extremely Fine or better. Demand notes are the type that is seen in the lowest average grade, and a pleasing note like this one without flaw or restoration is a real rarity. (4500-up)

- 1482 Fr. 3 \$5 1862 Very Fine. A new note to the Gengerke listing and solidly in the upper half of the census. Signatures are clear and bold and the note is basically without a flaw. We love Demand notes and really feel that all issues, denominations, and grades are way underpriced in relation to their rarity and historical value as our first Federal currency. (2000-up)

- 1483 Fr. 3 \$5 1861 Demand Note Fine. Multiple small pinholes with a few a bit larger. Several small rust spots and two tiny pieces of restoration tape on the back. Now the good points... Bright for the grade, decently centered and with no tears or serious distractions. Well worth... (800-up)

ORLANDO JANUARY 1995 SALE!

1484 Fr. 3 \$5 1861 Fine. A nice looking Demand Note for the grade. (800-up)

1485 Fr. 3 \$5 1861 Very Good. Overall a nice example for the grade with legible ink signatures and only a few trivial edge separations. (500-up)

1486 Fr. 7 \$10 1861 Very Fine. New to the census and a lovely note with bright clean colors and no flaws whatever save for one small stain on the back only and mostly in the margin. Signatures are strong and clear. The margins are mostly small but are present all around the note. Demand notes are so rare and steeped in history, yet they sell for what we believe is a small fraction of their true worth, possibly because no Choice or Gem examples exist so the condition freaks ignore them. There are only about 100 \$10 Demand notes known for all Districts and varieties combined and this and the following lot grade safely in the top 20, yet each will likely sell for about... (3000-up)

1487 Fr. 8 \$10 1861 Very Fine. A new note for the Gengerke listing making a total of 28 now known. Only three are listed in higher grade than this great note and two of those three are in museums and foundations where they will remain removed from the market. This bright and attractive note has strong signatures and excellent original colors. Its only detractor is a scattering of tiny pinholes which can barely be seen. Well centered and solid all around the edges, this note is totally free of the repairs and restorations that are generally seen on these rare early notes. A prize for the serious collector and in our opinion very undervalued in the current market. (3000-up)

1488 Fr. 11 \$20 1861 Very Good. One of seven of this scarce number, one of those being permanently impounded in an institution. Altogether only 22 of this denomination are known in all Friedberg numbers with seven of these off the market in institutional holdings. The present example is missing a piece at the upper left, as shown in the photo, but is otherwise quite presentable and free of any damage inconsistent with the grade. Rare enough to be worth... - 1491 **Fr. 16 \$1 1862 Choice New.** Unmolested originality and as made colors. The back is centered low, just touching the edge. (400-up)

- 1492 **Fr. 16 \$1 1862 New.** Strictly original with mostly large though irregular margins. The red seal is lightly faded but the remainder of the inks are bright and appealing. (350-up)

- 1493 **Fr. 17a \$1 1862 About New.** There is a 1/4 inch tear in the top margin. The note is quite nice in all other respects. (275-up)

- 1494 **A Pair of \$1 1862 Notes.** Fr. 16 **Extra Fine** with two paper peels from previously mounting carelessly pen repaired, and Fr. 17a **Extra Fine** with a small tear at the top. (2 pieces) (375-up)

- 1495 **Fr. 18 \$1 1869 Gem New.** A flat out lovely example of this lowest denomination Rainbow note. Not at all rare in average grades, but difficult to find as a real Gem. (1100-up)

- 1496 **Fr. 18 \$1 1869 Very Choice New.** Superb color and a Gem in all respects but for the centering, which, although quite nice, is not fully up to Gem standards. (850-up)

- 1497 **Fr. 18 \$1 1869 Choice About New.** A super looking note with wonderful centering and pristine original surfaces. A single extremely light center fold would be missed by most all viewers. Worth far more than the About New Green Sheet price! (600-up)

- 1498 **Fr. 18 \$1 1869 Extra Fine.** An attractive lightly circulated one dollar Rainbow. (300-up)

- 1499 **Fr. 18 \$1 1869 Very Fine-Extra Fine.** (250-up)

- 1500 **Fr. 20 \$1 1875 Choice New.** A bit more top margin and this tough note would qualify as a Gem. (275-up)

- 1501 **Fr. 27 \$1 1878 Gem New.** Excellent colors and margins. This is the variety with the heavy concentration of blue fibers at the right end, but without the blue stain paper or the watermark. (400-up)

- 1502 **Fr. 27 \$1 1878 Very Choice New.** A near Gem example printed on blue stained paper with the USUSUS watermark. (300-up)

- 1503 **Fr. 28 \$1 1880 Choice New.** Original and well centered but the paper color is a bit subdued. (250-up)

- 1508 **Fr. 36 \$1 1917 Choice New.** A tiny dark spot to the lower right of the portrait is a bit of a distraction. (80-up)

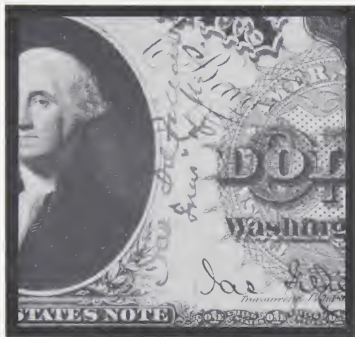

- 1509 **Fr. 36* \$1 1917 About New.** A high grade Star with a four digit serial number. (175-up)

- 1510 **Fr. 37 \$1 1917 Gem New.** A common note but not in this grade. (150-up)

- 1504 **Fr. 29 \$1 1880 New.** Close bottom margin and slightly rounded corners but with the bold courtesy autograph of Jas. Gilfillan. (300-up)

- 1511 **Fr. 37 \$1 1917 Very Choice New.** A lovely set of three with the rising serial numbers K12A, K123A and K1234A. All three pieces are bright, attractive and strictly original. An unusual and desirable set. (3 pieces) (900-up)

- 1512 **Fr. 37* \$1 1917 Extra Fine.** (85-up)

- 1513 **Fr. 37a \$1 1917 Gem New.** A lovely example of this reversed signature variety, one of the very nicest of these that we have had the opportunity to offer. To our recollection, it's been quite a while since anyone has offered a Fr. 37a this nice. The surfaces are strictly original and the note is utterly problem free. (800-up)

- 1505 **Fr. 36 \$1 1917 Superb Gem New.** Unbelievable quality for this issue. Huge margins, perfect centering on both sides, original surfaces, and 100% brilliant paper and inks. On top of all this, there is the low serial number A45A. (350-up)

- 1506 **Fr. 36 \$1 1917 Gem New.** Exceptional centering for this issue. (150-up)

- 1507 **Fr. 36 \$1 1917 Choice New.** Well margined for the issue. (100-up)

- 1514 **Fr. 37a \$1 1917 Very Choice New.** A second example, this one from the Haynie Collection. Very nearly as nice as the previous lot. (700-up)

- 1515 **Fr. 38 \$1 1917 Very Choice New.** (110-up)

- 1516 **Fr. 38* \$1 1917 Very Fine.** This is a new note to the Murray listing which contains 18 different notes. (100-up)

- 1518 **Fr. 39 \$1 1917 Very Choice New.** Exceptional margins for this issue. (110-up)

- 1519 **Fr. 39 \$1 1917 Very Choice New.** Identical to the previous lot including the excellent margins and only two digits away. (110-up)

- 1520 **Fr. 39 \$1 1917 Choice New.** (100-up)

- 1521 **Four Legals.** Fr. 37 \$1 1917 About New, Fr. 26 \$1 1875 Fine, Fr. 59 \$2 1917 Very Fine, Fr. 91 \$5 1907 Extra Fine. (4 pieces) (175-up)

- 1522 **Four \$1 Legals.** Fr. 30 New but with rounded corners, Fr. 36 Extra Fine, Fr. 37 About New and Fr. 39 Choice New. (4 pieces) (300-up)

- 1523 **Four \$1 Legals.** Fr. 30 Choice Extra Fine and very pretty, Fr. 39 (3) Choice About New, About New and Extra Fine with a small stain. (4 pieces) (185-up)

- 1524 **Fr. 37 and Fr. 39.** The first Extra Fine, the second Choice New. (2 pieces) (150-up)

- 1525 **Fr. 40 \$1 1923 Gem New.** Well margined, well centered and with original paper wave. (250-up)

- 1526 **Fr. 40 \$1 1923 Gem New.** Strictly original and very nice. (250-up)

- 1527 **Fr. 40 \$1 1923 Three Consecutive Gem New.** All beautiful original notes with full fat margins and the low serial numbers A402, 403 and 404B. (3 pieces) (900-up)

- 1528 **Fr. 40 \$1 1923 Choice New.** Low radar number A4004B. (250-up)

- 1529 **Fr. 40 \$1 1923 Choice New.** A tiny rust spot away from Gem. (175-up)

- 1530 **Fr. 40 \$1 1923 Choice New.** Very nearly Gem. (175-up)

- 1531 **Fr. 40 \$1 1923 New.** Low serial number A377B and a Gem but for a short repaired tear. (150-up)

- 1532 **Fr. 40 \$1 1923 Choice About New.** (100-up)

- 1533 **Fr. 41 \$2 1862 Gem New.** A great example of this early note with 100% full color of the paper and inks. Margins are exceptional for this notoriously poorly margined issue and the back centering is also perfect. (1900-up)

- 1534 **Fr. 41 \$2 1862 About New.** There is a minor nick in the right margin. Otherwise, this is a beauty. (600-up)

- 1535 **Fr. 41 \$2 1862 Extra Fine-About New.** Excellent ink colors and nice original surfaces. (550-up)

- 1536 **Fr. 41 \$2 1862 Extra Fine.** Bright and attractive with the appearance of a higher grade particularly from the face. (500-up)

- 1537 **Fr. 41 \$2 1862 Extra Fine.** A tiny corner tip is off outside the design at the lower right. (400-up)

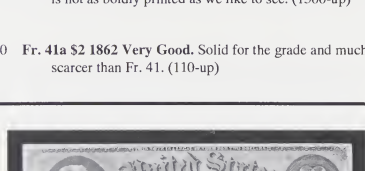

- 1538 **Fr. 41 \$2 1862 Choice Very Fine.** Three vertical folds that are a bit too heavy for the Extra Fine grade. Otherwise, the note is New, clearly having never circulated. (450-up)

- 1539 **Fr. 41a \$2 1862 Choice New.** Good looking but the red seal is not as boldly printed as we like to see. (1300-up)

- 1542 **Fr. 42 \$2 1869 Very Choice New.** Well centered and with exceptional color. This is a very good looking Rainbow Deuce. (1500-up)

- 1543 **Fr. 42 \$2 1869 New.** No trace of circulation but the note is cut very tightly at the left, apparently to remove a stain of some sort as part of the stain remains on the very edge of the note. The colors are excellent and the surfaces are purely original. (800-up)

- 1540 **Fr. 41a \$2 1862 Very Good.** Solid for the grade and much scarcer than Fr. 41. (110-up)

- 1544 **Fr. 42 \$2 1869 Choice Extra Fine.** Huge margins and great color. Really worth About New money. (700-up)

- 1545 **Fr. 42 \$2 1869 Extra Fine-About New.** Good colors. (600-up)

- 1541 **Fr. 42 \$2 1869 Very Choice New.** Rare in this high grade. This beautiful Rainbow Deuce exhibits almost all the characteristics of a Gem, but the back is centered high. Full Gem quality when viewed from the face. (1500-up)

- 1546 **Two \$2 Rainbows.** Fr. 42. One grades **Very Good** and the other **Fine**. The higher grade example bears a purple bank stamp. (2 pieces) (375-up)

- 1547 **Fr. 48 \$2 1878 Very Choice New.** A high end Choice note just a hair of margin away from the Gem grade. As with so many of the notes from Mr. Haynie's collection, even when the grade is not technically Gem, the notes were selected for their crisp, clean appearance. This note is a perfect example of that. While far from technical perfection, the eye appeal of the note is vastly superior to most other Fr. 48's. (550-up)

- 1548 **Fr. 48 \$2 1878 Very Choice New.** Bright colors and a really flashy appearance. This early deuce would be a superb Gem if it had just a bit more margin at the upper right. (550-up)

- 1549 **Fr. 48 \$2 1878 New.** Not fully bright and with a small rust spot, but the red printing is strong and the overall appearance is quite pleasing. A scarce note. (400-up)

- 1550 **Fr. 48 \$2 1878 Fine-Very Fine.** Clean and pretty. (150-up)

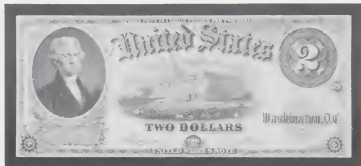

- 1551 **Fr. 51 \$2 1880 New.** Well centered and original but the paper is lightly toned. (220-up)

- 1552 **Fr. 52 \$2 1880 Choice New.** Snappy and original and with the dark, clear courtesy autograph "AUWyman Treas. US 1876 1883-1885." (500-up)

- 1553 **Fr. 54 \$2 1880 Very Good.** A new addition to the census of this rare number, bringing the documented population to ten. We note a Fine sold by Bowers & Merena in March of 1990 for \$1,100. (700-up)

- 1554 **Fr. 56 \$2 1880 About New.** There is a rounded corner and the top margin is irregular. (100-up)

- 1555 **Fr. 60 \$2 1917 Gem New.** Beautiful centering on this issue which typically comes with either the top or bottom margin cut close. (225-up)

- 1556 **Fr. 60 \$2 1917 Gem New.** Although a bit tight at the bottom, the margins are far superior to the vast majority of this number. (200-up)

- 1557 **Fr. 60 \$2 1917 Choice New.** (135-up)

- 1558 **Fr. 60 \$2 1917 Choice New.** (125-up)

- 1559 **Fr. 60 \$2 1917 Choice New.** (125-up)

- 1560 **Three 1917 Twos.** Fr. 57 **About New** with some light staining, and Fr. 60 (2) one **Choice New** and the other **About New.** (3 pieces) (225-up)

- 1561 **Fr. 60 \$2 1917.** Two pieces, one **About New** and one **Extra Fine** with a stain. (2 pieces) (110-up)

- 1562 **Fr. 61a \$5 1862 Gem New.** An absolutely lovely example with broad even margins, fresh original surfaces, and beautiful centering on both sides. The colors of the paper and ink are as bright as the day the note was made. (750-up)

- 1574 **Fr. 64 \$5 1869 Gem New.** A lovely Rainbow Five with excellent margins, fresh surfaces, and good color. (600-up)

- 1575 **Fr. 64 \$5 1869 Very Choice New.** Gem color and paper quality but just a bit tight at the lower right. (500-up)

- 1578 **Fr. 67 \$5 1875 Choice New.** A bit tight at the top. (300-up)

- 1579 **Fr. 67 \$5 1875 Choice New.** Well centered and with strong red color. A Gem but for minutely rounded corner tips. (300-up)

- 1580 **Fr. 68 \$5 1875 Very Choice New.** Beautiful color. Snappy and original, but a bit close at the top. (300-up)

- 1581 **Fr. 68 \$5 1875 New.** The colors are a bit subdued. (250-up)

- 1582 **Fr. 69 \$5 1878 Gem New.** Deep and vibrant color and nice centering on this example printed on the 4th issue Fractional blue end paper with the "USUS" watermark at top. A standout note certain to sell for a premium commensurate with its superior quality. (600-up)

- 1583 **Fr. 69 \$5 1878 New.** Attractive and with no signs of circulation, but several small holes have been patched. (225-up)

- 1584 **Fr. 71 \$5 1880 New.** Nice original surface but the right margin is very close. (275-up)

- 1585 **Fr. 77 \$5 1880 Extra Fine.** A rare number and with great color and huge face margins. One of the folds is a bit soiled on the back. (450-up)

- 1586 **Fr. 78 \$5 1880 Superb Gem New.** A new number to the census making 17 now known, this being the highest of the reported numbers. Outstanding margins and deep original embossing highlight this very attractive rare note with its strikingly contrasting large brown seal and blue serial numbers. Far superior to Lot 1748 of our January sale, which realized \$1870. (2000-up)

- 1587 **Fr. 78 \$5 1880 Fine.** An even newer addition to the Gengerke census, making 18 known, three of which are impounded in institutional holdings. (400-up)

- 1588 **Fr. 85 \$5 1907 Very Choice New.** (175-up)

- 1589 **Fr. 86 \$5 1907 Fine.** The very scarce Napier-Thompson signature combination. (100-up)

- 1595 **Fr. 91 \$5 1907 Extra Fine Three Consecutive Notes.** All are snappy and original but have some very light folds. (3 pieces) (250-up)

- 1596 **Fr. 93 \$10 1862 Very Good-Fine.** Decent color remains and the soil is minimal for the grade. (250-up)

- 1590 **Fr. 88 \$5 1907 Gem New.** A well margined example of an issue which so often comes with either a tight top or bottom. (275-up)

- 1591 **Fr. 91 \$5 1907 Choice New.** Bright and good looking, a Gem if the top margin were a bit bigger. (165-up)

- 1597 **Fr. 95b \$10 1863 Very Choice New.** A near Gem example with flashy original colors and exceptional margins. If the back, which is well clear of the edge, were centered just a bit higher, this note would be a full fledged Gem. (1500-up)

- 1592 **Fr. 91 \$5 1907 Choice About New.** A corner tip fold away from Gem. Nice round serial number M42000000. (150-up)

- 1593 **Fr. 91* \$5 1907 Fine.** (60-up)

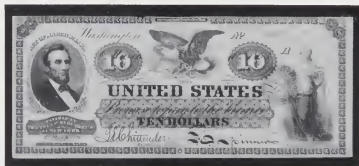

- 1594 **Fr. 91 \$5 1907 A consecutive pair both grading New** but a bit soiled, and a third note grading **Extra Fine.** (3 pieces) (300-up)

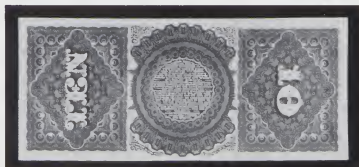

- 1598 **Fr. 95b \$10 1863 Very Choice New.** Knockout color and exceptional margins everywhere but at the bottom right where the margin becomes a bit narrow. Save for this nipping flaw, the note is superb. (1500-up)

- 1599 Fr. 95b \$10 1863 About New. Bright color and with only a few light folds keeping it from a higher grade. (750-up)

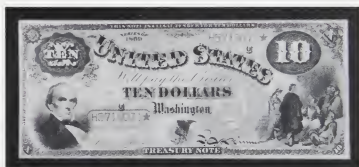

- 1600 Fr. 95b \$10 1863 About New. A minor nick in the top margin. Otherwise a very nice note, with outstanding colors. (500-up)

- 1601 Fr. 96 \$10 1869 Superb Gem New. Huge margins, great color, and strictly original surfaces. This ten would drop right in to a superb Rainbow set and couldn't possibly be bested by any of the others. (2000-up)

- 1602 Fr. 96 \$10 1869 Very Choice New. Gem quality in every respect but the margins are just a hair tighter than we like to see for a full Gem grade. Good original paper surfaces and attractive colors. (1500-up)

- 1603 Fr. 96 \$10 1869 Choice New. Decent margins and good color. The back centering is perfect. The very large back design on this type often creates a situation where part of the design is off the paper. On this note, all elements are well clear of the margins. (1400-up)

- 1604 Fr. 96 \$10 1869 Choice New. The color is exceptional but the margins are a bit irregular and close at the lower right. (1250-up)

- 1605 Fr. 98 \$10 1875 Series A New. An infrequently seen number and in very nice condition. There is some light counting soil and the top margin is a big tight. There is also a horizontal pinch fold that runs about two inches into the note from the left and then stops. This scarce note is only four digits away from the Choice New note we sold in 1990. (1000-up)

- 1606 Fr. 101 \$10 1880 Very Choice New. Jackass Tens with the large brown seal and red serial numbers are good looking notes that are not seen very often. This nicely centered example is very nearly Gem. (750-up)

1607 **Fr. 106 \$10 1880 Fine.** Perfect for the grade and a difficult number to find. (175-up)

1608 **Fr. 107 \$10 1880 Fine.** A tough number to find. This one is defect free but for its normal circulation use. (175-up)

1609 **Fr. 110 \$10 1880 Gem New.** A pristine \$10 Legal with a blood red seal and deep blue serial numbers. Fit for the finest type set. (800-up)

1610 **Fr. 110 \$10 1880 Choice New.** Lots of eye appeal on this popular Jackass Ten. (600-up)

1611 **Fr. 111 \$10 1880 Gem New.** An exceptional Jackass Ten with great original paper wave, excellent centering and superior colors. (800-up)

1612 **Fr. 113 \$10 1880 Choice New.** The side margins are tight, but this good looking note is perfect in all other respects. (500-up)

1613 **Fr. 114 \$10 1901 Fine-Very Fine.** Clean and with good eye appeal. A nice unmolested Bison. (250-up)

1614 **Fr. 118 \$10 1901 Choice About New.** A lovely Bison with the appearance of a Gem, but there is a single light horizontal fold. (600-up)

1615 **Fr. 119 \$10 1901 Gem New.** Beautiful contrasting colors with extremely bright red printing highlight this Bison. Friedberg 119 is rarely seen in this high a grade. (1500-up)

1616 **Fr. 119 \$10 1901 Gem New.** A truly beautiful Bison without a hint of a defect. Friedberg 119 is one of the most difficult notes in the series to find in this grade. (1500-up)

1617 **Fr. 120 \$10 1901 Very Good.** (150-up)

1618 **Fr. 121 \$10 1901 Extra Fine.** Clean and attractive. (475-up)

1619 **Fr. 122 \$10 1901 Gem New.** A lovely Bison with deep original embossing, super color, broad even margins, and square corners. The perfect note for a top grade type set. (1500-up)

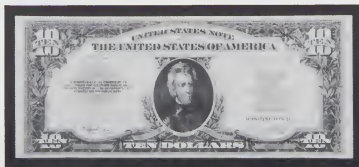

1620 **Fr. 122 \$10 1901 Gem New.** Exceptionally attractive centering and bright color enhance this superior Bison. (1300-up)

- 1621 **Fr. 122 \$10 1901 Choice New.** A very good looking Bison with deep, original embossing. Nearly a Gem. (950-up)
- 1622 **Fr. 122 \$10 1901 Choice About New.** A bright and attractive Bison. (650-up)
- 1623 **Fr. 122 \$10 1901 Choice Very Fine.** A bright, beautiful Bison in the high end of the unmolested Very Fine grade. A perfect collector's note. (400-up)
- 1624 **Fr. 122 \$10 1901 Very Fine-Extra Fine.** Good color and centering on this unmolested Bison. (400-up)
- 1625 **Fr. 122 \$10 1901 Fine-Very Fine.** Bright colors and no problems. (300-up)
- 1626 **Fr. 122 \$10 1901 Choice Fine.** Nearly Very Fine. Clean for the grade, particularly on the face. Strictly original. (300-up)

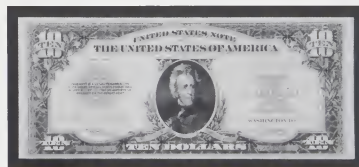

- 1627 **Fr. 122* \$10 1901 Very Good-Fine.** All Bison Stars are scarce. (300-up)

- 1628 **Fr. 123 \$10 1923 Superb Gem New.** Wonderful paper wave and original surfaces. Huge face margins. Flashy ink color and bright paper. The equal of any 1923 Ten we have seen and the scarcest Twentieth century type note. (2750-up)

- 1629 **Fr. 123 \$10 1923 Gem New.** Exceptional centering and color on this rare type note. Surfaces are original and this beauty certainly ranks among the finest dozen or so known. (2500-up)

- 1630 **Fr. 123 \$10 1923 Gem New.** A beauty with deep original embossing and super color. Only five notes away from the end of the run. We truly feel that this type in this grade is underpriced on the current market. (2500-up)

- 1631 **Fr. 123 \$10 1923 New.** 100% original, bright and very appealing but for the top margin which has been trimmed irregularly and quite close to the design in places. This is a shame as the note is otherwise gorgeous. Still easily worth... (1200-up)
- 1632 **Fr. 123 \$10 1923 Very Fine.** A nicely centered late issue Legal Tender. (700-up)

- 1633 **Three \$10 Legals.** Fr. 123 \$10 1923. Two are **Fine** and one **Very Good.** (3 pieces) (900-up)

- 1634 **Fr. 124 \$20 1862 Very Good.** Nice for the grade. There are no problems but for a single quarter inch edge tear that is barely noticeable. (400-up)

- 1635 **Fr. 126b \$20 1863 Very Good-Fine.** Excellent color for the grade and with no problems worth mentioning. A totally respectable and collectable example of this scarce and early type. (550-up)

Superb Fr. 127

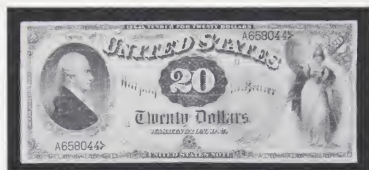

- 1636 **Fr. 127 \$20 1869 Superb Gem New.** An absolute beauty with boardwalk margins, incredible colors, and perfect centering on both sides. Utterly original and as perfect as the moment it was pulled from the plate. It seems that it is only when great collections are broken up that these truly fresh original notes hit the market. Although there are always nice notes to buy, they often seem to lack the flash that this note has so much of. No 1869 \$20 in our opinion could be nicer than this one. (5000-up)

- 1637 **Fr. 129 \$20 1878 Very Choice New.** Printed on the Fourth Issue Fractional Currency paper with the localized blue stain and the repetitive USUSUS watermark. A Gem with a bit more lower left margin. (1500-up)

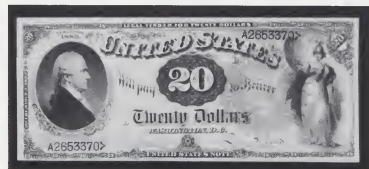

- 1638 **Fr. 133 \$20 1880 Fine-Very Fine.** A new number to the census and one of only eleven now known. We have only handled this number once before in November of 1990, when we sold a Fine for \$522. This note is distinctly better. Solid and without a hint of a problem. (700-up)

- 1639 **Fr. 134 \$20 1880 Fine.** One of 25 known, several of which are impounded. Solid for the grade and well centered. (300-up)

- 1640 **Fr. 136 \$20 1880 Very Choice New.** Fresh and bright and a full Gem if the left bottom margin were just a hair larger. This scarce type with the large orange seal and the blue serial numbers is, in our opinion, one of the most attractive of the Twenty Dollar Legals. Once called an About New in a 1970's auction, we have gone over this note as closely and carefully as possible and we can not imagine why that grade would ever have been assigned to this note. (1500-up)

- 1641 Fr. 137 \$20 1880 Gem New. A well centered and bright example of a better signature with the large red spiked Treasury seal. (1750-up)

- 1642 Fr. 139 \$20 1880 Very Good. One of only nine of this number listed in the Gengerke census. (500-up)

- 1643 Fr. 141 \$20 1880 Choice New. A bright and well centered higher denomination Legal bordering on Gem. Courtesy autographed by Treasurer of the United States Daniel N. Morgan above his engraved signature. (1250-up)

- 1644 Fr. 147 \$20 1880 Choice New. A pretty example of this scarce type. (650-up)

- 1645 Fr. 147* \$20 1880 Choice New. Bright and nicely centered on both sides. This is a new addition to the five other Stars of this number listed by Gengerke. (1750-up)

- 1646 Fr. 147 \$20 1880 Extra Fine-About New. Very well margined and fully bright. This tough type appears to be a Gem at a glance. (450-up)

- 1647 Fr. 148 \$50 1862 Very Good-Fine. Solid for the grade with no problems worth mentioning. This rare note is one of 23 listed by Gengerke, many of which are permanently off the market in government hands and museums. This particular piece is ex-Grinnell. This note is only a hair lower in grade than the Zerbe piece which we sold (1/10/92:1407) at \$5200. (4500-up)

MAGNIFICENT 1869 RAINBOW \$50 LEGAL TENDER

- 1648 **Fr. 151 \$50 1869 Very Fine-Extra Fine.** A technically accurate but highly misleading grade as the note appears to be closer to New than Very Fine when either side is looked at by the casual viewer. Viewed in reflected light, quite a number of folds can be seen, but all are light with none breaking the ink or paper surfaces. Forty-seven pieces are known for this type and 14 of those are in government or museum hands. Only seven notes, including several permanently off the market, are reported to be higher grade than this piece. Margins are excellent, and the colors which earned this note its place in the Rainbow series are fully bright and beautiful. There is not a hint of a repair or restoration of any kind. Even when "candled" (viewed with the light source passing through it) none of the folds are heavy enough to be seen as dark lines. It seems inconsistent to grade a note VF-XF and then to say it would not look out of place in an Uncirculated set, but this is just such a note. (15,000-up)

CHOICE FR. 158, ONE OF SIX KNOWN

- 1649 **Fr. 158 \$50 1880 Very Choice New.** One of only six known of this number, with two of the six permanently off the market, one in the Federal Reserve Bank of Richmond, and the other in the ANA museum. Broadly margined and beautifully bright, this note is the former Grinnell specimen, and, after its sale in March of 1947 (where it was graded as Crisp Uncirculated) it was not sold again until Stack's sold it in March of 1990 (3/15/90:1638) where it was graded as AU and brought \$23,100. This is the only example of this Friedberg number that has changed hands at public auction in the last four decades. It is a simply beautiful piece of currency that you should go out of your way to examine just for the enjoyment of seeing it even if acquiring it is not on your current agenda. (17,500-up)

RARE AND LOVELY FR. 160

- 1650 **Fr. 160 \$50 1880 Extra Fine.** This very rare and very beautiful note is new to the census making a total of ten pieces now known. Of these ten, four are permanently impounded in government hands and two others have not been on the market in many decades. This note is perfectly centered between huge margins and exhibits excellent color for its grade. None of the folds on the note break the ink, and both the portraits of Benjamin Franklin at the left and Liberty dressed as Columbia at the right are sharp and lifelike. With the current emphasis on rarity and eye appeal we would not be at all surprised if this great note exceeds... (7500-up)

Superb Fr. 161

- 1651 **Fr. 161 \$50 1880 Superb Gem New.** Excellent centering and perfect originality highlight this super note. The colors are beautiful and the appearance is equal to the day it was made. Identical in every respect to Lot 1795 from our January sale which was estimated at \$8500 and was hammered down at \$9500. We would anticipate equal or higher results for this beauty from the Haynie Collection. (9000-up)

- 1652 **Fr. 162 \$50 1880 Very Fine.** One of just 16 pieces known to Gengerke, this solid Very Fine has been off the market since June of 1980. Outstanding color for the grade and exceptionally large even margins for any grade. Worth considerably more than "type money" as this is truly a scarce number. (2000-up)

Currency Auctions of America, Inc.
is pleased to announce
that our next public auction
will take place
in Orlando in January of 1995!

- 1653 **Fr. 164 \$50 1880 Choice New.** This pretty note made its first public appearance in Bill Donlon's sale of November 26, 1975, where it brought \$1350. As one of the premier notes of the Haynie collection, we expect this perfectly centered prize to realize in excess of... (4500-up)

- 1654 **Fr. 164 \$50 1880 Fine.** Exceptionally well margined and solid for the grade. (750-up)

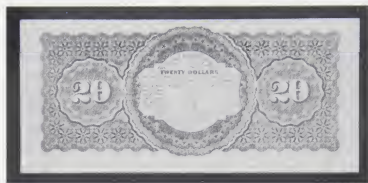

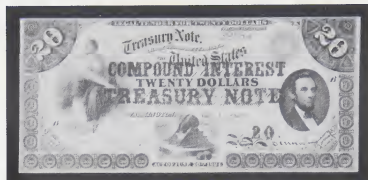

- 1655 **Fr. 164 \$50 1880 Fine.** The type note of the 1880 fifties, and the only number normally available. This note is 100% solid for the grade, with no flaws whatsoever and exceptional centering. (750-up)

**Fr. 172 One of Five
in Private Hands**

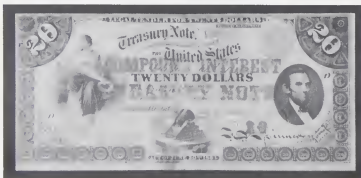

- 1656 **Fr. 172 \$100 1880 Very Fine-Extra Fine.** One of only eight known, three of which are permanently impounded. This piece, which was used to illustrate the Limpert catalog, is the third finest of the eight known to exist. A very rare note and a popular type. (8000-up)

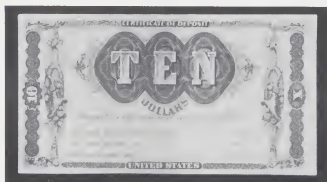

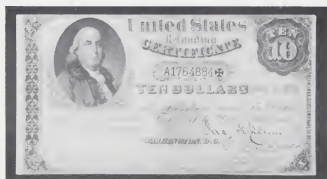

- 1658 **Fr. 191a \$20 1864 Fine-Very Fine.** Quite a high grade for this type and free of restorations except for expert repairs to four of the letters in the overprint which could easily be overlooked. First sold by Stack's (8/10/71:1620) and later on a Dean Oakes 1983 price list at \$3750, we would expect this solid, good looking note to realize in the area of... (3000-up)

COMPOUND INTEREST NOTES

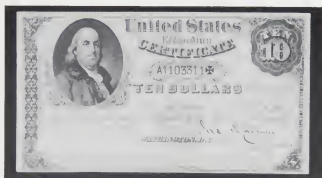

- 1657 **Fr. 191a \$20 1864 Fine-Very Fine.** One minor edge split has been closed, and there is a small stain at the bottom of the face and a small "30" written in the margin of the back. Other than these, the note is perfect for the grade. Unlike 90+ percent of all compound interest Treasury notes, the bronze has not turned green. (3000-up)

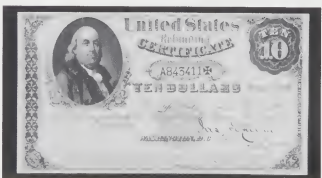

REFUNDING CERTIFICATES

- 1659 **Fr. 214 \$10 1879 Choice About New.** A single light fold toward the right end of the note is all that prevents the New grade for this attractive Refunding Certificate. This example is printed on the heavily fibered blue-stained paper with the repetitive USUSUS watermark. Scarce in all grades, decidedly rare this nice and this should easily bring... (2000-up)

- 1660 **Fr. 214 \$10 1879 About New.** There are no signs of circulation whatsoever on this lovely Refunding Certificate. Its only defects are a center fold and a small paper clip rust stain which appears only on the back. Totally original with all its embossing fully evident. Bright and free of soil, this example appears Gem New when viewed from the face. (1700-up)

- 1661 **Fr. 214 \$10 1879 Very Fine-Extra Fine.** Quarter folded but with no real circulation, this Refunding Certificate would make a fine edition to any collection of high grade circulated notes. This Friedberg number is typically seen in very high or very low grade, and finding a moderately priced acceptable example can be quite a chore. This is just such a note. (850-up)

SILVER CERTIFICATES

- 1662 **Fr. 215 \$1 1886 Gem New.** Super deep embossing that you could yodel into and wait until the next three lots are sold before the echo comes back. Wonderful flashy color. Truly as perfect a Martha as anyone could ever want. (850-up)

- 1663 **Fr. 215 \$1 1886 Choice New.** The back is centered high although wholly on the paper. (550-up)

- 1664 **Fr. 215 \$1 1886 Choice New.** A well centered Martha but the red seal is not as bright as we like to see. (450-up)

- 1665 **Fr. 215 \$1 1886 About New.** A single center fold on this otherwise strictly original Martha. (325-up)

- 1666 **Fr. 216 \$1 1886 Gem New.** Identical but for signatures to the Friedberg 215. This number in this grade is easily rarer by a factor of ten. (950-up)

- 1667 **Fr. 216 \$1 1886 Choice About New.** A scarce Martha Washington with nice original surfaces. It's just a counting crease and a corner fold away from Choice New. (325-up)

- 1668 **Fr. 217 \$1 1886 Choice About New.** One of the tougher numbers of the Martha Washington series. This very pretty note with its large Red Seal has strictly original surfaces and no soil whatsoever. It is removed from the Choice New grade only by two corner folds. (400-up)

- 1669 **Fr. 218 \$1 1886 Choice About New.** A fully Gem New note with a tiny corner fold at the lower right. Superb in every other way including its untouched original surfaces. (450-up)

- 1670 **Fr. 219 \$1 1886 Gem New.** Fresh and original. This is the scarce type with the large brown seal. There is a tiny as made paper inclusion visible only from the back. (700-up)

- 1671 **Fr. 219 \$1 1886 Choice New.** A very close to Gem example of this tough big brown seal Martha type. Deep original embossing and perfect paper surfaces. (650-up)

- 1672 **Fr. 219 \$1 1886 Extra Fine.** An unmolested original note. (275-up)

- 1673 **Fr. 220 \$1 1886 Choice About New.** Gem appearing and indeed very near to that top grade. Fr. 220 is one of the more difficult numbers of this series. (400-up)
- 1674 **Fr. 220 \$1 1886 Extra Fine.** A scarce number and a beautiful note. Its only flaw is several extremely short edge splits. (225-up)

- 1675 **Fr. 221 \$1 1886 Very Choice New.** A near Gem example of this tougher Martha Washington number. (650-up)

- 1676 **Fr. 223 \$1 Gem New.** Fresh and deeply original with great paper wave, this beautiful Martha Washington Silver Certificate has the large, dark courtesy autograph of D.N. Morgan directly above his engraved signature. Although not a very rare courtesy autograph, this Martha is one of the highest quality notes that he signed. (900-up)
- 1677 **Fr. 223 \$1 1891 Choice About New.** A single light center fold on this Gem appearing Martha. (300-up)

1678 **A Circulated Martha Washington Group.**

- Fr. 216 \$1 1886 **Good** with rough margins.
 Fr. 217 \$1 1886 **Good-Very Good.**
 Fr. 217 \$1 1886 **Good-Very Good.**
 Fr. 217 \$1 1886 **Very Good.**

2nd Educational Sheet Printed

- 1679 **Fr. 224 Uncut Sheet of Four and a \$1 1895 Educational Proof.** This is the second sheet of \$1 Educational notes printed, serial numbers 5 through 8. Only four sheets of \$1 Educational notes are known, three of Fr. 224 and one Fr. 225. The other two Fr. 224 sheets are permanently impounded in museums. This second sheet printed is ex-William P. Donlon. Each of the notes grades **About New** or **New** with the sheet itself having been folded between each note. The signature of D.N. Morgan appears five times, once in the wide bottom selvage and on the back of each note, along with the date July 23, 1896. Mounted with the sheet is a \$1 Proof on India paper of the 1895 prototype for this note. It apparently is from the nearly finished plate as only the date and very minor differences exist between this proof and the finished notes. Magnificently framed and presented, an irreplaceable and very beautiful item. (12,500-up)

- 1680 **Fr. 224 \$1 1896 Superb Gem New.** Huge margins, pristine colors, perfect centering, and great original paper quality. A one dollar note fit for the finest Educational set. (850-up)

- 1684 **Fr. 224 \$1 1896 Gem New.** Crisp, original, and well centered. (750-up)

- 1685 **Fr. 224 \$1 1896 Gem New.** A very nice \$1 Ed with good original surfaces. (750-up)

- 1681 **Fr. 224 \$1 1896 Superb Gem New.** All the attributes a note needs to qualify for this very top grade. (850-up)

- 1686 **Fr. 224 \$1 1896 Gem New.** Sparkling bright and with super original embossing of the paper. The number of magnificent, original Gems in Mr. Haynie's collection makes superlatives sound repetitive. Suffice it to say this is another. (750-up)

- 1682 **Fr. 224 \$1 1896 Gem New.** A beautiful \$1 Educational with the low serial number 629 and the large courtesy autograph of "D. Morgan Treas. U.S. 1893-1897." (1000-up)

- 1687 **Fr. 224 \$1 1896 Gem New.** Deep original embossing and beautifully centered between four large margins. (750-up)

- 1683 **Fr. 224 \$1 1896 Gem New.** Broad margined, bright and beautifully original with deep embossing and great paper body. (750-up)

- 1688 **Fr. 224 \$1 1896 Very Choice New.** Snappy and original, but the bottom margin is not quite generous enough for the note to be a Gem. (700-up)

1689 Fr. 224 \$1 1896 Choice New. Another very nice \$1 Educational. (650-up)

1690 Fr. 224 \$1 1896 Choice About New. Nice margins and original surfaces. There is a small corner fold that is difficult to see and quite insignificant. (400-up)

1691 Fr. 224 \$1 1896 Choice Extra Fine. Three light folds but good color, original surfaces, and exceptional centering and margins. This is the kind of Extra Fine that everyone wants. (325-up)

1692 Fr. 224 \$1 1896 Extra Fine. (300-up)

1693 Fr. 224 \$1 1896 Extra Fine. (300-up)

1694 Fr. 224 \$1 1896 Very Fine. Solid for the grade, a nice looking one dollar Educational. (175-up)

1695 Fr. 224 \$1 1896 Very Fine. A few small stains. (125-up)

1696 Fr. 224 \$1 1896 Fine. Appears VF from the face. (110-up)

1697 Fr. 225 \$1 1896 Gem New. The scarcer of the two \$1 Educational signature combinations. (750-up)

1698 Fr. 225 \$1 1896 Very Choice New. A bit more bottom margin and this \$1 Educational would be a Gem. (550-up)

1699 Fr. 225 \$1 1896 Choice New. The scarcer of the two signature combinations. (500-up)

1700 Fr. 225 \$1 1896 Choice Extra Fine. An original note, clearly never circulated as it is 100% free of soil, separated from Choice New by three very light folds. This is the way everyone wants their Extra Fines to look. (350-up)

Currency Auctions of America, Inc.
is pleased to announce
that our next public auction

1703 Fr. 226a \$1 1899 Choice New. Removed from a vault in the Chamber of Commerce Building in Baltimore after their Great Fire with a red penned history of its story written on the back of the note. Huge margins and quite attractive. (125-up)

- 1704 **Fr. 230 \$1 1899 Gem New.** A consecutive pair of lovely Black Eagles with the very low serial numbers Z59 and Z60. (400-up)

- 1706 **Fr. 230 \$1 1899 Gem New.** Low number H40H, a beauty. (250-up)

- 1707 **Fr. 230 \$1 1899 Choice New.** Serial number A28A. Gem but for a minor counting ripple and an as made inclusion in the left margin. (150-up)

- 1708 **Fr. 230 \$1 1899 Choice New.** Low number A39A. (200-up)

- 1709 **Fr. 231 \$1 1899 Extra Fine.** The only truly scarce Black Eagle. This example is clean and very well centered. (250-up)

- 1710 **Fr. 232 \$1 1899 Gem New.** Excellent margins and low serial number N60N. (250-up)

- 1711 **Fr. 232 \$1 1899 Gem New.** A lovely Black Eagle with the low serial number N40N. (250-up)

- 1712 **Fr. 233 \$1 1899 Superb Gem New.** Great originality and beautiful margins and colors on this low number T75T note. (275-up)

- 1713 **Fr. 233 \$1 1899 Superb Gem New.** An utterly flawless note with every attribute collectors seek and the extremely low number T12T. (275-up)

- 1714 **Fr. 233 \$1 1899 Superb Gem New.** A broad boarded, pristine note with the extremely low number T10T. (275-up)

1715 Fr. 233 \$1 1899 Gem New. Serial number Y91Y. (250-up)

1716 Fr. 233 \$1 1899 Gem New. Serial number V75V. This superb original note is utterly flawless save for an extremely light horizontal line which was part of the original manufacturing process of the 1899 Ones, Twos and Fives. This line appears on about 5% of the uncirculated notes from this series. (250-up)

1717 Fr. 233 \$1 1899 Gem New. A superb quality note and with the low serial number U75U. (250-up)

1718 Fr. 233 \$1 1899 Gem New. Perfectly centered and with the low serial number X60X. (250-up)

Spectacular 1923 Group

- 1754 **Fr. 237 \$1 1923 Choice New.** Serial number K1B. The only serial number 1 note known for the type, this Choice New example is the ideal mate for the next lot. Should the same buyer take home all three notes, he would have a showpiece that could not be duplicated at any price. This recently discovered beauty is without a hint of circulation and could easily be called Gem. (4000-up)

- 1755 **End of the Run Choice New Pair of Fr. 237s.** A spectacular offering particularly when combined with the previous lot. This is the Grinnell pair, Lot number 968. The first note from the pair is serial number N99999999D. The second note is serial number N100000000D. This final note of the serial number run has the zeros at all different levels as the numbering machine had to be hand set to create this note. The machine was capable of eight digits only, along with the prefix and suffix letters. This pair is unique for the type (Fr. 237-239) as is the serial number 1 note in the previous lot. This is an incredible opportunity for the advanced collector to own a true paper money treasure. (2 pieces) (4000-up)

- 1756 **Fr. 237* \$1 1923 Choice New.** High grade for a Star note. (125-up)

- 1757 **Fr. 237 Consecutive Pair.** Both are Choice New. (2 pieces) (80-up)

- 1758 **Fr. 238 \$1 1923 Cut Sheet of Four Choice New.** Fresh and snappy. (4 pieces) (200-up)

- 1759 **Fr. 238 \$1 1923 Four Consecutive Notes.** Choice New. (4 pieces) (175-up)

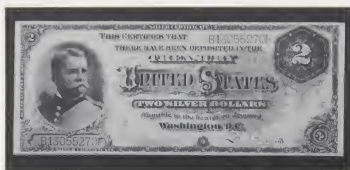

- 1760 **Fr. 238* \$1 1923 Very Choice New.** A common Star note with 113 pieces known, but in exceptional condition. (150-up)

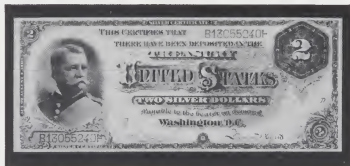

- 1761 **Fr. 239 \$1 1923 Choice New.** The rare number for this type. (175-up)

- 1762 **Dealer Group of 100 Circulated 1923 \$1 Silver Certificates.** 88 are Fr. 237 and 12 are Fr. 238. None grade less than **Good** and only a handful grade better than **Fine**. The great majority fall in the **Very Good-Fine** range. All 100 are solid no-problem notes without tears, serious stains, tape or other problems. An ideal group for the flea market dealer or coin shop owner. (100 pieces) (1200-up)

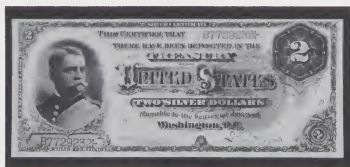

- 1763 **Fr. 240 \$2 1886 Very Fine.** The three vertical folds are lighter on the face than the back. (300-up)

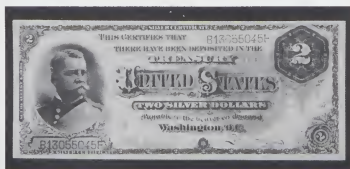

- 1764 **Fr. 242 \$2 1886 Superb Gem New.** As nice as they come, with deep original embossing and perfect centering. The colors are dazzling and Hancock's portrait with his huge handlebar mustache is lifelike. (1400-up)

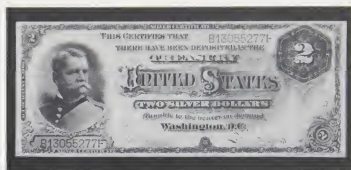

- 1765 **Fr. 242 \$2 1886 Superb Gem New.** Another real beauty with all the Gem criteria fully obvious. (1400-up)

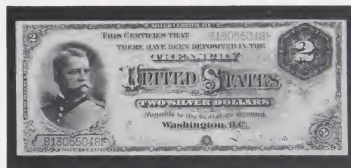

- 1766 **Fr. 242 \$2 1886 Superb Gem New.** Huge margins and exquisite colors. A very lovely Hancock Two with outstanding eye appeal. (1400-up)

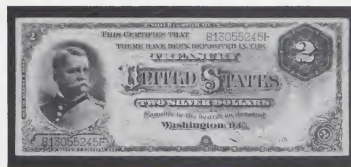

- 1767 **Fr. 242 \$2 1886 Superb Gem New.** Huge margins, pristine original surfaces, deep embossing; in short, the ideal Hancock deuce. (1400-up)

- 1768 **Fr. 242 \$2 1886 Gem New.** A superb note with 100% original colors, broad margins, snappy paper and deep original embossing. A splendid note! (1250-up)

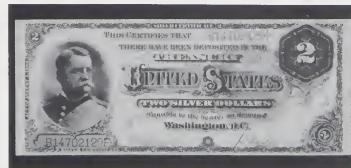

- 1769 **Fr. 242 \$2 1886 Gem New.** A lovely Hancock Two with bright colors and the originality of the day it was printed. (1250-up)

- 1770 **Fr. 242 \$2 1886 Choice New.** Terrific centering and deep original embossing. It would be a perfect Gem if not for a small pinhole entirely within the margin. (800-up)

- 1771 **Fr. 242 \$2 1886 About New.** Strictly original. (500-up)

- 1772 **Fr. 242 \$2 1886 Very Fine.** Great color and no problems. (300-up)

- 1773 **Fr. 243 \$2 1886 Superb Gem New.** Large margins, perfect paper surfaces and great color. Fr. 243 is one of the more difficult Hancock numbers to acquire particularly in high grade. Far, far rarer than the Fr. 242. (2000-up)

- 1774 **Fr. 244 \$2 1886 Choice About New.** The lightest of center folds prevents this handsome Hancock Deuce from grading Gem. Centering and colors are outstanding. This variety with its large brown seal strikes us as the most appealing color combination of the series. (650-up)

- 1778 **Fr. 245 \$2 1891 Very Choice New.** Superb in every sense of the word but for the top margin which comes a bit close at the left. The colors and eye appeal are dazzling. (1500-up)

- 1776 **Fr. 244 \$2 1886 Very Fine.** A note with the appearance of an Extra Fine from the face and a barely noticeable signature and date "12/6/90" lightly inked on the back. (300-up)

- 1781 **Fr. 246 \$2 1891 Extra Fine.** A nice Windom. (450-up)

- 1784 **Fr. 247 \$2 1896 Gem New.** A lovely, original Educational Two with the low three digit number 274. (2000-up)

- 1786 **Fr. 247 \$2 1896 Gem New.** Clean, well centered and strictly original. A wonderful addition to any high quality set. (2000-up)

- 1787 **Fr. 247 \$2 1896 Choice About New.** Low serial number 262 on this very attractive \$2 Educational that appears at a glance to be a Gem. It is separated from that grade by a few minor corner folds that are nearly invisible. (1250-up)

- 1788 **Fr. 247 \$2 1896 Choice About New.** A single center fold, but well margined, bright and pretty. (900-up)

- 1790 **Fr. 247 \$2 1896 Choice Very Fine.** A nice circulated Educational Two. (450-up)

- 1791 **Fr. 248 \$2 1896 Superb Gem New.** The scarcer of the two Friedberg numbers. This beautiful Educational Deuce is strictly original, full bright and among the finest examples we have had the pleasure of handling. (2500-up)

- 1792 **Fr. 248 \$2 1896 Gem New.** A flashy original \$2 Educational with the scarcer of the two signature combinations. (2000-up)

- 1794 **Fr. 248 \$2 1896 Gem New.** Nice original paper and excellent margins. A premium quality \$2 Ed. (2000-up)

- 1795 **Fr. 248 \$2 1896 Choice About New.** A ghost of a center fold is visible on very close inspection but the note is much too nice to be worth only an About New price. (1200-up)

- 1796 **Fr. 248 \$2 1896 Choice About New.** A lovely note with deep original embossing. Completely clean and a Gem but for a single broad corner fold. Worth considerably more than a normal About New. (1100-up)

1797 Fr. 248 \$2 1896 About New. Hugely margined and very well centered. There is a touch of light soil here and there and a very light center fold. (900-up)

1798 Fr. 248 \$2 1896 Very Fine. Super margins and quite clean, particularly on the face. Unmolested and strictly original. (450-up)

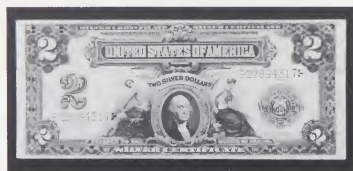

1799 Fr. 248 \$2 1896 Very Good. (110-up)

1800 Fr. 249 \$2 1899 Choice New. A near Gem example of the first 1899 deuce. (275-up)

1801 Fr. 250 \$2 1899 Gem New. A very good looking, heavily embossed example of this popular type note. (400-up)

1802 Fr. 252 \$2 1899 Superb Gem New. Boardwalk margins, deep original embossing, full colors, and low serial number E20. As fine an 1899 Two as you could ever hope to acquire. (600-up)

1803 Fr. 252 \$2 1899 Gem New. Bright, clean and exceptionally well margined. (400-up)

1804 Fr. 253 \$2 1899 Very Choice New. Just a hair more top margin and this nice original deuce would be a Gem. (300-up)

1805 Fr. 255 \$2 1899 Choice New. Wonderful centering. (275-up)

1806 Fr. 258 \$2 1899 Gem New. Nice and bright. (350-up)

1807 Fr. 258 \$2 1899 Very Choice New. A pretty note with lots of originality. (300-up)

1808 Fr. 258 \$2 1899 Choice About New. (175-up)

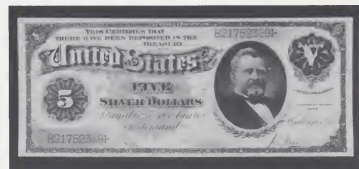

1809 Fr. 260 \$5 1886 Extra Fine. A scarce number. This Silver Dollar Back is attractive and soil-free. (800-up)

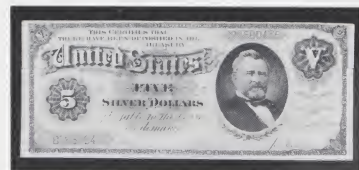

1810 Fr. 260 \$5 1886 Fine. A nice "no problems" circulated Silver Dollar Back and a scarce number. (350-up)

1811 Fr. 261 \$5 1886 Fine. A nice circulated Silver Dollar Back. (300-up)

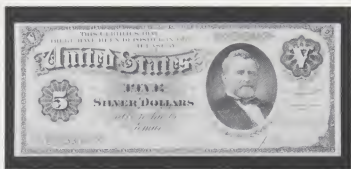

1812 Fr. 261 \$5 1886 Very Good-Fine. Solid for the grade with some pinholes being the only defect. (225-up)

1813 Fr. 262 \$5 1886 Superb Gem New. A magnificent Silver Dollar Back from the Randy Haynie collection. Deep original embossing, jumbo margins, perfect color and centering and on top of all else, a very scarce Friedberg number. Easily ten times rarer in this grade than the Fr. 263. (3000-up)

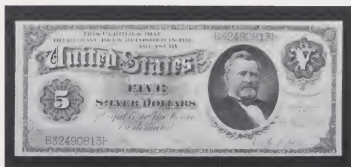

1814 Fr. 263 \$5 1886 Choice New. Bright and with excellent original surfaces. A Gem Silver Dollar Back in every sense, but the top margin is tight. (1750-up)

- 1815 **Fr. 263 \$5 1886 Choice New.** Superb original embossing and a magnificent Gem when view from the back. The only flaw on this crispy and appealing Silver Dollar Back is the face centering, with the top margin being quite tight. (1500-up)

- 1816 **Fr. 263 \$5 1886 Very Fine.** A lightly and evenly circulated Silver Dollar Back with lots of body left to the paper. Strictly original. (500-up)

- 1817 **Fr. 264 \$5 1886 Very Choice New.** A near Gem example with good original surfaces and better than average centering. Fr. 264 is rarer by a factor of ten over its type mate, Fr. 263. (1800-up)

- 1818 **Fr. 266 \$5 1891 Extra Fine.** There is an aged area in the center of the note about the size of a dime. (400-up)

- 1819 **Fr. 267 \$5 1891 Gem New.** Lovely original surfaces, huge margins, and perfect centering on both sides. Equal to lot 1914 of our January sale which brought just over \$2500. We believe this scarce type continues to be underpriced. (2750-up)

- 1820 **Fr. 267 \$5 1891 Very Fine.** A nicely margined example with considerable claim to the Extra Fine category. (350-up)

- 1821 **\$5 1886 and 1891 Silver Certificates.** Fr. 267 \$5 1891 **Fine** and Fr. 265 \$5 1886 **Very Good** with trivial margin roughness. (2 pieces) (450-up)

An Incredible Offering of **\$5 Educational Notes**

- 1822 **Fr. 268 \$5 1896 Gem New.** Ideal centering and colors. We rather suspect that years from now people will still refer to this offering as the largest group of really nice \$5 Eds ever sold at once. (3750-up)

- 1823 **Fr. 268 \$5 1896 Gem New.** An eye catching \$5 Educational with boardwalk margins and perfect centering on both sides. Astute bidders should not be dissuaded by the number of Gem \$5 Eds in this sale. Mr. Haynie had an eye for quality and a particular fondness for this type. The presence of multiple Gems in this sale is an unusual occurrence and not indicative of the note's true scarcity. In our own retail business, we have often searched a year or more to locate a single example for a client seeking a true Gem. (3750-up)

- 1824 **Fr. 268 \$5 1896 Very Choice New.** Snappy and totally original, this beauty would be a superb Gem if the decently centered back were just a touch lower. As fresh and pretty as the day it was made. (3000-up)

- 1825 **Fr. 268 \$5 1896 Fine.** A heavily circulated but presentable Educational Five with no problems worth mentioning. (400-up)

- 1826 **Fr. 268 \$5 1896 Very Good.** Flat and a bit fuzzy but without damage or distracting marks. (175-up)

- 1827 **Fr. 269 \$5 1896 Gem New.** Another lovely \$5 Educational, broadly margined, well printed, and beautifully bright. (3750-up)

- 1829 **Fr. 269 \$5 1896 Choice New.** Great paper quality and full colors are the high points of this \$5 Educational. Unfortunately the margins have been trimmed slightly. (2250-up)

- 1830 **Fr. 269 \$5 1896 New.** Excellent surfaces and strictly New but trimmed down a bit with all the margins smaller than they should be. (1750-up)

- 1831 **Fr. 269 \$5 1896 Very Good.** No problems. (175-up)

- 1828 **Fr. 269 \$5 1896 Choice New.** Well centered and very nearly Gem. Another really good looking note in this historically deep offering of \$5 Eds. (3000-up)

- 1832 **Fr. 270 \$5 1896 Superb Gem New.** When we first saw this note last year as part of the Byron Stuart Collection, we felt it had to be the finest Friedberg 270 in existence. Seven months ago, in a slower market, it brought \$4730 which seemed to justify our opinion. Prior to the sale of the Stuart Collection, the note had been off the market for decades. Now, after a short seven months, it reappears in the company of another which is its equal. The current strong market for great notes will decide which is the finest. (4750-up)

The margins are boardwalk size all the way around the face and the back is 100% perfectly centered. This magnificent note will complete closely to its mate above for the title of the finest known Fr. 270. (4750-up)

- 1834 **Fr. 270 \$5 1896 Extra Fine.** A well centered and attractive example with claims to About New. Worth a premium bid. (1250-up)
- 1835 **Fr. 270 \$5 1896 Very Good.** Totally solid and without a flaw other than extensive wear. (200-up)

- 1836 **Circulated Educational Set.** \$1 Fr. 224 **Very Fine**, \$2 Fr. 248 **Very Good-Fine**, and \$5 Fr. 270 **Very Good**. The edges of the \$5 are soft and aged though the margins are very large. (3 pieces) (600-up)

- 1837 **Four Circulated \$5 Educational.** Fr. 268 \$5 1896 Silver Certificates. Three **Good-Very Good** and one **Very Good**. (4 pieces) (650-up)

- 1840 **Fr. 271 \$5 1899 About New.** The top and bottom margins are close but do not touch the design. (450-up)

- 1841 **Fr. 273 \$5 1899 About New.** Nicely centered and with only a few light folds. (450-up)

- 1842 **Fr. 273 \$5 1899 Extra Fine.** A bright and nicely centered circulated Chief. (350-up)

- 1843 **Fr. 273 \$5 1899 Extra Fine.** Very pretty in most respects but there are some minor scuffs on the Chief's face. (275-up)

- 1844 **Fr. 275 \$5 1899 Superb Gem New.** An absolutely magnificent Chief with great centering, 100% bright colors of paper and inks, embossing deep enough to raise the pulse rate of a weekend spelunker, and low serial number K88 to top it off. (1500-up)

1845 Fr. 275 \$5 1899 Gem New. Huge margins and very pretty coloring highlights this scarcer Chief. (1100-up)

1846 Fr. 275 \$5 1899 Gem New. Outstanding margins and paper surfaces on this serial number K44 Indian Chief. (1500-up)

1847 Fr. 277 \$5 1899 Cut Sheet of Four Gem New. A super sheet of Chiefs with great original paper wave and embossing. Each of the notes has a larger top than bottom margin but the overall quality is so pristine that grading this cut sheet as less than Gem would be a disservice. The back centering of all four notes is perfect. This is a type that is seldom seen in cut sheet form and Fr. 277 is not one of the series that is often encountered in high grade. (4 pieces) (4250-up)

1848 Fr. 277 \$5 1899 Cut Sheet of 4 Superb Gem New. A great cut sheet with vivid blue ink and impeccable original surfaces with the type of deep embossing that is virtually never seen on Chiefs. Each of the four notes is exceptionally well centered on both sides. The two consecutive cut sheets in this sale are real opportunities for the serious collector of type notes. (4 pieces) (4500-up)

1849 Fr. 277 \$5 1899 Superb Gem New. They simply don't come any finer or more attractive than this beautifully centered Indian Chief. (1250-up)

- 1866 Fr. 281 \$5 1899 Very Fine. Ideal for the grade and without a single flaw. (250-up)
- 1867 Fr. 281 \$5 1899 Very Good-Fine. A nice circulated Chief. (125-up)

- 1868 Fr. 282 \$5 1923 Gem New. Beautiful color, excellent centering and snappy original surfaces, just about as nice a Porthole Five as we can imagine. (1000-up)

- 1869 Fr. 282 \$5 1923 Very Choice New. A lovely Porthole with strictly original surfaces and excellent margins. (800-up)

- 1870 Fr. 282 \$5 1923 Very Choice New. A Gem in every other respect but the margin is a bit close at the top right. Lots of great original snap to the paper. (800-up)

- 1871 Fr. 282 \$5 1923 Very Choice New. A hair more bottom margin and this beautiful Porthole would be a full blown Gem. (800-up)

- 1872 Fr. 282 \$5 1923 Very Choice New. Broad margined and very well centered, quite a nice Porthole Five. (800-up)
- 1873 Fr. 282 \$5 1923 Choice New. Gem in every respect including great paper originality, but with a few minor counting wrinkles which although visible, are free of soil. (750-up)

1874 **Fr. 282 \$5 1923 Extra Fine-About New.** A very nice high grade Porthole. (450-up)

1875 **Fr. 282 \$5 1923 Extra Fine.** Good blue color of the overprint. (400-up)

1876 **Fr. 282 \$5 1923 Very Fine.** Exceptionally clean for the grade, with claims to Extra Fine. (350-up)

1877 **Fr. 282 \$5 1923 Very Good-Fine.** Well circulated but perfect for the grade. (125-up)

1878 **Fr. 282 \$5 1923 Very Good.** (100-up)

Triple Signature Fr. 284 One of Three Known

1879 **Fr. 284 \$10 1878 Triple Signature Extra Fine.** Tied in grade for the finest known, this beauty is one of only three in existence. Lacking in all the government collections, this hand signed triple signature has the bold signature of J.C. Hopper for the assistant treasurer. Two of the three known are identical in grade and appearance and bear consecutive serial numbers. The other known note is a Very Good. This simply magnificent piece of currency formerly resided in the Wade and Schermerhorn collections. Well centered and very colorful with the blue top paper and large red seal, a highlight in any great collection. (20,000-up)

1880 **Fr. 287 \$10 1880.** A new note to the census making the Gengerke list now 33 notes long. Better than **Fine**, but the upper right edge has a better than amateur but less than expert restoration. (400-up)

1881 **Fr. 288 \$10 1880 Gem New.** One of the highest quality type notes in the marvelous Haynie Collection. Exceptional centering, pristine surfaces with deep, original embossing and as made colors of paper and inks. Simply a beautiful note. (3000-up)

1882 **Fr. 288 \$10 1880.** A difficult note to grade as the upper edge is weak and ratty implying a grade of less than **Fine**, but the rest of the note is solid with some elements of **Very Fine**. We suppose the correct overall census grade for this scarce note would be **Very Good**. (300-up)

1883 **Fr. 289 \$10 1880 Extra Fine.** Three very light folds and a rubber stamp "PA" in blue on the face of the note. The overall appearance of the note is that of a **Gem** and the surfaces are strictly original. (1200-up)

1884 **Fr. 290 \$10 1880.** A new note to the census making 23 now known, only eight of which are **Fine** or better. The presently offered **Very Good** has some pinholes and a small internal tear but is without restoration and is acceptable for the grade. (300-up)

- 1885 **Fr. 293 \$10 1886 Choice About New.** Previously auctioned as an Extra Fine, but the closest, most careful examination reveals no possible justification for that grade. Broad margined, bright and extremely beautiful, this rare type gives the appearance of a perfect Gem, a grade that is prevented only by one corner fold and the barest hint of a possible center bend. Bid on this note as a Choice About New and we cannot imagine any emotion other than delight on seeing it. (1750-up)

- 1886 **Fr. 293 \$10 1886 Fine.** A rare type that is without problems of any kind. (500-up)

- 1887 **Fr. 294 \$10 1886 New.** Unmolested, original surfaces are the highlight feature of this bright, early back Tombstone. Three generous margins but very tight across the top. (1800-up)

- 1888 **Three Early Tombstone Notes.** Fr. 293 \$10 1886 Very Good, Fr. 294 \$10 1886 Very Good and Fr. 295 \$10 1886 Very Good. (900-up)

- 1889 **Fr. 300 \$10 1891 Extra Fine.** Unmolested and nice looking, the perfect Tombstone for a collection of lightly circulated type notes. (450-up)

- 1890 **Fr. 301 \$10 1891 Choice About New.** A very light center fold otherwise this handsome Red Seal Tombstone is the perfect type note. Its centering and colors are vivid and far above average. (750-up)

- 1891 **Fr. 304 \$10 1908 Superb Gem New.** These Tombstones are among the most very difficult types to find in original Gem condition. This beauty is absolutely perfectly centered with super original surfaces and brilliant color. A really great type note. (2000-up)

- 1892 **Fr. 304 \$10 1908 Fine-Very Fine.** Original, unmolested, and a very difficult type. (275-up)

- 1893 **A Pair of Circulated Tombstones.** Fr. 304 \$10 1908 Fine and Fr. 304 \$10 1908 Very Fine. (575-up)

- 1894 **Fr. 309 \$20 1880.** A new note to the census bringing the total known to 31. This Very Good has a few small holes, but it is perfectly acceptable for the grade with no distracting marks. (450-up)

- 1895 **Fr. 311 \$20 1880 Extra Fine.** As an Extra Fine, this is well up in the top half of the census as the majority of the survivors are low grade. This is a very pretty Silver with far better than average centering. (1900-up)

- 1896 **Fr. 311 \$20 1880 Very Fine-Extra Fine.** Although a number of folds are evident on close examination, the eye appeal of this rare type is exceptional, with none of the folds having broken the ink of the important design elements. Well margined and bright with excellent ink colors, the initial impression being a far higher grade. (1800-up)

- 1897 **Fr. 314 \$20 1886 Very Good.** The scarce "Diamond Back." A few edge splits and a spindle hole at center are present. This is a scarce issue seldom found in any grade. (1000-up)

- 1898 **Fr. 321 \$20 1891 Gem New.** One of the finest of this type that we have handled. This lovely \$20 Silver is previously from the Robert Schermerhorn collection. This is a note that any collector would be proud of! (2750-up)
- 1899 **Fr. 321 \$20 1891 Choice About New.** Well margined and with super eye appeal, this Daniel Manning \$20 Silver looks like a Gem New but has a single, nearly invisible fold. (1000-up)

Second Finest Fr. 328 in Private Hands

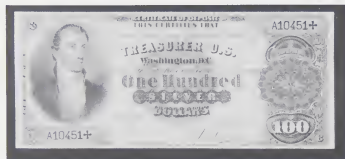

- 1902 **Fr. 328 \$50 1880 About New.** One of only 27 known including eight which are permanently impounded. Only two notes grade higher, one of which is among the impounded group. This is an absolutely magnificent looking piece, with outstanding margins all the way around the face and perfect back centering. The combination of colors, with the large brown seal and deep blue serial numbers, is exceptionally pleasing to the eye. This is one of the most handsome pieces of currency in this outstanding offering and is kept from the Uncirculated grade by a single nearly unnoticeable centerfold. (15,000-up)

- 1903 **Fr. 331 \$50 1891 Very Good.** Somewhat soiled and with a piece missing from the left margin. Nonetheless, very rare with only 14 pieces reported in the Gengerke reference, this being the lowest number. (400-up)

Second Finest Fr. 341 in Private Hands

- 1904 **Fr. 341 \$100 1880 Extra Fine-About New.** One of 18 pieces known, six of which are permanently impounded in government hands or museums. Only two grade higher than this piece, and one of those is in the ANA museum. This magnificent note appears Gem New under all but the very closest scrutiny, and is utterly without repair, restoration, or problems of any kind. This large, impressive vignette of James Monroe has a photorealistic appearance, with even the gleam in his eyes clearly evident. An irreplaceable treasure, and the perfect mate to lot 1902. The two notes together make as impressive a pair as anyone could ever hope to see. (20,000-up)

1924 Fr. 359 \$5 1890 Very Choice New. This big brown seal fancy back Treasury Note is a wonderful example of the engraver's art with virtually every inch of the paper occupied by elaborate design. Take some time to study this near Gem note in close detail and discover the incredible intricacies of its Victorian period design. (1500-up)

- 1925 **Fr. 359 \$5 1890 Choice About New.** This attractive, fancy back General Thomas Five just misses the Gem grade by a hair of a margin and a single corner fold. (775-up)

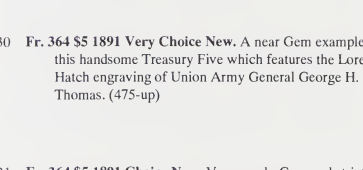

- 1926 **Fr. 361 \$5 1890 Very Choice New.** Wonderfully original and a perfect Gem but for a minor natural paper inclusion and a minute, as made, gutter fold. (1500-up)

- 1928 **Fr. 363 \$5 1891 Gem New.** A beautiful Treasury Note with exceptionally nice vivid inking and excellent margins.
(650-up)

- 1936 Fr. 368 \$10 1890 Gem New. A superb example of this rare Treasury Ten and the first Gem of this Friedberg number that we have offered in any of our sales. Both the face and back centering are exceptional, and this along with its original embossing makes this note suitable for the very finest of sets. (3000-up)

- 1937 **Fr. 368 \$10 1890 Very Choice New.** Original surfaces and well margined. The back design is just a touch too high for the Gem grade. (2000-up)

- 1938 **Fr. 368 \$10 1890 Very Choice New.** Another lovely example of this scarce Friedberg number. This note has excellent surfaces, good margins and full color and would be a Gem but for a hint of a counting smudge. Still exceptional quality. (2000-up)

- 1943 **Fr. 374 \$20 1890 Fine.** A heavily circulated but attractive example of a very scarce type, and likely the lowest reported number as the only lower number reported is apparently an incorrect listing. In any event, scarce and well worth... (1100-up)

- 1944 **Fr. 374 \$20 1890 Fine.** A respectable circulated example of this popular and scarce type, with no repairs and solid edges. The Red Seal is a bit faded. (1000-up)

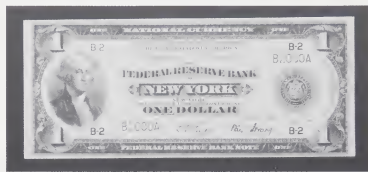

Lovely Watermelon \$100

- 1945 Fr. 377 \$100 1890 Very Fine-Extra Fine. One of just 29 known pieces, nine of which are permanently off the market. This well centered and good looking Watermelon Note was formerly the example in the Amon Carter collection. This is a very striking example with the "Watermelon" back clean and well centered. The nickname of this note is derived from the large zeros which look very much like Watermelons. One of the most famous and desirable pieces of U.S. currency, this rare note will likely sell right around... (22,500-up)

Single Digit Dallas Pair

- 1985 **Fr. 781 \$5 1918 Fine.** The key note to the series. This Boston \$5 Federal Reserve Bank Note is new to the census, making a total of 15 now known. - 1993 Fr. 817a \$10 1915 Superb Gem New. Bought back by the consignor inadvertently in an Alfonse-Gaston maze of confusion that rivaled anything the Marx Brothers have done. In our previous sale it was described: "This is as fine a \$10 Federal Reserve Bank Note as we have ever seen. Deep, original embossing, broad margins, and perfect centering on both sides. A very scarce type that is decidedly rare in this ultimate condition." On reexamination, the note is every bit as nice as we said it was and deserves a new home. (2000-up)

2019 **Fr. 1013 \$50 1914 Red Seal Extra Fine.** All fifty and hundred Red Seal Feds are very scarce and this lightly circulated one is also quite attractive. (600-up)

- 2020 Fr. 1015 \$50 1914 Red Seal Choice New. A lovely \$50 Red Seal with good margins and bright colors. This is a truly scarce type note in high grade (1750-up)

- 2025 Fr. 1088 \$100 1914 Gem New. Three consecutive notes, all clean, bright and with original embossing. Without flaw but for the roller mark which they all share and which many people mistake for a horizontal centerfold. (3 pieces) (1750-up)

- 2022 Fr. 1035 \$50 1914 Gem New. A lovely \$50 Federal Reserve Note with good centering and colors. These are actually much scarcer than the \$100s in this grade. (1200-up)

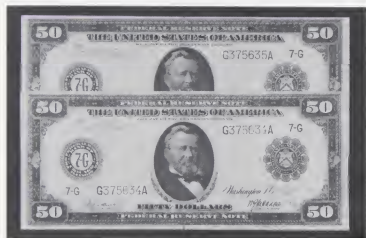

- 2026 Fr. 1088 \$100 1914 Very Fine-Extra Fine. (225-up)

- 2027 Fr. 1088 \$100 1914 Very Fine. (200-up)

- 2029 Fr. 1104 \$100 1914 Gem New. Beautifully centered and fully bright and lacking the counting marks that are usually seen on these one hundred dollar Atlanta Feds. (700-up)

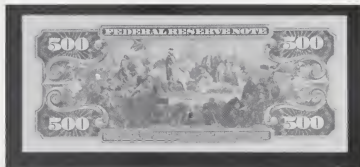

- 2024 Fr. 1048 \$50 1914 Choice New. A consecutive pair from an issue where consecutive pairs simply are not seen. Both have their original surfaces and both have what appears to be a tiny closed pinhole in the identical spot. (2 pieces) (1400-up)

- 2030 Fr. 1108 \$100 1914 About New. Bright, well margined, and with the look of a Gem. (325-up)

- 2031 Fr. 1108 \$100 1914 Choice Extra Fine. Well centered and with the appearance of a far higher grade. (300-up)

- 2032 Fr. 1128 \$100 1914 Choice About New. A single light center fold away from Gem New. This is a scarce district for a high grade \$100 Fed., with most all examples coming from Atlanta. (400-up)

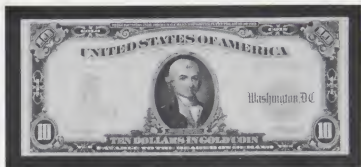

GOLD CERTIFICATES

- 2033 **Fr. 1132 \$500 1918 Extra Fine-About New.** One of just 20 known for the district and tied for second in condition according to the Gengerke reference. Perfectly original and unmolested, with its embossing still evident, the note shows very minor signs of circulation soil and has no hard folds. (2750-up)

- 2034 **Fr. 1133 \$1000 1918 Very Good-Fine.** The paper is a bit soft. This is a rare note with only five others reported for the district, one of which is in the Smithsonian and one of which is likely a mislisting. (1800-up)
- 2035 **Four Blue Seal Feds.** Fr. 891a (2) one **New** and one **About New**, and \$20 Fr. 983 **Extra Fine** and \$20 Fr. 1011b **Extra Fine**. (4 pieces) (160-up)
- 2036 **Five Federal Reserve Note Stars.** Fr. 847a* eight known **Fine**, 851a* **Fine**, 911a* **Fine** six known, 937* three known **Very Good**, and 974* six known **Very Fine**. (5 pieces) (500-up)

- 2037 **Fr. 1171 \$10 1907 Gem New.** Jumbo margins and attractive color on this better signature combination. (475-up)

- 2038 **Fr. 1172 \$10 1907 Very Choice New.** Bright and original with good margins and color. A **Gem** if the bottom margin were a hair larger. (350-up)

- 2039 **Fr. 1173 \$10 1922 Superb Gem New.** A simply magnificent example of this rather ordinary type. Mr. Haynie's \$10 Gold Certificate is hugely margined, perfectly centered, strictly original, and unbelievably bright. From the technical as well as the aesthetic point of view, we believe that this is the finest condition type note in this sale. The Hillegas portrait is so sharp and lifelike that you can almost see your own reflection in his eyes. (500-up)
- 2040 **Fr. 1173 \$10 1922 Gem New.** Attractive and original. (400-up)

Currency Auctions of America, Inc.
is pleased to announce
that our next public auction
will take place
in Orlando in January of 1995!

- 2041 Fr. 1173 \$10 1922 Gem New. Strictly original surfaces and much better centering than usually seen for this issue. (400-up)
- 2042 Fr. 1173 \$10 1922 Choice New. (225-up)
- 2043 Fr. 1173 \$10 1922 Choice New. (225-up)

- 2044 Fr. 1173 \$10 1922 Choice New. Nice margins and paper surfaces. (225-up)
- 2045 Fr. 1173 \$10 1922 About New. (150-up)
- 2046 Fr. 1173 \$10 1922. Two notes, one New and cut close at the top and the other Extra Fine. (2 pieces) (250-up)

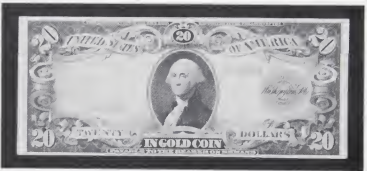

- 2047 Fr. 1177 \$20 1882 Extra Fine. One of only 19 known, several of which are permanently impounded, and only two of which grade higher than this note. Well margined and very bright, the note having the appearance of a fully Uncirculated piece from the face. Although it lacks the technical grade of many of the Gold Certificates in this offering, it certainly makes up for it with rarity and eye appeal. (\$500-up)

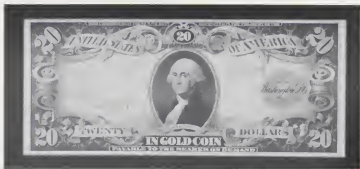

- 2048 Fr. 1178 \$20 1882 Superb Gem New. As high a quality note as could possibly exist. Spectacular original paper wave, pristine colors equal to the day of production, and perfect centering of both sides between four huge margins. In every sale, we try to single out one type note as the finest quality note in the sale. We had previously catalogued Mr. Haynie's Fr. 1173 before seeing this note. Although nothing can be taken away from that magnificent piece, we think we are going to have to declare a tie. This note, also from the Haynie Collection, cannot be considered second to anything. (3500-up)

- 2049 Fr. 1179 \$20 1905 Fine-Very Fine. A lovely no problems example of this scarce Technicolor Twenty. (700-up)

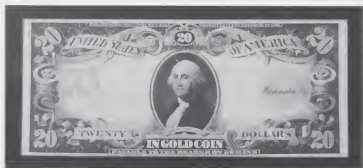

- 2050 Fr. 1180 \$20 1905 Gem New. A beautiful, bright, and totally original Technicolor Twenty. Within a hair of being as nice as the next lot, and removed from it by just 27 numbers. The two notes are virtually identical with the next lot having just the slightest centering advantage, particularly on the back. This beauty exhibits absolutely full color, deep embossing, and way better than average centering. (7000-up)

- 2051 **Fr. 1180 \$20 1905 Superb Gem New.** Blockbuster quality on a note that is truly rare in this condition. From a short run mentioned in the Gengerke reference, but this one exhibits boardwalk margins all the way around along with ideal back centering and the flashy red, yellow, gold and black inks that give this note its nickname as the Technicolor Twenty. This is one of the finest condition Type notes in this comprehensive collection. (7500-up)

- 2052 **Fr. 1180 \$20 1905 Very Good.** A well circulated and affordable Technicolor Note. (175-up)

- 2053 **Fr. 1185 \$20 1906 Gem New.** Pristine surfaces and unusually excellent centering. A prize Gold Certificate. (500-up)

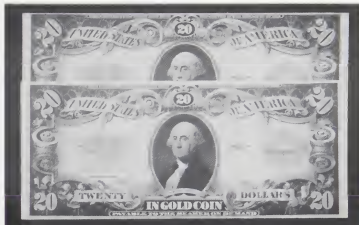

- 2054 **Fr. 1187 \$20 1922 Very Choice New.** Nice surfaces and margins, nearly a Gem. (375-up)

- 2055 **Fr. 1187 \$20 1922 Choice New.** Great color. (350-up)

- 2056 **Fr. 1187 \$20 1922 Choice New.** Gem from the face but the back is centered high although well clear of the edge. (325-up)

- 2057 **Fr. 1187 \$20 1922 Extra Fine.** (150-up)

- 2058 **Fr. 1187 \$20 1922 Consecutive Pair.** An unusual series in which to find consecutive notes. The first grades **Choice New** and the second **New** due to a tight margin. (550-up)

- 2059 **Fr. 1187 \$20 1922.** Two pieces, one **Choice New** and one **Choice About New.** (2 pieces) (500-up)

- 2060 **A Trio of Better Gold Certificates.** Fr. 1178 \$20 1882 **Good-Very Good**, Fr. 1180 \$20 1905 **Good-Very Good** and \$20 1905 **Very Good.** (3 pieces) (600-up)

- 2061 **Fr. 1192 \$50 1882 Fine-Very Fine.** One of just 12 known, four of which are permanently impounded in government hands. Of the remaining eight, this is distinctly better than five of them, and in a side by side comparison could well turn out to be the finest known, as none are reported to be better than **Very Fine** in the Gengerke reference. Excellent colors and broad margins with no flaws whatsoever. The contrasting colors of the large brown seal, gold overprint, and blue serial numbers make this bright and unmolested note far more attractive than the grade would imply. An excellent opportunity for the serious collector. (6500-up)

- 2062 **Fr. 1193 \$50 1882 Superb Gem New.** Another simply magnificent Gold Certificate from this outstanding offering. Of the 41 notes reported in the Gengerke reference, only three are reported as CU, and of those one is in government hands and one is in the ANA museum. This piece was previously reported simply as verified with no grade given, but was suspected to be high grade as it is only two notes removed from the only other Uncirculated note in private hands. That piece brought \$5,775 in 1989 (Stack's 3-14-89:696). This Superb Gem is perfectly centered between four huge margins, exhibits deep original embossing and is blazingly bright in paper and ink. We offer this piece with great pride and are sure that it will be cherished by the new owner. (\$500-up)

- 2063 **Fr. 1193 \$50 1882 Very Good.** A tough note in a respectable circulated grade. (350-up)

- 2064 **Fr. 1194 \$50 1882 Very Good.** The fifteenth note traced of this scarce Gold Certificate signature. (400-up)

- 2065 **A Pair of \$50 1913 Gold Certificates.** Fr. 1199 \$50 1913. Both are an attractive Fine. (2 pieces) (500-up)

A Small Hoard Of \$50 1922 Gold Certificates

- 2067 **Fr. 1200 \$50 1922 About New.** Well centered and pretty. (600-up)

- 2068 **Fr. 1200 \$50 1922 Extra Fine.** A few folds but no circulation soil. A lovely type note. (450-up)

- 2069 **Fr. 1200 1922 \$50 Extra Fine.** (425-up)

- 2074 **Fr. 1200 1922 \$50 Choice Very Fine.** (350-up)

- 2075 **Fr. 1200 \$50 1922 Very Fine.** (325-up)

- 2076 **Fr. 1200 1922 \$50 Very Fine.** Choice for the grade. (325-up)

- 2077 **Fr. 1200 1922 \$50 Very Fine.** Bright and well centered. (325-up)

- 2079 **Fr. 1200 1922 \$50 Very Fine.** (325-up)

- 2080 **Fr. 1200 1922 \$50 Very Fine.** Tight at the top. (300-up)

- 2081 **Fr. 1200 1922 \$50 About Very Fine.** (300-up)

- 2082 **Fr. 1200 1922 \$50 Fine-Very Fine.** (275-up)

- 2083 **Fr. 1200 \$50 1922.** Two clean notes both of which grade Extra Fine, but one has an edge tear with a small piece missing, and the other an internal tear at the top of the portrait. (2 pieces) (500-up)

2084 **A Pair of \$50 1922 Gold Certificates.** Fr. 1200 \$50 1922. One **Fine** and the other **Very Fine**. (2 pieces) (500-up)

2085 **Fr. 1200 \$50 1922.** Two pieces, both **Fine-Very Fine**, one a bit soiled, the other with a few marks. (2 pieces) (450-up)

2086 **Fr. 1200 1922 \$50.** Three pieces. All **Fine-Very Fine**, all problem free for the grade. (3 pieces) (750-up)

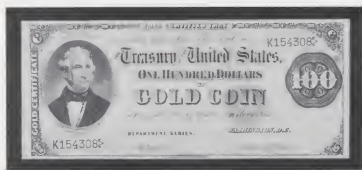

2087 **A Trio of Gold Certificates.** Fr. 1173 \$10 1922 **Very Fine**, Fr. 1187 \$20 1922 **Very Fine**, Fr. 1200 \$50 1922 **Very Fine**. (3 pieces) (425-up)

2088 **Fr. 1210 \$100 1882 Very Good.** A new addition to the census, making 15 in all. Of these, five are impounded in government or museum collections. (450-up)

2091 **Fr. 1215 \$100 1922 Choice About New.** A note that appears to be a perfect Gem but has a ghost of a centerfold. Worth far more than a typical About New, as its margins, centering and brightness are outstanding. (800-up)

2092 **Gold Certificate Denomination Set.** \$10 Fr. 1173 **Fine**, \$20 Fr. 1187 **About New**, \$50 1198 **Choice Very Fine** and \$100 Fr. 1215 **Very Fine**. (4 pieces) (900-up)

2089 **Fr. 1211 \$100 1882 Extra Fine-About Uncirculated.** This lovely Napier-Thompson \$100 gives the appearance of a Gem New at a glance. Thirty-six pieces are listed in the Gengerke reference, nine of which are permanently impounded in government hands or museums. Only four are reported in higher grades than this beauty and it is unlikely that any of them are better centered or give a nicer appearance. Sold by Bowers and Merena (4/8/83:390) at \$2420. (1750-up)

2093 **Fr. 1216a \$500 1882 Very Fine.** A few minor stains and short edge tears, but bright and quite attractive. With its flaws, it is still safely within the top half of the condition census of the 24 notes reported in the Gengerke reference. (3500-up)

2090 **Fr. 1214 \$100 1882 Superb Gem New.** Crackling fresh, beautifully centered, and with impeccable surfaces and colors, this pristine gold certificate is among the finest known for the type. Heads above the typical note that gets called Gem. (3500-up)

2094 **Fr. 1217 \$500 1922 Fine-Very Fine.** Fully Very Fine when viewed from the face. This scarce \$500 Gold is new to the census. Strong red seal and excellent overall eye appeal. Two small stains are visible on the back. (3000-up)

Pleasing **Fine** example with the unusual block letter stamp signature of Fox Henderson as President. (100-175)

ALASKA

- 2128 **Ketchikan** - \$20.00 Ty. 2 **The First NB Ch. # 12578**

We are tremendously pleased to offer this great Alaska note, as it marks the first time that we have had notes from all 50 states in any of our sales. This example represents the only Type 2 \$20.00 note known on this bank, and is but one of three such examples extant from the entire state. The last Ketchikan note to be publicly offered was a much lower grade \$5.00 which brought \$4400.00 in a 1989 auction. The last Type 2 \$20.00 sold (which was a bit higher grade than this example) brought \$4830.00 in the 1988 Memphis auction. Based on those results, we expect that this note, grading a pleasing no problems **Fine**, should see a winning bid in the range of... (4000-6000)

ARIZONA

- 2129 **Phoenix** - \$10.00 Ty. 1 **First NB of Arizona Ch. # 3728**

Always in demand as there are never enough notes from this state to go around. **Very Good+**. (125-225)

- 2130 **Prescott** - \$10.00 Ty. 1 **First NB Ch. # 13262**

One of the highlights of this sale and a new addition to the census from this rare town. Prescott presents a special challenge to the collector of Arizona National Bank Notes. While there are 13 notes listed in the census, 12 are serial number 1 examples. Of those, one uncut sheet of six is ensconced in the David Levitt estate, where it has lain for almost 20 years, and, of the other six, the whereabouts of four are currently unknown. Only one of the six has ever appeared at public sale, and that took place 20 years ago in a Donlon auction. The other known example is a washed \$5.00 note whose current whereabouts are similarly unrecorded. The piece we offer here is a new discovery, and provides the serious collector of this state's notes with an opportunity that has not been available for the two decades since the last note from here was sold. Nice **Fine-Very Fine**, hard to estimate with the lack of any auction history, but serious bidders should expect to see a realization of... (1500-2500)

- 2131 **Tucson** - \$20.00 Ty. 1 **The Consolidated NB Ch. # 4287**
Nice evenly circulated **Fine**. (125-225)

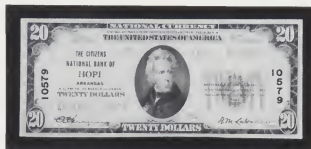

ARKANSAS

- 2132 **Fordyce** - \$5.00 Ty. 1 **The First NB Ch. # 9501**
Better small note from this in demand state. **Very Good**. (125-250)

- 2133 **Gurdon** - \$5.00 Ty. 2 **The First NB Ch. # 13210 Uncut Sheet**

A real treat for the serious collector from this state. While this is not the only sheet known from this scarce bank, it is the only one likely to be available to the collecting fraternity for quite some time, as the others are quite closely held. **Extremely Fine**, with a few folds, and a small stain at the corners of the bottom note, but significant enough to see bids in the range of... (2500-4000)

2134 Hope - \$20.00 Ty. 2 The Citizens NB Ch. # 10579

An absolutely beautiful example from the home town of President Clinton. If a nicer small town Arkansas note than this exists, we've yet to see it. A similar note from here brought \$522.50 in last year's PCDA sale. It would not surprise us to see bidding on this **Gem Crisp Uncirculated** example end in the range of... (450-750)

2135 Hope - \$10.00 Ty. 1 The First NB Ch. # 12533

Not nearly as nice as the example above, but likely not nearly as expensive either. **Very Good-Fine.** (100-150)

2136 Lake Village - \$5.00 Ty. 1 The First NB Ch. # 11262

Not a common note, particularly when this is one of the hottest states for virtually any better notes. **Very Good+**, with a small blue pencilled number on the face. (150-250)

2137 Lake Village - \$5.00 Ty. 1 The First NB Ch. # 13632

The high charter Lake Village bank, which issued small notes only for just under three years. **About Fine**, with a bit of staining (mostly on the reverse), scarce enough to merit a bid in the range of... (175-350)

2138 Paragould - \$10.00 1902 Fr. 627 NB of Commerce Ch. # 10004

A scarcer Paragould bank which has not been offered at public sale since a 1987 auction appearance. Decent **About Fine.** (300-600)

2139 Pine Bluff - \$20.00 Ty. 1 The NB of Arkansas Ch. # 10768

An extremely rare bank, particularly in Series 1929 notes, which were issued from here for only a year before the bank entered receivership in 1930. **About Fine.** (350-700)

2140 Walnut Ridge - \$5.00 Ty. 1 The Planters NB Ch. # 12083

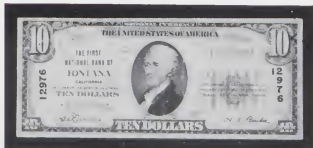

An Arkansas wonder note if ever there was one. While a couple of large size examples from here have turned up over the years, we have never seen a small note from this excessively rare bank offered for sale. Combining rarity, a great name, and enough grade to amaze those familiar with the normal small town offerings from this state, this beautiful **Extremely Fine+** note is likely to see considerable bidding interest before it finds a new home. (750-1250)

CALIFORNIA

2141 Beverly Hills - \$5.00 1902 Fr. 606 The First NB Ch. # 11461

One of the nicest large size examples known from this popular location, and a new piece for the census. **Very Fine**, cut a bit into the design at the top margin. (200-400)

2142 Fontana - \$10.00 Ty. 1 The First NB Ch. # 12976

A very scarce San Bernardino County bank with no offering since the Krakover sale and only two before that date. **Fine**, with a goodly number of pinholes, but quite decent in appearance. (150-300)

- 2143 Hynes - \$10.00 1902 Fr. 627 The First NB Ch. # (P)9919

A great new addition to the census from this rare Los Angeles County bank. This example is easily the finest grade large note reported from here to date. **Very Fine**, the signatures faded but still faintly visible, a note that should see some spirited bidding from the many southern California collectors. (450-900)

- 2144 Los Angeles - \$5.00, \$20.00 Ty. 1 Security - First NB Ch. # 2491

Two pieces, the \$5.00 **Crisp Uncirculated**, the \$20.00 **Extremely Fine**. (75-100)

- 2145 Los Angeles - \$20.00 1882 Date Back Fr. 555 The Citizens NB Ch. # (P)5927

Tougher type and denomination from here. **Very Good-Fine**. (125-225)

- 2146 Los Angeles - \$50.00 1902 Fr. 683 Citizens National Trust & Savings Bank Ch. # 5927

By far the finest reported example of this scarce denomination (the two others known grading Very Good and Good, respectively.) This newly surfaced note grades a most attractive **Fine-Very Fine** and will likely see considerable interest amongst the many collectors of this city's notes. (350-650)

- 2147 Los Angeles - \$100.00 Ty. 1 Citizens NT & SB Ch. # 5927

A new number for the census, and as nice or nicer than any example reported from this bank to date. **Crisp Uncirculated**, cut just a touch close at the top margin. (250-450)

- 2148 Los Angeles - \$20.00 1902 Fr. 650 The Commercial NB Ch. # (P)6864

Very high grade example from here. **Extremely Fine**, with beautiful signatures. (100-150)

- 2149 Los Angeles - \$20.00 1902 Fr. 650 The United States NB Ch. # (P)7632

Bright and vivid **Very Fine** example. (100-200)

- 2150 Modesto - \$20.00 1902 Fr. 650 The First NB Ch. # (P)3136

An extremely scarce bank which has been offered only once at public sale in the past 50 years. That example, a Third Charter ten grading Very Good, sold in the Krakover sale for \$745.00. **Very Good**, cut a bit close at the bottom, and likely to see bids in the range of... (500-900)

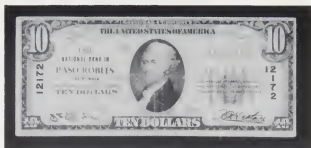

- 2151 Olive - \$20.00 Ty. 1 The First NB Ch. # 10891

We can trace only a handful of appearances from this rare Orange County bank over the past five decades. This attractive **Fine+** example is sure to please its proud new owner. (300-600)

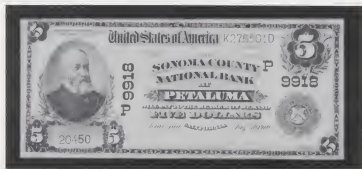

- 2152 Orange Cove - \$5.00 Ty. 2 The First NB Ch. # 11616

A great name highlights this very scarce central valley example. Nice **Fine-Very Fine**, one of only a handful of these available to collectors as the bulk of those reported consist of six examples on an uncut number 1 sheet. (350-700)

2153 Paso Robles - \$10.00 Ty. 1 First NB Ch. # 12172

A very scarce and seldom seen bank. This is only the second \$10.00 small note reported from here to date. **Fine.** (200-400)

2154 Petaluma - \$5.00 1902 Fr. 627 The Sonoma County NB Ch. # (P)9918

Pleasing **Fine-Very Fine** example of this very scarce northern California note. (250-500)

2155 Redlands - \$10.00 1902 Fr. 624 The Redlands NB Ch. # (P)7259

An extremely rare San Bernardino County bank. Only two notes, both very low grade, have been reported to date, with neither ever having been offered at public sale. This example, then, is not only the finest known from this bank but represents the only opportunity most collectors have ever had to obtain any example from here. **About Fine**, with a few small holes. (500-900)

2156 Riverside - \$10.00 Ty. 1 The Citizens NT & SB Ch. # 8907

A most attractive example. **About Uncirculated.** (60-100)

2157 Sacramento - \$5.00 1902 Fr. 602 The NB of D.O. Mills & Co. Ch. # 2014

An always popular state capital note. **Fine.** (75-150)

2158 San Francisco - \$5.00 National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

A magnificent note listed in the census as "Very Fine." We would be happy to buy this as a higher grade note any day of the week. The reverse grades Very Fine or a bit better, due to one heavy center fold, but the face is easily Extremely Fine, with the color one dreams about but so seldom sees on these notes. Overall, we grade this as a conservative **Very Fine-Extremely Fine**, with the emphasis on the higher end. We expect to see bids in the range of... (2500-5000)

2159 San Francisco - \$5.00 National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

An absolutely beautiful example. If this note did not have a hard center fold, it would grade choice Extremely Fine. With the center fold, it easily grades **Very Fine**, and, because of the exceptionally vivid color and the fully intact margins, might even be stretched a half grade higher. Overall, this is one of the finest National Gold Bank Notes we've ever had to offer. (2250-4500)

2160 San Francisco - \$5.00 National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

A Gold Bank Note with an impressive pedigree, starting with the Grinnell Collection, thence to Robert Schermerhorn, and finally Stack's on their January 1989 fixed price list as Fine @ \$2000.00. This is a nice looking example which would please any collector. **Fine.** (1500-2000)

- 2161 **San Francisco** - \$100.00 1902 Date Back Fr. 691 **The Crocker NB Ch. # (P)3555**

One of the nicest of the five or so examples of this denomination reported from here to date. **Very Fine-Extremely Fine**, a prime type example. (400-700)

- 2162 **Wells Fargo Nevada Pair**

San Francisco - \$5.00, \$20.00 1902 Fr. 606, 658 **Wells Fargo Nevada NB Ch. # (P)5105**

A nice pair, the \$5.00 grading **Fine**, the \$20.00 grading **Extremely Fine**. (150-250)

- 2163 **San Francisco** - \$10.00 1902 Fr. 635 **Bank of Italy NT & SA Ch. # 13044**

Always a popular note with this title, particularly this nice. **Extremely Fine**, trimmed a bit into the design at the top. (100-150)

- 2164 **San Francisco** - \$50.00 Ty. 2 **Bank of America NT & SB Ch. # 13044**

This should be an affordable Type Two fifty. **Fine+**. (75-125)

- 2165 **San Francisco Melange**

San Francisco - \$5.00 Ty. 1 **Crocker First NB Ch. # 1741 EF**

\$10.00 1902 Dates Fr. 618 **Anglo & London Paris NB Ch. # (P)9174 F+**

\$20.00 Ty. 1 **Anglo & London Paris NB Ch. # 9174 EF**

\$10.00 Ty. 2 **Anglo California NB Ch. # 9174 Choice CU**

\$5.00 1902 Fr. 601 **Bank of California NA Ch. # 9655 VF**

\$5.00 1902 Fr. 609 **Pacific NB Ch. # 12579 F-VF**

\$10.00 Ty. 1, \$20.00 Ty. 2 **Bank of American NT & SB Ch. # 13044 VF, CU**

Total 8 pieces. (200-300)

- 2166 **San Leandro** - \$20.00 Ty. 1 **First NB Ch. # 13217**

Small notes only from this Alameda County bank. **Very Good+**. (100-200)

- 2167 **Stockton** - \$20.00 Ty. 1 **The First NB Ch. # 2412**

A considerably scarcer note in small size than large. This **About Fine** example is a new addition to the census. (150-300)

- 2168 **Torrance** - \$5.00 Ty. 2 **Torrance NB Ch. # 14202**

A fantastic new discovery from this previously unknown California bank. Chartered in the depths of the Depression in 1934, this institution issued only a handful of notes in the year's time until the note issuing era ended. While hardly immaculate, this discovery note will enable one of this area's many collectors to complete their collection. **Very Good**, with a bit of fraying at the upper right margin, but a great note worthy of a very strong bid. (400-800)

- 2169 **Whittier** - \$10.00 Ty. 1 **The Whittier NT & SB Ch. # 7999**

Evenly circulated **Fine** example from Los Angeles County. (100-150)

COLORADO

Evenly circulated **Fine** example from this elusive southern Colorado community. (200-400)

- 2171 **Cortez** - \$20.00 1902 Date Back Fr. 644 **The Montezuma Valley NB Ch. # (W)9100**

A very scarce bank, particularly in large size. **Fine**, with a small margin tear but more than made up for by strong signatures, and tough enough to see bids in the area of... (400-800)

- 2172 **Denver** - \$10.00 Ty. 1 **The First NB Ch. # 1016**

Most attractive **Choice Crisp Uncirculated** example.
(100-150)

- 2173 **Fruita** - \$20.00 Ty. 1 **The First NB Ch. # 8840**

A scarce bank even in small size. Attractive **Fine**, likely to see some spirited competition. (250-500)

- 2174 **Grand Junction** - \$10.00 Ty. 2 **First NB Ch. # 13902**

A very scarce Grand Junction bank which issued small notes only for less than two years. **Very Good+**. (125-250)

- 2175 **Greeley** - \$10.00 Ty. 2 **The Greeley NB Ch. #13928**

Another scarce high charter bank (which issued for a very limited period of time. **Very Good**. (75-125)

- 2176 **Gunnison** - \$20.00 Ty. 1 **The First NB Ch. # 2686**

Scarcer western slope example. **Fine-Very Fine**. (150-250)

- 2177 **Holly** - \$20.00 Ty. 1 **The First NB Ch. # 7704**

The incredible price drawn by the large Holly note in our last sale has now enticed a small note on this rare bank into the marketplace. We don't expect to see a \$2200.00 realization for this nice **Fine+** example, but we would not be surprised to see bidding end in the range of... (500-1000)

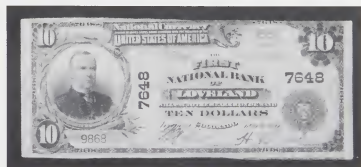

- 2178 **Littleton** - \$5.00 1902 Fr. 607 **The Littleton NB Ch. # 11949**

A great Colorado note from a bank which had but \$625.00 in large notes outstanding in 1935. Our records indicate only one offering of any note from here, with that coming in 1988 when we listed and sold a small size example on our List # 60. **Fine-Very Fine**, with delicate purple signatures. A bank stamp is present on the reverse but really does not detract at all. (750-1250)

REMINDER —

**A 10% Buyer's Fee will be added
to all successful bids.**

- 2179 **Loveland** - \$10.00 1902 Fr. 624 **The First NB Ch. # 7648**

Just as nice as the example we had from here in our May, 1993 sale which brought \$418.00. Nice **Fine+**, with violet signatures, trimmed in just a bit at the top right. (250-450)

- 2180 **Mancos** - \$5.00 1902 Date Back Fr. 593 **The First NB Ch. # (W)9674**

An extremely scarce bank, with only two prior offerings of any kind from here. This **Fine** example is one of the highest grade large notes we know of from here. The margin is trimmed a bit into the design on the top. (350-700)

2186 Ridgefield - \$5.00 1902 Fr. 607 The First NB & TC Ch. # 5309

A beautiful example from this rare Fairfield County community. We note only four appearances of any kind from this bank. Pen signed **Extremely Fine**. (350-700)

A scarce note, particularly in large size. Washed and with a couple of miniscule paper peels, and with a corner tip off, this note sounds a lot worse than it looks. **Very Good**. (80-150)

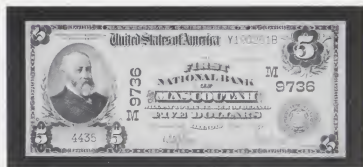

- 2214 La Salle - \$10.00 1882 Value Back Fr. 577 The La Salle NB Ch. # (M)2503

Like so many notes in the Haynie collection, simply the best that money could buy. This is a full fledged **Gem Crisp Uncirculated** example with margins that would be impressive on a third charter note much less a Value Back. (800-1500)

- 2215 La Salle - \$10.00 1882 Value Back Fr. 577 The La Salle NB Ch. # (M)2503

Extremely Rare Illinois Brown Back Sheet

- 2228 Shelbyville - \$5.00 1882 Fr. 474 The First NB Ch. # (M)2128 Uncut Sheet

An exciting new discovery which walked into a California coin shop last year. This lovely uncut sheet of Brown Backs is unique both to the bank, and, to our best knowledge, the only extant sheet of \$5.00 Brown Backs on the state. The sheet is folded between the notes and has several vertical folds as well. The colors are vibrant and the signatures bold. Brown Back sheets are so rare as to be virtually unobtainable from most locations, and this example will certainly be among the highlights of the collection it enters. **Extremely Fine.** (2500-4500)

- 2229 Smithton - \$5.00 Ty. 2 The First NB Ch. # 13525

While an uncut sheet exists from here, we have never seen a single note from this rare St. Clair County location for sale until this offering. **Fine-Very Fine**, a great note worth whatever it costs to obtain it. (200-400)

An extremely rare bank with only two prior public offerings, the last in our November 1992 auction where a similar example brought \$385.00. This beautiful and rare note is fit for the finest collection. **Crisp Uncirculated**, just a few handling marks from gem. (300-500)

- 2232 Jacksonville - \$5.00 Ty. 1 Ayers NB Ch. # 5763 F

Paris - \$20.00 Ty. 1 Edgar County NB Ch. # 2100 VG

- 2239 Monticello - \$1.00 1875 Fr. 383 The First NB Ch. # 2208

Pair of Kansas Number 1 Notes

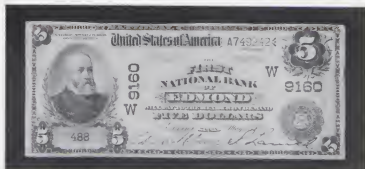

2312 Dexter - \$10.00 1902 Date Back Fr. 618 The First NB Ch. # (W)9225

- 2322 **Falmouth** - \$5.00 Ty. 2 **The First NB Ch. # 11947**

- 2323 **Lebanon** - \$5.00 1902 Fr. 600 **The Citizens NB Ch. # 3988**

- 2396 Kansas City - \$10.00 1902 Fr. 632 The Continental NB of Jackson County Ch. # (M)11377

A very rare Kansas City bank which was in existence for less than four years. This bank was not represented in our landmark offering of Missouri notes in 1990, and we note only four previous offerings of any examples from here. **Fine-Very Fine**. (200-400)

- 2397 Ludlow - \$5.00 1902 Fr. 599 The First NB Ch. # 7900

A newly discovered example from this excessively rare bank. This bank was missing from the extensive Missouri collection we sold in 1990, and even the Sweeney collection only had a small note from here. That 1980 offering, in fact, was the last time any note from here was publicly offered. **Fine**, a note likely to see some stiff competition before the hammer falls. (400-800)

- 2398 Pierce City - \$5.00 Ty. 2 The First NB Ch. # 4225 Uncut Sheet

- 2401 St. Louis - \$5.00 1902 Fr. 609 The Telegraphers NB Ch. # 12389

A Very Good example on this bank founded in 1921 by the Brotherhood of Railway Telegraphers as the ninth union owned and operated bank. - 2403 Butte - \$10.00 1875 Fr. 422 The First NB Ch. # 2566

One of the most significant notes in this sale. State issue First Charter tens were issued by only five banks in Montana, and in very limited quantities. This lovely example is a real miracle of survival. **Fine-Very Fine**, with bright colors and totally unmolessted, this great note will always be one of the highlights of the collection it enters. - 2404 Butte - \$100.00 Ty. 1 The First NB Ch. # 2566

High denominations only in small size, and not that many of them. **Very Fine+**. (300-600)

- 2405 Glendive - \$20.00 Ty. 1 The First NB Ch. # 7101

A very scarce bank from which we have observed only four offerings of any kind. **About Fine**, with a couple of paper clip rust stains which really are somewhat minor. (200-400)

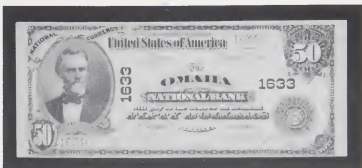

2406 **Roundup** - \$20.00 1902 Fr. 652 **The First NB Ch. #**
(W)9165

Perhaps the ultimate Montana note, with the greatest name to be found on any western national. We have no record of any public offerings from this ultra-rare bank, although we do know that a low grade example from here has been ensconced in a major Montana collection for the past 20 years. Other than that, this specimen represents the sole opportunity to add this fabled community to any collection of nationals. **Extremely Fine-About Uncirculated**, a magnificent item worthy of the finest collection. (2500-5000)

2410 **Naper** - \$5.00 1902 Fr. 601 **The First NB Ch. #** (W)9665

An excessively rare bank from which we have no record of any note, large or small, ever having been offered at public sale. **Good**, low grade but intact, and where can another be found at any price. (150-300)

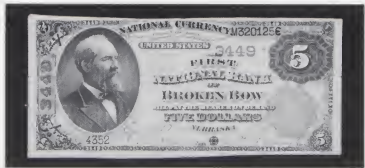

2411 **Omaha** - \$50.00 1902 Date Back Fr. 668 **The Omaha NB**
Ch. # 1633

Attractive **Choice Crisp Uncirculated** example, with one purple and one black signature making for a most distinctive type example. (1200-1600)

2412 **Omaha** - \$100.00 Ty. 1 **The Omaha NB Ch. #** 1633

A nice mate to the large \$50.00 above. This attractive piece would make an excellent example for type. **Choice Crisp Uncirculated**. (175-250)

NEBRASKA

2407 **Broken Bow** - \$5.00 1882 Fr. 469 **The First NB Ch. #** 3449

Another great note which has it all - rarity, condition, and desirability. This bank issued \$5.00 Brown Backs only for 13 years before liquidating in 1899. As of 1910, only \$795.00 was outstanding. As one might expect, no example from the bank has ever been offered at public sale. This pen-signed **Very Fine Brown Back**, with a great layout and a super town name, is likely to become the centerpiece of the collection it now enters. (1000-2000)

- 2448 **Raton** - \$20.00 Ty. 1 **The NB of New Mexico** Ch. # 8098

A newly discovered wonder note which will be the highlight of any collection of Series 1929 New Mexico notes. This bank, which issued but a handful of small notes before liquidating in 1930, has long been one of the key banks to completing a small size set from here. Although two notes have been reported, only one is definitely in the hands of collectors, as the second was merely an observation. The only example in a collection has been impounded for many years, leaving this specimen the sole opportunity to obtain a small note from here. Bright **Fine-Very Fine**, with the look of a much higher grade note, sure to please its new owner no matter what it costs. (750-1500)

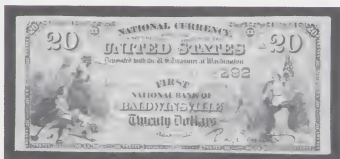

- 2451 **Bainbridge** - \$10.00 1882 Fr. 490 **The First NB** Ch. # (E)2543

An excessively rare Onondaga County bank from which we've recorded only one other large note in more than 20 years of research. This newly discovered \$20.00 Brown Back will no doubt provide a new town for the lucky collector who brings it home. Pen signed **Fine-Very Fine**. (500-900)

- 2454 **Barker** - \$10.00 Ty. 2 **The Somerset NB** Ch. # 10126

A pristine example from this scarce bank, further enhanced by its low serial number A000002. We note only three offerings of any kind from here, the last coming over 20 years ago in a 1973 fixed price list. **Gem Crisp Uncirculated**. (250-500)

NEW YORK

A pristine serial number 1 example which can only be described as a fully original gem. It should also be mentioned that this is an extremely rare signature combination for date backs, with this note the only such example we've ever handled. **Gem Crisp Uncirculated**, a wonder note destined for a great collection. (900-1500)

- 2457 **Brewsters** - \$20.00 Ty. 1 **The First NB** Ch. # 2225

A very scarce Putnam County example. Nice **Fine**, sure to be of interest to this county's many collectors. (150-250)

- 2464 **Chappaqua** - \$10.00 Ty. 2 **The Chappaqua NB** Ch. # 12746

One of the scarcest of Westchester County's smaller communities from which to obtain a note. We can find only one record of any public offering from here, with that coming back in 1973. Those few notes that are known from here have long been in private collections, with this piece a perfect example. It was privately sold, by us, almost a decade ago to the present consignee after reposing in a prominent New York collection for 20 years before that. **Fine**, a bit tightly trimmed at the right margin. (350-700)

- 2465 **Cherry Creek** - \$10.00 Ty. 1 **The Cherry Creek NB** Ch. # 10481

- 2496 **New Rochelle** - \$5.00 1902 Fr. 598 **The National City Bank Ch. # (E)6427**

A very scarce note from the only bank to issue in this Westchester County community. It has been over six years since any note from here has been offered at public sale, and that example was this note, sold by us in 1988 on our List # 58. **Very Good+**. (250-450)

- 2500 New York City - \$5.00 1882 Fr. 469 The NB of the Republic Ch. # 1000

The so-called "Racketeer note," so named for the large "1000" on the reverse, which (it is said) was so confusing that the more gullible were persuaded that the note was indeed worth its "face value." **Nice Fine.** (100-200)

- 2501 New York City - \$100.00 1902 Fr. 698 Bowery & East River NB Ch. # 1105

- 2506 New York City - \$5.00 1882 Fr. 472 The Franklin NB Ch. # 4855 Uncut Pair

An uncut pair of great rarity and historical significance. Formerly the property of Thomas F. Morris II, whose father, Thomas F. Morris, Sr. served as chief engraver for the U.S. Bureau of Engraving and Printing from 1893 to 1898, this uncut pair was obtained by the elder Morris directly from bank president Ellis H. Roberts, who in 1897 left his position as president of the Franklin NB to assume the job of Treasurer of the United States. The Franklin NB issued Brown Backs only before liquidating in 1899. Upon the death of Tom Morris II the pair was sold by William P. Donlon in a 1974 auction, where it brought \$827.50. It has remained in the hands of one owner since that lone appearance. **Extremely Fine**, a unique opportunity for the collector who appreciates the chance to own an irreplaceable piece of history. (1500-3000)

- 2507 New York City - \$20.00 Ty. 1 Staten Island NB & TC Ch. # 6198

Decent **Fine-Very Fine** example from the scarcest of New York City's five boroughs. (75-125)

Unique Red Seal

- 2508 New York City - \$20.00 1902 Red Seal Fr. 639 The Northern NB Ch. # (E)6253

A wonder note which is unique to our best knowledge. This bank issued Red Seals only for less than five years before liquidating in 1907. We have never even heard of a hint of another example existing from here, as we likely would have during over 15 years of collecting and researching New York City's national banks. Pen signed **Fine**, a great note worthy of the finest of collections. (750-1250)

- 2509 New York City - \$5.00 Ty. 2 The Ozone Park NB Ch. # 12280

A popular and seldom offered note from one of Queens County's neighborhood banks. **Extremely Fine**. (200-300)

An always popular Westchester County example. **Very Good+**. (100-200)

- 2514 Oxford - \$10.00 1882 Fr. 479 The First NB Ch. # 273

Pretty as a picture Brown Back with the first layout used on this type. **Extremely Fine**, but with the color and brightness of a new note, a lovely example sure to please its new owner. (400-700)

- 2515 Peekskill - \$2.00 Original Fr. 387 The West Chester County NB Ch. # 1422

By far the highest grade FCP example we have seen from this desirable Westchester County bank, and a Lazy Two as well. **Crisp Uncirculated**, choice but for the slightly tight margin on the right side. We expect some serious competition to bring home this prize from the many collectors interested in this county. (1500-2500)

- 2516 Peekskill - \$5.00 Ty. 1 The Peekskill NB & TC Ch. # 8398

A very elusive bank which is seldom available. Pleasing **Very Good-Fine**. (125-225)

- 2520 Riverhead - \$10.00 Ty. 1 The Suffolk County NB Ch. # 4230

Not only a rare and in demand bank, but the nicest example we have handled from here in a quarter century of dealing in better Long Island material. With a far lower grade **Very Good-Fine** example having brought \$412.50 in our November 1992 sale, this lovely **Very Fine-Extremely Fine** specimen should see the hammer fall in the range of... (500-800)

Highest grade small note we've seen from this scarce north country bank. **About Uncirculated.** (150-300)

Easily the finest example we've recorded from this Chenango County bank. **Choice Crisp Uncirculated**, bearing low serial number A000002. (200-400)

- 2526 **Stapleton** - \$10.00 1902 Fr. 624 The Richmond Borough NB Ch. # (E)7290

This is one of only two examples known from this excessively rare Staten Island bank. The other, also a 1902 \$10.00, surfaced in an Alabama coin shop in 1986 and eventually became part of the Dornfest collection of Staten Island notes. That example, grading **Very Fine**, was sold by us in November of 1990 and brought \$907.50. While not quite so nice, the example we now offer gives Staten Island collectors another opportunity to complete their collections. **Very Good.** (400-800)

- 2527 **Suffern** - \$10.00 Ty. 1 The Suffern NB & TC Ch. # 5846

- 2532 **Walton** - \$10.00 1902 Fr. 627 **The First NB** Ch. # (E)4495
Decent **Fine** example. (50-100)

- 2533 **Waterloo** - \$20.00 Ty. 2 **The First NB** Ch. # 368

- 2534 **Webster** - \$5.00 Ty. 1 **Webster NB** Ch. # 13145

One of New York's most difficult to obtain towns, with the last (and only) prior offering from here coming in the sale of the Grinnell Collection in October of 1945. We advise not waiting the 40 years until the next note from here comes up for sale. **Very Fine**. (250-450)

- 2544 Winston-Salem - \$20.00 Ty. 1 The Farmers NB & TC Ch. # 12278

Easily the finest note we've seen from here, and definitely not common in this grade. Well centered **Choice Crisp Uncirculated**. (150-250)

- 2549 Bucyrus - \$5.00 1882 Fr. 467 The Second NB Ch. # (M)3274

Bright and original **Choice Crisp Uncirculated**, just a hair too close at the top left to qualify for gem status. This is still a first rate Brown Back which is certain to satisfy any collector. (400-600)

NORTH DAKOTA

- 2545 Grafton - \$10.00 Ty. 1 The Grafton NB Ch. # 3096

OHIO

- 2547 Bucyrus - \$10.00 1902 Red Seal Fr. 613 The First NB Ch. # (M)443

Uncirculated, but with the overprint on the right side lightened when some fool tried to remove a handling mark by wetting and pressing the note. (200-350)

- 2548 Bucyrus - \$5.00 1882 Fr. 467 The Second NB Ch. # (M)3274

Just a beautiful Brown Back fit for the finest of collections. **Gem Crisp Uncirculated**. (550-750)

- 2552 Cincinnati - \$50.00 Original Fr. 440 The First NB Ch. # 32

A rare and seldom available type note with an illustrious pedigree. This example, one of only four examples reported to date bearing this signature combination, was formerly lot 1174 in the famed Albert A. Grinnell collection. The note then passed into the hands of Amon Carter, in whose collection it reposed until his untimely death several years ago. **Very Good**, with a scattering of pinholes common to this denomination, a note worthy of a substantial bid. (2000-4000)

2553 Cincinnati - \$2.00 Original Fr. 387 The Merchants' NB Ch. #844

A rather unprepossessing note at first glance, but this example is the only Lazy Two extant from this city.

A lovely example of this elusive type. **Crisp Uncirculated**, with better margins than are normally found on date backs. (350-650)

Finest Known \$100 1875

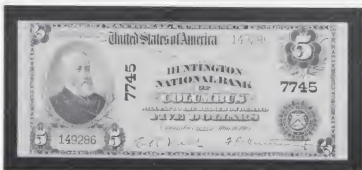

2556 Cincinnati - \$100.00 1875 Fr. 460 The Metropolitan NB Ch. #2542

An incredible note which has never before been offered to members of the numismatic fraternity. While its existence has been known of for some time, the appearance of this note at public sale would make this a memorable auction even if it were the only big ticket item being offered. After viewing this note, we have no doubt that it is the finest First Charter hundred ever offered for sale. It is likely the finest such example known to exist as well. Grading **Choice About Uncirculated++**, this beautiful note has the look and texture of a piece which was printed yesterday. The overprint and color are incredibly vivid, the signatures are perfect, and the centering is mind boggling for this type and denomination. We only wish that every note we offered possessed the combination of rarity, condition, and desirability that are combined in this superlative example. (15000-25000)

2557 Cincinnati - \$20.00 1902 Date Back Fr. 642 The Second NB Ch. # (M)2664

The recharter of charter #32, and a very scarce bank under the higher charter number. We have recorded only two offerings of any kind for this bank, although later notes issued when the institution retook its earlier charter number are common. Nice **Fine**. (75-125)

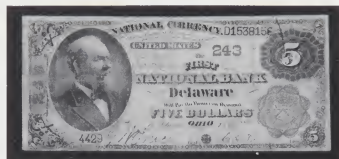

2558 Columbus - \$5.00 1902 Fr. 598 The Huntington NB Ch. #7745

Lovely **About Uncirculated**, but an error note as well, as the double impression of the blue charter and serial number overprint is clearly evident. (200-400)

2559 **Columbus** - \$5.00 Ty. 2 **The Huntington NB Ch. # 7745**

Well centered **Gem Crisp Uncirculated** example from the Ohio state capital. (75-125)

2564 **Newark** - \$1.00 Original Fr. 380 **The First NB Ch. # 858**

Better centered than most from here, and gem save for a tiny ink spot on the reverse. **Choice Crisp Uncirculated**. (500-800)

2560 **Delaware** - \$5.00 1882 Fr. 466 **The First NB Ch. # 243**

2565 **Newark** - \$1.00 Original Fr. 380 **The First NB Ch. # 858**

Attractive **Crisp Uncirculated** example with the top margin trimmed into the design at the upper right. (350-550)

2561 **Delphos** - \$20.00 Ty. 2 **The Old NB Ch. # 12196**

2562 **Mansfield** - \$50.00 Ty. 1 **The Citizens NB & TC Ch. # 2577**

Very Good-Fine, a couple of inked numbers on the reverse. (90-125)

2566 **Newark** - \$10.00 1875 Fr. 419 **The First NB Ch. # 858**

Hardly a rare note, but rare in this grade, as the centering on this example is better than 99% of the other examples from here we've seen. **Gem Crisp Uncirculated**, and worthy of a premium bid. (1500-2500)

2563 **Milford** - \$10.00 1882 Fr. 480 **The Milford NB Ch. # 3234**

A beautiful Brown Back fit for the finest of collections. **Gem Crisp Uncirculated**. (700-900)

2567 **Newark** - \$10.00 1875 Fr. 419 **The First NB Ch. # 858**

A bit of handling and a very tight top margin are all that keep this attractive example from the choice classification. **Crisp Uncirculated**. (800-1200)

- 2568 **Springfield** - \$5.00 1902 Date Back Fr. 590 **The Mad River NB Ch. # (M)1146**

- 2573 **Kaw City** - \$20.00 1902 Fr. 656 **NB of Kaw City Ch. # 10402**

A truly rare Oklahoma bank, which issued only a handful of notes during its time of operation and had only \$650.00 in large notes outstanding at its demise in 1932. We do have a record of one other offering from here — that back in a 1969 price list. Nice **Fine+**, a few pinholes but more than compensated for by the strong blue signatures. (450-900)

- 2574 **Lone Wolf** - \$10.00 Ty. 1 **The First NB Ch. # 10096**

A perfect example with a great name and serial number 1 as well. **Gem Crisp Uncirculated**, only for those who seek the finest and are willing to pay for it. (500-900)

Scarcer 14000 charter with only one offering since 1983. We sold a low grade VG example with writing on the face for \$132.00 in our November 1992 sale. This example, a very much nicer **Fine-Very Fine**, should realize substantially more. (175-325)

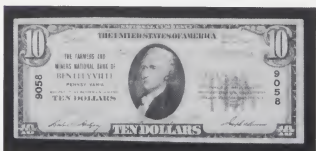

- 2599 **Beech Creek** - \$10.00 Ty. 2 **The Beech Creek NB Ch. # 13205**

An excessively rare note from one of the smallest banks in the state to issue. Our consignor was very proud of this note, not surprising in view of the fact that in over 160,000 appearances of actual notes for sale we have recorded only one appearance of any kind from this location, with that occurring more than 20 years ago. Nice **Fine+**, a super item worth whatever it costs to obtain it. (250-500)

- 2766 **Wessington Springs** - \$10.00 1902 Date Back Fr. 616 **The First NB Ch. #** (W)6446

A rare note from the only bank to issue in Jerauld County. In 50 years we have recorded only one offering from here, a slightly lower grade date back twenty which sold at auction for \$632.50 in 1991. Nice pen signed **Fine**, sure to see some spirited bidding now that this state has become a much more active collecting area. (500-700)

- 2772 **Kingsport** - \$20.00 Ty. 1 **The First NB Ch. # 10842**

An extremely scarce east Tennessee bank which has had but one (that's right, one) appearance at public sale in over 50 years. It is hard to believe that in over 160,000 listings of actual notes offered for sale the only listing we have for any Kingsport example was an appearance on a 1972 fixed price list. **Fine**, trimmed into the design at the lower left. (200-400)

- 2773 **Knoxville** - \$20.00 Ty. 1 **The East Tennessee NB Ch. # 2049**

- 2775 **Memphis** - \$10.00 1882 Fr. 479 **The First NB Ch. # 336**

A tougher type from this state and in a nice high grade. No actual circulation is evident although the note is lightly stained about its edges and the brown ink of the back is a bit mottled, apparently from moisture. Strong red brown signatures and an overall grade of **Extremely Fine**. (300-600)

- 2776 **Memphis** - \$10.00 Ty. 2 **Union Planters NB & TC Ch. # 13349 Uncut Sheet**

A beautiful sheet which is as lovely as any we've handled. **Gem Crisp Uncirculated**, with each note perfect and no problems of any kind in the margins. (800-1200)

- 2777 **Morristown** - \$20.00 Ty. 1 **The Hamblen NB Ch. # 8025**

Second title used on small notes by this bank. **About Fine**. (100-150)

2778 Mount Pleasant - \$20.00 1902 Date Back Fr. 644 The First NB Ch. # (S)9319

A scarce bank in large size. We are fortunate enough to have two to offer, both from the same Chicago estate. This date back is a nice **Very Fine**, with just a trace of light aging around the edges. It will certainly please any of this state's avid collectors. (250-450)

2782 Savannah - \$10.00 1902 Date Back Fr. 618 The First NB Ch. # (S)8889

A **Very Good** example from a scarce bank with \$1,810 outstanding in large notes in 1935. Well circulated and soiled but still scarce enough to be worth a bid in the range of... (200-400)

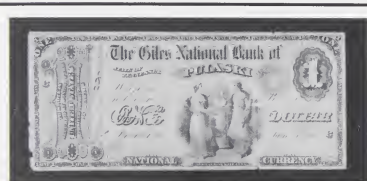

2779 Mount Pleasant - \$20.00 1902 Fr. 652 The First NB Ch. # (S)9319

Another chance for the underbidders on the lot above. **Very Fine**, with just a little more aging, and one rounded corner. (200-400)

2780 Murfreesboro - \$20.00 1902 Fr. 652 The First NB Ch. # (S)1692

Another tougher large note which is seldom offered. Evenly circulated **Fine**, with pen signatures. (175-325)

2781 Pulaski - \$1.00 Original Fr. 382 The Giles NB Ch. # 1990

An incredible new discovery offered here to the collecting fraternity for the first time. Only one other example is known from this bank, with that note having been ensconced in a major Tennessee collection for many years. The example we offer represents the first opportunity that collectors from this state have ever had to obtain a note from this bank. **Fine**, with a few trivial splits and a couple of chips out of the margins, a wonderful opportunity to obtain both a rare bank and a rare type on this avidly collected state that should not be missed. (1750-3500)

2784 Amarillo - \$20.00 Ty. 2 The First NB Ch. # 4214

Despite its size, this is not an easy location from which to find many notes. Having said that, we must also say that we have never seen any Amarillo note, large or small, in a grade even approaching this example. **About Uncirculated**, a crisp and sharply printed example fit for the finest of collections. (150-300)

- 2785 **Amarillo** - \$5.00 1882 Date Back Fr. 533 **The Amarillo NB Ch. # (S)4710**

- 2786 **Bartlett** - \$20.00 1902 Fr. 650 **The Bartlett NB Ch. # (S)7317**

- 2787 **Big Spring** - \$20.00 Ty. 1 **The State NB Ch. # 12543**

A rare note from this avidly collected west Texas location. We know there are others (in fact, we've owned one), but in over 160,000 records of actual notes offered for sale over the past 50 years, we find no listings whatever from this bank. **Fine-Very Fine**. (250-500)

- 2788 **Brownwood** - \$20.00 1902 Fr. 652 **The Citizens NB Ch. # (S)8312**

Tougher west Texas bank which is not often available in large size. **About Fine**. (175-325)

A hoard note, but a beautiful example nevertheless. **Gem Crisp Uncirculated**. (150-300)

- 2790 **Comanche** - \$20.00 1902 Fr. 652 **The First NB Ch. # (S)3561**

Tougher Comanche bank which issued large notes only before liquidating in 1927. To date, we've recorded only four offerings from here. **Very Good**, with clear signatures. (175-325)

- 2791 **Corpus Christi** - \$20.00 1902 Fr. 653 **The Corpus Christi NB Ch. # (S)4423**

This is acknowledged to be the scarcest of Texas' big cities from which to obtain a note. This example is from a tougher Corpus Christi bank as well. **Fine**, with purple signatures. (200-400)

- 2792 **Corsicana** - \$20.00 1902 Fr. 652 **The Corsicana NB Ch. # (S)3645**

Nice **Fine-Very Fine** example with strong black stamp signatures. (100-150)

- 2793 **Crosbyton** - \$10.00 Ty. 1 **Citizens NB Ch. # 8515**

An excessively rare west Texas bank and town, with the last offering of any note from here coming almost ten years ago when we sold a lower grade note from here on our fixed price list. Nice **Fine+**, a great note from a town which appears about once every decade. (350-700)

- 2794 **Dalhart** - \$20.00 1902 Fr. 650 **The First NB Ch. # (S)6762**

A very scarce note on a bank from which no notes have been publicly offered since we sold a small size \$10.00 on our April 1987 fixed price list. We have never owned a large note from this panhandle location nor can we recall one being offered for sale in the last 15 years. **Very Fine**, with strong purple signatures, a good note from an area where better material seldom shows up. (300-600)

- 2795 **Denison** - \$10.00 Ty. 2 **The Citizens NB Ch. # 12728**

Scarcer Denison bank. **Fine-Very Fine**. (90-150)

- 2796 **Deport** - \$20.00 1902 Date Back Fr. 642 **The First NB Ch. #**
(S)6430

A very rare east Texas note from a Louisiana cash hoard. We have absolutely no record (in over 160,000 listings) of any note from here ever being publicly offered for sale. This is not surprising, as this bank had only \$790.00 outstanding in large notes in 1935. **Fine**, trimmed a bit closely at the top, but a great note likely to see bids in the range of... (400-700)

- 2797 **Ennis** - \$10.00 Ty. 1 **The Citizens NB Ch. # 7331**
Choice Crisp Uncirculated. (125-175)

- 2798 **Floresville** - \$20.00 1902 Fr. 650 **The First NB Ch. #**
(S)6320

Evenly circulated **Fine** example from this south Texas location. (150-250)

- 2799 **Fort Worth** - \$50.00 1902 Fr. 682 **The First NB Ch. #**
(S)2349

Decent albeit well circulated example from this well collected location. **Very Good.** (125-225)

- 2800 **Gatesville** - \$20.00 Ty. 1 **The Gatesville NB Ch. # 6150**

A very scarce central Texas example. Nice **Fine-Very Fine.** (150-200)

- 2801 **Greenville** - \$10.00 1902 Fr. 624 **The Commercial NB Ch. #**
(S)7510

A better Greenville bank which is seldom available, as the bank issued large notes only before entering receivership in 1925. **About Fine.** (125-225)

- 2802 **Hereford** - \$10.00 1902 Fr. 633 **The First NB Ch. # 5604**

Scarcer west Texas note, particularly in large size. **About Fine.** (200-400)

- 2803 **Hillsboro** - \$20.00 1902 Fr. 652 **The Farmers NB Ch. #**
(S)3762

Not a rare town, but this is not the Hillsboro bank that is always available. **Fine.** (125-225)

- 2804 **Houston** - \$10.00 Ty. 1 **The Union NB Ch. # 9712**

Bright Choice Crisp Uncirculated example. (50-100)

- 2805 **Lubbock** - \$50.00 Ty. 1 **The Citizens NB Ch. # 8208**

Another great west Texas note, this a rare denomination on a bank which has had no public offerings since 1983. If you are a serious collector of west Texas material, this will become one of the key items in your collection. **Very Fine.** (450-900)

- 2806 **Lufkin** - \$10.00 Ty. 2 **The Lufkin NB Ch. # 5797**

We've handled and seen far more large notes than small from this east Texas community over the years. We've not seen a nicer small note from here than this **Very Fine+** example. (150-250)

- 2807 **Memphis** - \$10.00 1902 Fr. 634 **The First NB Ch. # 6107**

A so-called Fourth Charter example from this panhandle location bearing the Jan. 11, 1922 plate date. **Very Good.** (150-250)

2817 Unique Large Size Taylor Note

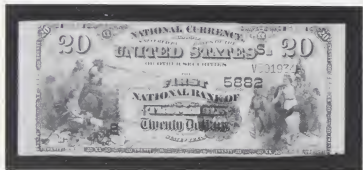

Taylor - \$50.00 1902 Date Back Fr. 669 The Taylor NB Ch. # (S)3859

No large size notes from this bank are known by us to exist. None were present in the Philpott, Irish, or Carter collections, nor have any been offered in the past half century. That this example survived can be attributed to the fact that it was placed on display with the charter offered above and then forgotten when the Taylor National Bank merged the First National Bank in 1931. **Very Fine**, a beautiful note with only a few small paper pulls on the reverse showing the old mounting. (800-1200)

2818 Texas City - \$20.00 1902 Fr. 653 The Texas City NB Ch. # 10040

A great large size note which may well be the only such example available to the collecting fraternity. The only other large note from Texas City we know of has been ensconced in the Philpott holdings for over 40 years. Even the massive Irish collection lacked a large note from here. **Very Fine+**, a beautiful piece with huge purple signatures, and a wonderful note worth whatever it brings. (500-900)

2819 Thorndale - \$20.00 1882 Value Back Fr. 581 The First NB Ch. # (S)5882

An extremely rare central Texas bank for which we have no record of any public offerings. This **Fine** Value Back will be one of the key pieces of the collection it now enters. (400-800)

2820 Weatherford - \$10.00 1882 Fr. 483 The Merchants and Farmers NB Ch. # (S)3975

Saved from being unique by the fact that the Philpott collection had a \$20.00 Brown Back from here. We know of no other examples from this short lived Brown Back only bank in the hands of collectors, and we have no record of any notes whatever from here being offered in the past 50 years. **Fine-Very Fine**, a beautiful Brown Back which could not be duplicated for any amount of money. (1000-1500)

UTAH

2821 Salt Lake City - \$5.00 Ty. 1 The First NB Ch. # 2059

A lovely example from this scarcer state capital bearing low serial number B000002A. **Choice Crisp Uncirculated**. (250-500)

2822 Salt Lake City - \$5.00 Ty. 1 The Deseret NB Ch. # 2059

A lovely example from the Utah state capital. **Choice Crisp Uncirculated**, a premium specimen. (200-400)

**MAIL BIDDERS —
Please Remember that Only
Signed Bid Sheets
Will be Honored.**

- 2823 **Smithfield - \$20.00 1902 Fr. 654 The Commercial NB Ch. # 10135**

A great Utah note from a bank which is just plain rare. Small town notes from here are virtually never available, and when this is sold who knows how long it will be until another is offered. **Fine-Very Fine**, with good pen signatures, a note which warrants a strong bid. (750-1250)

VERMONT

- 2828 **Proctorsville - \$10.00 Ty. 1 The National Black River Bank Ch. # 1383**

A wonderful title, a rare bank, and unsurpassable grade make an unbeatable combination for this note. **Gem Crisp Uncirculated**. (300-500)

- 2829 **Richford - \$10.00 Ty. 1 The Richford NB Ch. # 11615**

Very scarce small note from this northern Vermont community. Nice **Fine+**, a couple of small ink spots on the reverse. (125-250)

- 2824 **Burlington - \$10.00 1882 Fr. 480 The Merchants NB Ch. # 1197**

A superb example which is an absolute joy to behold. If you are looking for the best Vermont Brown Back that money can buy, this is the note for you. **Gem Crisp Uncirculated**. (900-1200)

- 2830 **Rutland - \$5.00 1882 Fr. 471 The Baxter NB Ch. # (N)1700**

First Brown Back we've had from this tougher Vermont bank. **Fine**. (200-400)

- 2825 **Middlebury - \$100.00 Ty. 1 The NB of Middlebury Ch. # 1195**

A very rare denomination from both this bank and this state. Only four banks in the entire state elected to issue small size hundreds, with a total sheet issue of only 230. Of that number only 48 sheets were issued from Middlebury. **Fine**, with a number stamped on the front of the note. (250-450)

- 2826 **Montpelier - \$10.00 Ty. 1 The Montpelier NB Ch. # 857**
Scarcer state capital example. **Very Good**. (100-150)

- 2827 **North Bennington - \$5.00 Ty. 1 The First NB Ch. # 194**

A lovely example bearing serial number 1. **Choice Crisp Uncirculated**, a gem but for the barest remnant of an old sheet fold in the top margin. (450-750)

VIRGINIA

- 2831 **Abingdon - \$20.00 1902 Fr. 652 The Peoples NB Ch. # (S)8819**

- 2832 **Bedford - \$10.00 Ty. 2 The Peoples NB Ch. # 11328**

- 2833 **Chase City** - \$10.00 1902 Fr. 626 **The First NB Ch. #** (S)9291

Very scarce but a bit on the low grade side. **Good-Very Good**, the face somewhat stained and soiled. (150-250)

- 2834 **Crewe** - \$10.00 Ty. 1 **The First NB Ch. #** 9455

Nicer than average note from this scarcer than average Nottoway County community. **Fine+**. (125-225)

- 2835 **Emporia** - \$5.00 1902 Fr. 600 **The First NB Ch. #** 8688

Tougher bank in large size. Decent **Fine**, cut a bit close on the bottom. (100-200)

- 2840 **Marshall** - \$20.00 Ty. 1 **The Marshall NB & TC Ch. #** 10253

A **Very Fine** note from a hard to find Fauquier County bank. Scarce enough to be worth... (100-200)

- 2841 **Norfolk** - \$20.00 1902 Fr. 654 **The Seaboard Citizens NB Ch. #** 10194

A bit of handling at either end, and cut close at the top, but otherwise quite a lovely example. **Crisp Uncirculated**. (175-275)

- 2842 **Norfolk** - \$20.00 Ty. 1 **The Seaboard Citizens NB Ch. #** 10194

SOCIETY OF PAPER MONEY COLLECTORS

HISTORY

At the 1960 A.N.A. Convention in Boston, a small group of paper money collectors met informally and agreed that a regular organization would be desirable. During the next year, an organization was formed comprising collectors of tokens, medals and obsolete paper money. At the 1961 Atlanta A.N.A. Convention, it was decided to withdraw from the tokens and medals group and organize separately into the Society of Paper Money Collectors. In June 1964, the Society was incorporated as a non-profit organization under the laws of the District of Columbia.

OBJECTIVES

1. Encourage the collecting and study of paper money.
2. Cultivate fraternal collector relations with the opportunities for discussion, trading, etc.
3. Furnish information and knowledge from experts in various fields, particularly through the Society's Paper Money Magazine.
4. Encourage research and publication about paper money.
5. Promote interest in the hobby of numismatics.
6. Encourage educational exhibits about paper money.
7. Promote education about current market valuations.

MAGAZINE

The Society's magazine, PAPER MONEY, is published six times a year and is sent to all members. It contains informative articles about various paper money collecting interests and lists new members and their collecting specialties.

BOOKS

The Society maintains an active book publication program on the obsolete currency of various states.

MEETINGS

The Society is affiliated with the American Numismatic Association and conducts a regional meeting at their annual convention. The Society holds meetings at other regional events and cosponsors a number of major paper money conventions each year.

MEMBERSHIP

Anyone interested in supporting the objectives of the Society is eligible for membership. Applicants should be sponsored by a current member, or the Secretary will sponsor new applicants who provide suitable references, such as dealers with whom they have done business.
